Link, 2018-03-28 Infused with relevant personal narratives and

photographs Social Work and Social Welfare provides a global human rights perspective on social welfare policies that are at the forefront of controversy in today's world e.g. immigration policies, environmental sustainability, health care, housing, food insecurity and income wealth inequality

Not Just a Passing Phase George A. Appleby, Jeane W. Anastas, 1998 This comprehensive textbook helps social workers understand and meet the needs of lesbian, gay and bisexual people. It outlines approaches to a range of everyday problems associated with issues of oppression: family acceptance, shame, identity development, HIV disease and addiction. The first of the book's three sections provides an overview of what it means to be gay, lesbian or bisexual and locates the text within the ecological model of social work on individual, interpersonal and institutional levels of intervention. This section includes definitions of sexual orientation, forms of heterosexism and homophobia and issues of community among gay, lesbian and bisexual people. The second section covers life transitions including childhood, adolescence and late life as well as sexual relationships, parenting and life in the workplace. The last part covers the special issues and challenges of mental health, substance abuse, violence, both gay bashing and domestic violence and HIV disease. The final chapter pulls together the practice concepts introduced in the book and provides a blueprint for knowledge development and dissemination in the field.

Social Work and Social Welfare Vithya Murugan, Annah Kay Bender, Marla Berg-Weger, 2025-05-07 The seventh edition of *Social Work and Social Welfare: An Invitation* provides an authoritative and accessible overview of the knowledge, skills and values that are essential for future social workers across various practice settings in an ever-evolving world. As with previous editions, this book is an up-to-date profile of the landscape in which today's social workers practice, encompassing current demographic, statistical, legislative, policy and research information, sensitive discussions around contemporary ethical issues and fresh profiles of social workers with first-person narratives that demonstrate the fulfilling field students will be joining. To reflect and address the changes within the profession and the world since the previous edition was released, Vithya Murugan, Marla Berg-Weger and new co-author Annah Kay Bender revised and added content that presents the histories of social welfare and the social work profession as the intertwined phenomena that they are, discusses emerging trends within the profession including developing perspectives and practices around gun violence, social media use, AI and increased calls for abolitionism, depicts a wider array of professional roles within social work featuring new practitioner profiles that touch on approaches grounded in restorative justice and community practice, reflects the CSWE's 2022 EPAS and stresses the standards' new emphasis on anti-racism, diversity, equity and inclusion in professional practice. The book's refreshed overview is supported by a range of fully updated instructor and student-led resources that are available through the book's companion website www.routledgesw.com. Altogether, the seventh edition of *Social Work and Social Welfare* maintains its essential and engaging coverage of the field, introducing readers to the world of social work and professional practice with individuals, families, groups, organizations, communities and in policy settings.

Ethics and Values in Social Work Allan E. Barsky, 2009-10-14 In a unique and student

friendly package Ethics and Values in Social Work offers a series of learning modules that will ensure graduates receive a comprehensive ethics and values education Designed to be easily incorporated into any curriculum each module helps students integrate the knowledge skills self awareness and critical thinking abilities required for dealing with ethical issues From applying basic ethical standards of practice to managing complex ethical dilemmas this textbook equips readers with a range of tools and strategies for responding to ethical questions and concerns Traditional ethics textbooks provide students with a model for ethical decision making This breakthrough textbook goes beyond ethical decision making by providing students with a strategic framework for managing ethical issues that includes guidelines for engaging others in ethical discussions and using conflict resolution theory to promote collaborative solutions Some textbooks introduce students to ethical theories such as deontology teleology and virtue ethics This textbook goes beyond describing these theories by providing students with opportunities to apply compare and contrast these approaches as they relate to various contexts of social work practice A wealth of case scenarios discussion questions and role play exercises make this an engaging thought provoking teaching and learning tool At a basic level this textbook teaches students the essential principles and standards that define ethical practice At a more profound level Ethics and Values in Social Work inspires students to reach for the highest values of profession service dignity and worth of the person human relationships integrity competence social justice human rights and scientific inquiry

Diversity and Aging in the Social Environment Sherry M. Cummings, Colleen Galambos, 2016-05-06 Today nearly one of every eight Americans is 65 or older and by 2030 over 20% of the population will be in this age group Are you prepared to work with this vastly diverse and rapidly growing population This single source is designed to help social service professionals provide effective services to America's vastly diverse and rapidly growing elderly population Diversity and Aging in the Social Environment explores the impact of race ethnicity gender sexual orientation and geographic location on elders strengths challenges needs and resources to provide you with a more complete understanding of the issues elders face In order to be more responsive to older adults social workers and other human service professionals need to enhance their knowledge of the aging population and the factors that impact the way seniors interact with society organizations community resources neighborhoods support networks kinship groups family and friends Diversity and Aging in the Social Environment examines differences in race ethnicity geographical location sexual orientation religion and health status to help current and future human service professionals provide culturally competent services to the diverse range of elderly people they serve In addition it addresses the wide disparity that exists for older Americans in terms of income and assets number of chronic conditions functional and cognitive impairment housing arrangements and access to health care This book provides a context for the examination of diversity issues among older adults by describing and discussing several theoretical perspectives on aging that highlight important aspects of diversity Next you'll find thoughtful examinations of issues and challenges faced by lesbian gay bisexual and transgender elders and the strengths they bring into

later life the impact of gender race and sexual orientation on prevalence rates risk factors methods of disease contraction and mortality rates among older adults with HIV AIDS along with a discussion of the psychosocial issues they face diverse characteristics of custodial grandparents and the influence of the caregivers gender race age and geographic location on methods of care and available caregiver support differences in caregiver characteristics service utilization caregiver strain and coping mechanisms among several racial ethnic groups of adults who care for elderly disabled and ill persons cultural religious factors that influence interactions between health care personnel and Japanese American elders the relationship between acculturation and depressive symptoms among Mexican American couples life challenges facing Jewish and African American elders with a look at each group's coping mechanisms differences in religious spiritual coping skills among Native American African American and white elders psychological well being and religiosity among a diverse group of rural elders

