**Changing Politics of Canadian Social Policy** James J. Rice, Michael J. Prince, 2013-01-01 Changing Politics of Canadian Social Policy is a one of a kind resource in the fields of political science and social work

Health Policy in Canada Toba Bryant, 2016-12-13 Health Policy in Canada explores the process implementation and outcomes of health policy in the Canadian context This engaging text provides students with a solid foundation in the key theories and developments in health policy while also delivering illustrative examples and case studies from across the country Employing a strong comparative and international perspective Toba Bryant critically compares the Canadian system to alternative models in countries such as the United States Sweden and the United Kingdom With its focus on the themes of health equity and the social determinants of health this text takes into account the role of public policy not only in providing health care but also in shaping the health and well being of a population The second edition has been well updated to reflect current research and issues including a consideration of the impact of economic globalization on health policy and health care in Canada Featuring critical thinking questions and annotated lists of recommended readings and websites this text was developed with the intent of making health policy accessible to students and practitioners in a wide range of disciplines including nursing social work medicine health sciences and public policy

**Intergovernmental Policy Capacity in Canada** Gregory J. Inwood, Patricia O'Reilly, Carolyn M. Johns, 2011 In a highly networked world where governments must cope with increasingly complex and inter related policy problems the capacity of policy makers to work intergovernmentally is not an option but a necessity Gregory Inwood Carolyn Johns and Patricia O'Reilly offer unique insights into intergovernmental policy capacity revealing what key decision makers and policy advisors behind the scenes think the barriers are to improved intergovernmental policy capacity and what changes they recommend Senior public servants from all jurisdictions in Canada discuss the ideas institutions actors and relations that assist or impede intergovernmental policy capacity Covering good and bad economic times and comparing insiders concerns and recommendations with those of scholars of federalism public policy and public administration they provide a comparative analysis of major policy areas across fourteen governments ntergovernmental policy capacity while of increasing importance is not well understood By examining how the Canadian federation copes with today s policy challenges the authors provide guideposts for federations and governments around the world working on the major policy issues of our day

*Employment Policies and Multilevel Governance* Roger Blanpain, Brian Langille, 2009-04-29 In Europe work has long been a symbol of full citizenship and today work is a fundamental goal of European social policy However although every person has the right to work it is becoming clearer all the time that unemployment is not due merely to a lack of encouragement to exercise this

right but at least in part to some deeper defects in the implementation of effective employment policies As a contribution to defining the nature of these problems this important collection of essays targets the phenomena of multilevel governance both vertical European national regional local and horizontal administrative institutions trade unions business representatives NGOs showing with detailed analysis and data how coordination or conflict between the various levels advances or fails to advance the goals of employment policy Regarding the EU five EU Member States are examined plus for comparative analysis the parallel Canadian federal model with the authors addressing such concrete issues as the impact of globalisation and Europeanisation on employment policies distribution of tasks in the Open Method of Coordination OMC involvement of private and economic agents the increasing significance of international political agents flexicurity as an employment strategy the difficulty of integrating the excluded coordination with education and fiscal policies social inclusion from the point of view of international human rights and gender mainstreaming as a weakening of the EU guarantee of gender equality The essays originated in a research meeting held at the Instituto Internacional de Sociología Jurídica at Oñati Spain in June of 2007 Some of the contributors all employment law experts discuss problematic aspects of the European Employment Strategy EES and its influence on the decentralization of employment policies and related elements of social protection Other authors concentrate on built in multilevel problems resulting from existing constitutional and administrative structures while a third group focuses on substantive approaches to employment policies within individual member states The Bulletin contains updated versions of all papers In this book the degree of administrative legal political and cultural intricacy involved in a serious engagement with multilevel governance of employment on the European model is put on full view As a deeply informed analysis of how the idea of multilevel governance has played out within the political and administrative reality of Member States the book will prove of enormous value to labour and employment law professionals anywhere as the problems identified here have a global reach

