Novak, 2024-05-14 Unlike other texts for undergraduate sociological social psychology courses *Individual and Society* covers each of the three research traditions in sociological social psychology symbolic interactionism social structure and personality and group processes and structures With this approach the authors make clear the link between sociological social psychology theory and methodology Students will gain a better understanding of how and why social psychologists trained in sociology ask particular kinds of questions the types of research they are involved in and how their findings have been or can be applied to contemporary societal patterns and problems This new third edition makes the emphasis on social inequality within sociological social psychology a key theme in earlier versions of the book more salient throughout the text by including new or expanded discussions of intersectionality positionality the experiences of gender and sexual minorities racial microaggression contemporary social movements and the complexities of allyship Other additions to the text address the ubiquity of the Internet and social media where the authors consider how these phenomena have shaped the experiences of Generation Z the first digital natives and altered individuals self concepts and social relationships Engaging exercises and group activities are also embedded within each chapter to enhance students readiness to reflect and think critically about the social world around them and to improve their understanding of the different dimensions of sociological social psychology and how they relate to everyday life      **Juvenile Delinquency in a Diverse Society** Kristin A. Bates, Richelle S. Swan, 2020-01-21 *Juvenile Delinquency in a Diverse Society* Third Edition presents students with a fresh intersectional examination of juvenile delinquency in the context of real communities and social policies integrating many social factors that shape juvenile delinquency and its control including race ethnicity class gender and sexuality Authors Kristin A Bates and Richelle S Swan use true stories and contemporary examples to link theories of delinquency not just to current public policies but to existing community programs encouraging readers to consider how theories of delinquency can be used to create new policies and programs in their own communities Readers will gain a foundational understanding of the social diversity that contextualizes varying experiences and behavior of juvenile delinquency as well as a deeper appreciation for the policies social justice and community programs that make up the juvenile system      **Schools and Society** Jeanne H. Ballantine, Joan Z. Spade, 2011-04-04 Offering a wide array of theoretical perspectives and methods a broad range of resources and both classic and contemporary studies this fully updated Fourth Edition uses the open systems approach to provide readers with a framework for understanding and analyzing the book s disparate topics Edited by Jeanne H Ballantine and Joan Z Spade both of whom actively teach Sociology of Education courses this text includes dozens of readable articles that illustrate major concepts and theoretical perspectives in the field      **Society in Question** Robert J. Brym, 1999      **Marketing Ethics and Consumer Society** Athanasia Daskalopoulou, Natalia Yannopoulou, 2025-04-03 This unique new text explores marketing ethics the impact of marketing on consumers lives and the wider social cultural and political context of marketing activities

Taking a critical approach to marketing practice the book discusses the growing sense of responsibility within the marketing discipline and addresses issues at the interface between marketing and society. Importantly for Marketing students it works to develop an understanding of the impacts that marketing can have on consumers' lives and the potential that future marketers have to shape contemporary society. Chapters cover marketing and advertising ethics, critical consumption, gender and race, brand activism, sustainability and corporate social responsibility and understanding and protecting the consumer. Case studies drawn from international contexts featuring real life and recognisable organisations are included in every chapter to bring the theory to life, enabling students to explore the ethical dilemmas and criticisms faced by organisations and consumers in contemporary society. Chapter outlines, learning outcomes, summaries and self-assessment questions cement learning whilst discussion questions aim to provoke interesting conversation. A much needed and relevant textbook that brings together all the key contemporary topics in marketing ethics, this should be core reading for advanced undergraduate and postgraduate students studying modules on marketing ethics, ethical marketing and sustainability and marketing and society. Online support materials include lecture slides and a test bank.
