Waking from the Dream Louise E. Walker, 2013-02-20 When the postwar boom began to dissipate in the late 1960s Mexico's middle classes awoke to a new economically terrifying world And following massacres of students at peaceful protests in 1968 and 1971 one party control of Mexican politics dissipated as well The ruling Institutional Revolutionary Party struggled to recover its legitimacy but instead saw its support begin to erode In the following decades Mexico's middle classes ended up shaping the history of economic and political crisis facilitating the emergence of neo liberalism and the transition to democracy *Waking from the Dream* tells the story of this profound change from state led development to neo liberalism and from a one party state to electoral democracy It describes the fraught history of these tectonic shifts as politicians and citizens experimented with different strategies to end a series of crises In the first study to dig deeply into the drama of the middle classes in this period Walker shows how the most consequential struggles over Mexico's economy and political system occurred between the middle classes and the ruling party

The Rebirth of American Literary Theory and Criticism H. Aram Veese, 2020-11-27 The interviewees of this volume fall into three groups the main players who brought about the rise of theory Fish Gallop Spivak Bhabha a younger group of post theorists B rub Dimock Nealon Warren the anti critique theorists Felski and new order theorists Puchner Wolfe They discuss elemental questions such as trying to grasp what was logic and what was rhetoric trying to see down the road while fog and turmoil held visibility to arm's length and trying to pick legible meanings out of the cultural blanket of deafening noise Theorists were not only good thinkers but also pioneers who were seeking profound transformations

Manifesto of a Tenured Radical Cary Nelson, 1997-04-01 In an age when innovative scholarly work is at an all time high the academy itself is being rocked by structural change Funding is plummeting Tenure increasingly seems a prospect for only the elite few Ph D's are going begging for even adjunct work Into this tumult steps Cary Nelson with a no holds barred account of recent developments in higher education Eloquent and witty *Manifesto of a Tenured Radical* urges academics to apply the theoretical advances of the last twenty years to an analysis of their own practices and standards of behavior In the process Nelson offers a devastating critique of current inequities and a detailed proposal for change in the form of A Twelve Step Program for Academia

Fearless Neil Thomas Proto, 2020-05-01 Biography of the early years of A Bartlett Giamatti who would become Yale University's first non Anglo Saxon Protestant president and commissioner of Major League Baseball In 1977 a thirty nine year old Italian American professor of Renaissance literature A Bartlett Giamatti was chosen as the next president of Yale University a radical act that was immediately perceived as a threat to the university's embedded eugenics driven Anglo Saxon mentality Eugenics as practiced in America and especially at Yale locked into place those who were

deemed unfit due to beliefs about their ethnicity class and racial character beliefs that had endured for decades and to which Giamatti's selection as an Italian American and therefore to some one of the unfit was an open rebuke In Fearless Neil Thomas Proto explores the origins of Giamatti's ethical convictions including his insistence on fairness his respect for the duty of responsible citizenship and his advocacy for people on the margins Proto argues that these convictions which would inform Giamatti's time at Yale as well as his brief tenure as commissioner of Major League Baseball can be understood only in the context of Giamatti's family and the deeply entwined and conflicted histories of Yale and New Haven itself a history that Giamatti who had been both a student and a professor at Yale and who had Italian American relatives in New Haven knew very well Historian Sean Wilentz wrote that Bart Giamatti was a phenomenon who lived the lives of several men even though his own ended tragically early Giamatti confirmed his underlying imperative through to the end of his life Rest he wrote will come by never resting Fearless is a story about persistence against forces ugly embedded and more pernicious than simply racial and ethnic discrimination and about the principled embrace of civic duty passed on generationally and used fully as the ethical sword and shield necessary to challenge them In Fearless Neil Proto tells the extraordinary life story and career of A Bartlett Giamatti as he became a distinguished professor of Renaissance literature a pathbreaking president of Yale University and the seventh commissioner of Major League Baseball Proto writes with the candor directness thoroughness and passionate pursuit of truth that also characterized Giamatti His compelling biography is a shining achievement Nick Kotz Pulitzer Prize winning reporter and author of Judgment Days Lyndon Baines Johnson Martin Luther King Jr and the Laws That Changed America Neil Proto's narrative is riveting thorough and essential to understanding how unfettered White Anglo Saxon discrimination against Southern and Eastern European immigrants and African Americans recognized then as eugenics and today as White Supremacy was taught supported and legitimized Proto especially captures the prejudice and methods intended to repress the aspirations of hard working Southern Italian immigrants Bart Giamatti's family among them Government often led the way Neighborhoods destroyed Families displaced Sterilization justified Valentine Giamatti learned and taught the civic duty of fairness toward others to his son Bart as did the parents including my own and Neil Proto's among the immigrant and migrant families who came to New Haven That battle for fairness endures today Proto's work is like none other I've read Congresswoman Rosa DeLauro D New Haven Through the story of the Giamatti family and the focus on A Bartlett Giamatti Proto is able to write a microhistory of a significant part of twentieth century America The way he interlocks immigration race education urban history local politics academic politics intellectual history and biography is splendid It is a magisterial lesson in civic education and the duty of citizenship The book is a pleasure to read one does not want to put it down The research is impeccable and voluminous Samuele F S Pardini author of In the Name of the Mother Italian Americans African Americans and Modernity from Booker T Washington to Bruce Springsteen Liturgy in Postcolonial Perspectives C. Carvalhaes, 2015-06-10 This book brings Christian Jewish and Muslim

