

FAMILY SYSTEMS THEORY

Social Theory And The Family

Brian Roberts

Social Theory And The Family:

Social Theory and the Family (RLE Social Theory) D.H.J. Morgan, 2014-08-07 An experienced teacher of courses on the sociology of the family D H J Morgan frequently encounters a gulf between the family as it is often treated in sociological texts and the family as it is usually experienced In this book he provides an extremely valuable bridge between the two by presenting an encounter between some of the mainstream theoretical approaches and concerns in the sociology of the family and what he terms as critical perspectives on the family This is the first British book on a basic social institution that takes into account the literature outside the mainstream of sociological analysis that deals with the subject The first half examines the varieties of functional theorizing embedded in many texts the over concern with the question of kinship in modern society and the treatment of the family as a success story In the second half Dr Morgan presents a critical account of some of the counter theories those derived from the radical feminist movement the existential psycho analytical approach associated with Laing and the critical analyses of sex in an advanced capitalist society A final chapter suggests some themes and orientations derived from this encounter of theoretical approaches and modern perspectives which can be usefully developed

The Family, Politics, and Social Theory (RLE Social Theory) D.H.J. Morgan, 2014-08-13 This book explores and clarifies all the major issues and developments within family theorising It covers the extraordinary growth and variety of approaches to the family over the last decade the most significant being the impact of feminism and the professional and state intervention into the family through marital and family therapy The author focuses on the growth of family counselling giving a detailed analysis of the Home Office publication Marriage Matters He looks at the rapid growth of historical studies of the family European theoretical developments the work of the Rapoport the role of systems theorising and phenomenological and critical approaches to the family He shows the relevance of family theorising for contemporary debates about the state of marriage and the family and argues for the centrality of family themes within wider sociological debates

The Family, Politics, and Social Theory D. H. J. Morgan, 1985

Social Theory and the Family (RLE Social Theory) D.H.J. Morgan, 2014-08-07 An experienced teacher of courses on the sociology of the family D H J Morgan frequently encounters a gulf between the family as it is often treated in sociological texts and the family as it is usually experienced In this book he provides an extremely valuable bridge between the two by presenting an encounter between some of the mainstream theoretical approaches and concerns in the sociology of the family and what he terms as critical perspectives on the family This is the first British book on a basic social institution that takes into account the literature outside the mainstream of sociological analysis that deals with the subject The first half examines the varieties of functional theorizing embedded in many texts the over concern with the question of kinship in modern society and the treatment of the family as a success story In the second half Dr Morgan presents a critical account of some of the counter theories those derived from the radical feminist movement the existential psycho analytical approach associated with Laing and the critical analyses of sex in an

advanced capitalist society A final chapter suggests some themes and orientations derived from this encounter of theoretical approaches and modern perspectives which can be usefully developed

Emile Durkheim on the Family Mary Ann Lamanna, 2001-10-24 This valuable source for a systematic and comprehensive understanding of Durkheim's ideas on the family constitutes a major addition to the literature on the family social theory women's studies and family law Highly recommended for upper division undergraduates and above CHOICE Emile Durkheim on the Family is intended to bring attention to this classical sociologist's work on the family Durkheim's writings in this area are little known but the family was nevertheless one of his primary interests the subject of an intended book that was never written Durkheim's ideas on the family appear only in scattered sources and a number of those sources have not been translated into English Durkheim's Sociology of the family has not heretofore been presented and analyzed holistically The purpose of Lamanna's book is to bring together Durkheim's ideas on the family from diverse sources and to present his family sociology systematically and comprehensively Quotations from Durkheim's writing or speaking enrich the analysis Durkheim's work on the family is situated in its historical context and comparisons are drawn to present day sociology of the family is situated in its historical context and comparisons are drawn to present day sociology of the family and family issues Chapter topics include Durkheim's life and times His evolutionary theory of the family Methodologies for studying the family The changing relationship of kin Conjugal family and the state The interior of the family Family policy Gender Sexuality An examination of Durkheim's work on the family reveals its close connections to his well known books and theories Emile Durkheim on the Family should interest audiences in sociology of the family social theory family science European intellectual history women's studies legal history and those generally interested in family studies and or nineteenth and early twentieth century Europe *The Family, Politics, and Social Theory (RLE Social Theory)* D.H.J. Morgan, 2014-08-13 This book explores and clarifies all the major issues and developments within family theorising It covers the extraordinary growth and variety of approaches to the family over the last decade the most significant being the impact of feminism and the professional and state intervention into the family through marital and family therapy The author focuses on the growth of family counselling giving a detailed analysis of the Home Office publication Marriage Matters He looks at the rapid growth of historical studies of the family European theoretical developments the work of the Rapoport's the role of systems theorising and phenomenological and critical approaches to the family He shows the relevance of family theorising for contemporary debates about the state of marriage and the family and argues for the centrality of family themes within wider sociological debates