Working in Social Work Jessica Rosenberg, 2009-09-25 This text provides graduate students going into the social work field with real world and practical information about what it is really like to work as a social worker Each chapter presents a true picture of what to expect as a front line social worker in the given practice setting Social Policy for Effective Practice Rosemary Kennedy Chapin, Melinda Lewis, 2023-03-31 Social Policy for Effective Practice A Strengths Approach sharpens students awareness of social welfare policy and offers a considerable array of resources and knowledge foundations to both understand and thrive within a continually evolving policy landscape Throughout the text the authors tell the stories of social workers who impact policy incorporate frameworks for policy analysis center social work values and strengths principles and integrate the series interactive and downloadable cases to demonstrate policy's relevance and application to practice settings and situations in concrete ways Students may use the text as an introduction to social policy a tool for deeper examination of policy topics and as a lifelong companion for their policy relevant practice Now in its sixth edition the textbook is fully updated to reflect substantial changes in policy arenas such as health care family economic support immigration and asylum criminal justice housing reproductive rights substance use disorder mental health treatment and childcare as well as the implications of the evolving COVID 19 pandemic With additional support and extensions available at www.routledgesw.com Social Policy for Effective Practice makes policy relevant accessible and meaningful for social work students and is a perfect complement to undergraduate and graduate courses on social policy and practice **Clinical Social Work** Rachelle A. Dorfman, 2013-04-15 Published in 1996 Clinical Social Work is a valuable contribution to the field of Psychiatry Clinical Psychology The Practice of Generalist Social Work Julie Birkenmaier, Marla Berg-Weger, 2014-01-03 The new edition of The Practice of Generalist Social Work teaches and helps students apply the skills for micro macro and mezzo practice The third edition contains over 80 pages of new content including many skill based guides to subjects such as cognitive behavioral therapy and motivational interviewing Quick Guides a new feature in the third edition are tools that will be useful to students in everyday practice Routledgesw.com now contains 6 cases the authors have created a new case Brickville for

this book Within Brickville students work with a mezzo case embedded within a macro case to help a family in a community facing gentrification Instructor materials include extra readings PowerPoints test questions annotated links syllabi for one two or three semester courses and EPAS guidelines With 13 chapters and 6 cases this book works with a one two or three semester practice course This book is also available in customized versions for your two and three semester courses click the links below Chapters 1 7 <http://www.routledge.com/books/details/9780415731744> Chapters 8 13 <http://www.routledge.com/books/details/9780415731751> Chapters 1 5 <http://www.routledge.com/books/details/9780415731768> Chapters 6 9 <http://www.routledge.com/books/details/9780415731775> Chapters 10 13 <http://www.routledge.com/books/details/9780415731782>

Chapters 1-5: The Practice of Generalist Social Work, Third Edition Julie Birkenmaier, Marla

Berg-Weger, 2014-01-21 This text for generalist practice courses is also available with a treasure trove of related materials for use in a two or three course practice sequence The text helps translate the guiding theoretical perspectives of social justice human rights and critical social construction into purposeful social work practice Six unique cases specially written for this Series provide a learning by doing framework unavailable from any other social work publisher Companion readings and many other resources enable this text to be the centerpiece for three semesters of practice teaching Go to www.routledgesw.com to learn more This custom edition includes the first five chapters for instructors teaching the first semester of a three semester generalist practice sequence and is also available in e book editions in a full range of digital formats

Social Work Practice with the LGBTQ Community Michael P. Dentato, 2017-10-10 Social Work Practice with the LGBTQ Community aims to weave together the realms of sociopolitical historical and policy contexts in order to assist readers with understanding the base for effective and affirming health and mental health practice with diverse members of the LGBTQ community Comprised of chapters written by social work academics and their allies whose combined knowledge in the field spans decades of direct experience in human behavior practice policy and research this book features applicable and useful content for social work students and practitioners across the allied health and mental health professions as well as across disciplines The expansive practice text examines international concerns and content associated with the LGBTQ movement and ongoing needs related to health mental health policy and advocacy among other areas of concern Specific highlights of the chapters include narrative that blends conceptual theoretical and empirical content examination of current trends in the field related to practice considerations and intersectionality and snapshots of concerns related to international progress and ongoing challenges related to equality and policy Additionally as a classroom support for instructors each chapter has a corresponding power point presentation which includes a resource list pertaining to that chapter's focus with websites film and video links as well as national and international organizations associated with the LGBTQ community Overall Social Work Practice with the LGBTQ Community is an invaluable resource for graduate students within social work programs and related disciplines academics and health mental health practitioners currently in the field Oxford Textbook of Palliative Social

Work Terry Altilio, Shirley Otis-Green, 2011-03-28 This text is the definitive resource for practicing palliative social work clinicians It is designed to meet the needs of professionals who seek to provide culturally sensitive biopsychosocial spiritual care for patients and families living with life threatening illness