scholars from different fields of knowledge and many places across the globe to introduce expand the dialogue between the field of liturgy and postcolonial decolonial thinking Connecting main themes in both fields this book shows what is at stake in this dialectical scholarship **Yale Journal of Law & the Humanities** ,2001 **The Palgrave International Handbook of Marxism and Education** Richard Hall,Inny Accioly,Krystian Szadkowski,2023-11-07 The Palgrave International Handbook of Marxism and Education is an international and interdisciplinary volume which provides a thorough and precise engagement with emergent developments in Marxist theory in both the global South and North Drawing on the work of authoritative scholars and practitioners the handbook explicitly shows how these developments enable a rich historical and material understanding of the full range of education sectors and contexts The handbook proceeds in a spirit of openness and dialogue within and between various conceptions and traditions of Marxism and brings those conceptions into dialogue with their critics and other anti capitalist traditions As such it contributes to the development of Marxist analyses that push beyond established limits by engaging with fresh perspectives and views that disrupt established perspectives

Reconstructing the “Uni-versity” Harvey J. Graff,2025-09-14 Slogans myths and isolated anecdotes are inadequate substitutes for documented history and contextual understanding Literature on the history of higher education is dominated by ahistorical and contextually ignorant slogans Seldom acknowledged in discussions of the decline or failure of the modern university is 1 how long it has been going on at least since the 1960s and 2 universities own complicity in this long complicated and contradictory process Myths intertwine inseparably with slogans to echo yet another lost cause Our collective as well as individual pasts provide essential lessons if we know how to read and learn from them More complicated is imagining a plausible better future for universities In *Reconstructing the Uni versity From the Ashes of the Mega and Multi versity to the Futures of Higher Education* Harvey J Graff bringing experience from over 50 years as a professor provides an accurate history of higher education redefining the issues and terms to establish a new agenda *Living with Theory* Vincent B. Leitch,2008-01-03 In a clear and readable style *Living with Theory* maps out contemporary theory tracing its complex configurations its political preoccupations and its relations with literature Argues that the field of theory in late postmodern consumer society has become overburdened with new ideas and that there is an essential need for guides and signposts in this complex field Maps out contemporary theory tracing its complex configurations its political preoccupations and its relations with literature Explores the engagement of theory with such phenomena as globalization and postmodernism multiculturalism and cultural wars plus the rise of neoliberalism and the corporate university Highlights the current reconfiguration of critical reading and its potential future *Race, Religion, and Resilience in the Neoliberal Age* Cedric C. Johnson,2016-04-29 This book presents a study of the rise of American neoliberalism in the aftermath of the modern Civil Rights movement paying particular attention to the traumatic impact of the neoliberal age on countless African Americans Author Cedric C Johnson takes a close look at the manner in which American neoliberalism has been able to

preserve articulate and exploit constructions of race based difference The neoliberal age has engendered an extraordinary growth in economic disparities and social inequalities with traumatic repercussions for innumerable African Americans Historically black religious forms have functioned as contested spaces capable of organizing alternative modes of cultural economic and political life This project examines forms of black religiosity that function as modes of soul care in this context Johnson posits an innovative multi systems approach that informs practices of care for populations traumatized or threatened by the neoliberal age **Social Text** ,1998 **The Museum in Asia** Yunci Cai,2025-02-04 The Museum in Asia advances an understanding of the flourishing museum landscape in the region by offering a variety of conceptual tools and frameworks through which museum development can be analysed and understood Informed by the key theoretical tenets of critical museology and heritage studies this volume seeks to deconstruct the idea of museology and the museum phenomenon in East South and Southeast Asia to identify common themes and trends unique to Asia Drawing on case studies from ten different countries in Asia including China and India it proffers a set of analytical tools to think through how we can understand and conceptualise the study of museums and museology in Asia Contributions to this edited volume are drawn from both Asian and Western academic contexts thus offering both inside and outside perspectives on the museum phenomenon in Asia The Museum in Asia is the first academic book to explore the museum phenomenon in Asia from theoretical perspectives informed by critical museology and heritage studies making it an essential text for the teaching of courses relating to museum studies cultural heritage studies or Asian studies Academics students and professionals who are interested in learning more about the theory behind the museum phenomenon in Asia will find this book to be a useful resource