Family and the State of Theory David J. Cheal, 1991-01-01 Family studies play an increasingly important role in contemporary sociology David Cheal provides an up to date and comprehensive survey of modern sociological theories about family life While recognizing that these theories are both diverse and fragmented he argues that such divisions are a positive and integral aspect of studying contemporary family theory Cheal takes a broad comparative approach to the theories analysed using empirical examples

from North America Europe and Australia and examining how old and new approaches interact with one another He argues that it is possible to make sense of a contemporary family theory by analysing its divisions as the result of different experiences of modernity These experiences lie along three axes first the opposition between social modernism and its anti modernist critics second the ideological effects of contradictions within modernity itself and third the emerging difference between modernist idealism and post modernist scepticism Another major theme of the book is the profound impact of feminism on contemporary family studies and how this has been the catalyst for so much rethinking of the subject in recent years By comparing a wide range of theories in this way and providing a conceptual framework to explain and encourage theoretical pluralism David Cheal has produced a major new work for students and researchers of family sociology and social theory worldwide

Weberian Sociological Theory Randall Collins,1986-02-28 A new interpretation of Weberian sociology showing its relevance to current world issues

Constructing Social Theory David C. Bell,2009 Constructing Social Theory discusses the nature of social theory and theoretical orientations Organized by forty three theoretical orientations in seven domains exchange power adaptation reinforcement social bond altruism functionalism and identity the text includes a tutorial on how to identify an appropriate theoretical orientation and create a theory given a particular research question Bell separates the theoretical orientation of causal logic from theory itself illuminating the mechanisms of scientific revolutions where new theoretical orientations are created and the procedures of normal science in which theories are developed using the logic of existing theoretical orientations

Handbook of Family Violence Alan S. Bellack,Michel Hersen,R.L. Morrison,Vincent B. Van Hasselt,1987-11-30 In the last decade there has been heightened clinical and investigative activity in the area of family violence This of course is partly attributable to recent surveys showing a high incidence of family violence in the United States For example there are indications that nearly 30% of married women in this country are victims of physical abuse by spouses at some point in their marriage Further FBI statistics show that approximately 13% of all homicides are husband wife killings Moreover it has been projected that such figures are likely to increase over the next several years Consistent with these trends funding of family violence research by both federal and private agencies has increased Indeed federal agencies such as the National Institute of Mental Health and the National Institute of Law Enforcement and Criminal Justice have provided considerable support for work in this area In addition family violence particularly wifebattering child abuse and sexual abuse of children has been the focus of media attention at the national level and has generated intensive interest in both lay and professional publications Moreover there have been several recent governmental hearings and investigations regarding the prevalence of these problems

Encyclopedia of Social Theory Austin Harrington,Barbara L. Marshall,Hans-Peter Müller,2005-12-22 The Encyclopedia of Social Theory contains over 500 entries varying from concise definitions of key terms and short biographies of key theorists to comprehensive surveys of leading concepts debates themes and schools The object of the Encyclopedia has been to give

