Social Problems and Criminal Justice Emilio Viano, Alvin W. Cohn, 1975 **Indian Police and Equal Justice Under Law** James Vadackumchery, 1999 Books in Series , 1985 Vols for 1980 issued in three parts Series Authors and Titles

Social Problems and Criminal Justice Emilio Viano, Alvin W. Cohn, 1974 Monographic Series Library of Congress, **Subject Catalog, 1975** Library of Congress, 1975 **The Routledge International Handbook of the Crimes of the Powerful** Gregg Barak, 2015-06-05 Across the world most people are well aware of ordinary criminal harms to person and property Often committed by the powerless and poor these individualized crimes are catalogued in the statistics collected annually by the FBI and by similar agencies in other developed nations In contrast the more harmful and systemic forms of injury to person and property committed by powerful and wealthy individuals groups and national states are neither calculated by governmental agencies nor annually reported by the mass media As a result most citizens of the world are unaware of the routinized crimes of the powerful even though they are more likely to experience harms and injuries from these types of organized offenses than they are from the atomized offenses of the powerless Research on the crimes of the powerful brings together several areas of criminological focus involving organizational and institutional networks of powerful people that commit crimes against workers marketplaces taxpayers and political systems as well as acts of torture terrorism and genocide This international handbook offers a comprehensive authoritative and structural synthesis of these interrelated topics of criminological concern It also explains why the crimes of the powerful are so difficult to control Edited by internationally acclaimed criminologist Gregg Barak this book reflects the state of the art of scholarly research covering all the key areas including corporate global environmental and state crimes The handbook is a perfect resource for students and researchers engaged with explaining and controlling the crimes of the powerful domestically and internationally Criminal Justice Policy and Planning Wayne N. Welsh, Philip W. Harris, 2016-03-31 Unlike other textbooks on the subject Criminal Justice Policy and Planning Planned Change Fifth Edition presents a comprehensive and structured account of the process of administering planned change in the criminal justice system Welsh and Harris detail a simple yet sophisticated seven stage model which offers students and practitioners a full account of program and policy development from beginning to end The authors thoughtfully discuss the steps analyzing a problem setting goals and objectives designing the program or policy action planning implementing and monitoring evaluating outcomes and reassessing and reviewing Within these steps students focus on performing essential procedures such as conducting a systems analysis specifying an impact model identifying target populations making cost projections collecting monitoring data and performing evaluations In reviewing these steps and procedures students can develop a full appreciation for the challenges inherent in the process and understand the tools that they require to meet those challenges To provide for a greater understanding of the material the text uses a wide array of real life case studies and examples of programs and policies Examples include policies such as

Restorative Justice Justice Reinvestment Stop and Frisk and the Brady Act and programs such as drug courts community based violence prevention and halfway houses By examining the successes and failures of various innovations the authors demonstrate both the ability of rational planning to make successful improvements and the tendency of unplanned change to result in undesirable outcomes The result is a powerful argument for the use of logic deliberation and collaboration in criminal justice innovations

Research Methods for Criminology and Criminal Justice M. L. Dantzker, Ronald D Hunter, 2000-02-03 Research should be enjoyable whether it is a college student completing a project for a degree or a professor meeting requirements or expectations associated with his or her position Learning the basics for conducting research is the first step This text is a reader friendly primer which has as its strength the facility to positively and gently ease the reader into the task of conducting research Each chapter begins with a vignette describing a hypothetical situation in which students might find themselves By chapter s end students should be equipped with the knowledge on how to address the confusion or problem presented in the appropriate scenario Another pedagogical tool is the Methodological Link which refers to excerpts from actual criminal justice and criminological research the full text which is available in a companion text Readings for Research Methods in Criminology and Criminal Justice Each chapter also ends with Methodological Queries questions and exercises requiring students to apply what has been learned Uses practical examples from criminal justice scenarios to bring complex and involved issues to life Hypothetical scenarios at the beginning of each chapter Shows the relevance of research methodology to the practical problems of everyday criminal justice operations in a reader friendly manner