**Federalism** J. Peter Meekison, Hamish Telford, Harvey Lazar, 2004 Beginning with an examination of the role of traditional institutions such as Parliament Cabinet the Supreme Court and political parties Canada State of the Federation 2002 affirms the long held belief that these bodies do not provide effective forums for interregional bargaining creating a void that has been filled at least in part by executive federalism Contributors conclude that the performance of traditional institutions taken as a whole has deteriorated over the last several decades placing more pressure on the processes of executive federalism *The Territorial Politics of Welfare* Nicola McEwen, Luis Moreno, 2008-08-28 This book considers empirically and theoretically the relationship between state welfare and territorial politics from a European perspective [The Case for Centralized Federalism](#) Gordon DiGiacomo, Maryantonett Flumian, 2010-08-21 The Case for Centralized Federalism and its sister volume The Case for Decentralized Federalism are the outcome of the Federalism Redux Project created to stimulate a serious and useful conversation on federalism in Canada They provide the vocabulary and arguments needed to articulate the

case for a centralized or a decentralized Canadian federalism In *The Case for Centralized Federalism* an array of experts condemns the federal government's submissiveness in its dealings with the provinces and calls for a renewed federal assertiveness They argue that the federal government is best placed to create effective policy support democracy and respond to issues of national importance Published in English      **The Case for Decentralized Federalism** Ruth Hubbard, Gilles Paquet, 2011-01-17 *The Case for Decentralized Federalism* and its sister volume *The Case for Centralized Federalism* are the outcome of the Federalism Redux Project created to stimulate a serious and useful conversation on federalism in Canada They provide the vocabulary and arguments needed to articulate the case for a centralized or a decentralized Canadian federalism *The Case for Decentralized Federalism* brings together experts who believe decentralized federalism is the optimal arrangement for governing the contextual diversity and cultural pluralism in Canada Using different approaches they argue that by dividing the work of public governance among different levels of government it is easier to address the needs and aspirations of the diverse groups that make up Canada Published in English      *Designing Government* F. Pearl Eliadis, Margaret M. Hill, Michael Howlett, 2005 This collection of readings examines the tools used by today's government to achieve legitimacy effectiveness and accountability The contributors examine the instrument choice perspective on government and public policy over the past two decades moving beyond the preoccupation with deregulation and efficiency to trace the complex relationships between instrument choices and governance Readers are encouraged to consider factors in the design of complex mixes such as issues of redundancy context the rule of law and accountability These latter factors are especially central in today's world to the design and implementation of effective instrument choices by governments and ultimately to good governance The authors conclude that instrument choice itself is integral to government and governance      *Canadian Federalism* Herman Bakvis, Grace Skogstad, 2025-07-15 In the context of Canada's political landscape *Canadian Federalism* stands as the leading text on federal institutions and processes analyzing the performance effectiveness and legitimacy of the federation's core components The fifth edition features contributions from twenty experts including six new authors who explore the socio-economic foundations institutions and intergovernmental relations that shape Canadian federalism The book is organized into three parts it examines Canada as a case of comparative federalism explores key social economic and environmental policy areas and reimagines the federation by addressing Indigenous multi-level governance and the role of municipalities By employing a common evaluative framework this volume ensures consistency and analytical rigour making it accessible to both students and scholars The authors provide diverse assessments of Canadian federal institutions highlighting different models of federalism under the Justin Trudeau government such as collaborative federalism in certain areas and unilateralism in others In a time of political polarization and calls for reform *Canadian Federalism* is essential reading for understanding the complexities of Canada's governance and the urgent need for institutional improvements      **Comparative Federalism** Thomas O. Hueglin, Alan Fenna, 2006-01-01 This is a thoughtful

well organized review of a subject of ever increasing importance the resurgence of the federal idea The Honourable Bob Rae 21st Premier of Ontario      **Building the Social Union** University of Regina. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