thorough coverage of the central topics in theoretical sociology as well as terms Sociological Theory and Educational Reality Alan Barcan,1993 An examination of the major classical sociological theories relevant to education and of the rise and decline of the new sociology of education Author also discusses the vexed questions of equality of opportunity the relationship between school and society the growth of educational bureaucracies and the roles of state church and family in education in Australia since 1949 Includes endnotes tables and index *Family Systems Theory Simplified* Bethany C. Suppes,2022-08-12 In this textbook for students and instructors of marriage and family therapy Bethany C Suppes offers a refreshed perspective of family systems therapy FST focusing on the importance of understanding its concepts and demonstrating how models of marriage and family therapy can appear practically in counseling In Part I Suppes begins with a theoretical overview of FST including the history of development key theorists and defining core concepts In Part II she focuses on application and explores nine key components of FST identifying how various systemic therapy models apply these concepts The book also covers the professional responsibilities of the systemic therapist and cultural considerations for those using the theory professionally Primarily written for those having their first exposure to the ideas of FST it explains concepts in a language and structure that is more comprehensive and culturally aware than existing literature aiming to improve the therapeutic process for both therapist and client *Reconstructing Social Theory, History and Practice* Harry F. Dahms,Eric R. Lybeck,2016-12-05 Taken from papers presented at the 2015 International Social Theory Consortium ISTC this volume focusses on Reconstruction dedicated to taking account of and interrogating the possibility of picking up the pieces *The Family* Bert N. Adams,Robert King Merton,1986 *Sociological Theory in the Contemporary Era* Scott Appelrouth,Laura Desfor Edles,2010-11-29 Uses a proven text reader hybrid format to introduce contemporary theorists their original works and a theoretical framework for understanding them Praise for Sociological Theory in the Contemporary Era Current users of most other theory texts should take notice of Sociological Theory in the Contemporary Era as it rivals existing volumes with its accessibility and its selections Dustin Kidd Temple University TEACHING SOCIOLOGY Vol 36 2008 April 161 184 Sociological Theory in the Contemporary Era Second Edition combines well edited important original writings from sociology s core contemporary theorists with introductory text that provides a historical and theoretical framework for understanding them Authors Scott Appelrouth and Laura Desfor Edles use this unique text reader approach to introduce students to contemporary sociological theory in a lively and engaging fashion The text reader provides not only a biographical and theoretical summary of each theorist s works but also an overarching scaffolding that students can use to examine compare and contrast each theorist s major themes and concepts The book also offers discussions of past social and intellectual milieus to provide a holistic picture of the development of the theories discussed Contributor to the SAGE Teaching Innovations and Professional Development Award Micro Social Theory Brian Roberts,2019-03-15 Micro social theory covers a rich tradition in sociological thinking and research that focuses on the self or actor and social interaction This new

title in the Traditions in Social Theory series traces the development of the tradition and assesses its contemporary importance **Intercultural Variation in Family Research and Theory** Roma S Hanks, Marvin B Sussman, 2014-05-12

Intercultural Variation in Family Research and Theory sets forth 23 critical reviews in a 2 volume set that document the development of family research and theory in various societies around the world Focusing on modern research while drawing on the historical roots of theoretical and methodological approaches employed in the study of family this collection not only increases your knowledge about the status of family research in various countries but also inspires cross national research among researchers and scholars The societies being studied have been grouped by region Volume I contains the set s Introduction and contributions from the Far East the Baltic region Australia and South Africa Volume II covers the Middle East Western Europe Scandinavia and also includes the Index The materials in these two volumes are the result of the charge given to scholars of 23 societies to review the development of family theory and research in their homelands Their obligation was to provide an analytic report telling a story from their perspective of reality The book s editors now present some of the commonality of experiences and trends of the researchers and interpret country differences and similarities from their writings Intercultural Variation in Family Research and Theory holds numerous suggestions for your investigations into the family field You ll find that the set adds to the body of knowledge on comparative family analysis and raises concerns and issues for future research The questions addressed in this book include how gender of the investigator influences choice of research topics how funding sources shape the research agenda what influence a researcher s career trajectory has on research topics methods and procedures why psychological and sociological frameworks and methodologies are commonly used in family research how political policy influences and dictates theory development and research what to do about the multitude of new questions that inevitably arise from such intercultural research *Handbook of Social Theory* George Ritzer, Barry Smart, 2003-07-26 The Handbook of Social Theory presents an authoritative and panoramic critical survey of the development achievement and prospects of social theory **Classical Sociological Theory** George Ritzer, Jeffrey Stepnisky, MR Jeffrey N Stepnisky, 2020-03-27 The authors are proud sponsors of the 2020 SAGE Keith Roberts Teaching Innovations Award enabling graduate students and early career faculty to attend the annual ASA pre conference teaching and learning workshop Classical Sociological Theory Eighth Edition provides a comprehensive overview of the major theorists and schools of sociological thought from the Enlightenment roots of theory through the early 20th century The integration of key theories with biographical sketches of theorists and the requisite historical and intellectual context helps students to better understand the original works of classical authors as well as to compare and contrast classical theories
