Sociological Aspects Of Drug Dependence

**United States. Commission on
Marihuana and Drug Abuse**

Sociological Aspects Of Drug Dependence:

Sociological Aspects of Drug Dependence Charles Winick,1974 **The Sociology of American Drug Use** Charles E. Faupel,Gregory Weaver,2004 Unlike most texts about drug use which are written either from a counseling psychology or physiology pharmacology point of view The Sociology of American Drug Use mainstreams the coverage for sociology and criminology programs and at the same time provides a broader sociological perspective on drug use Much of this material comes from Charles Faupel s own research experience among street heroin addicts on the East coast several chapters offer an ethnographer s perspective on the specific issues addressed while at the same time maintaining a focus on the basics of this substantive field **Social and Medical Aspects of Drug Abuse** G. Serban,2012-12-06 The phenomenon of drug abuse is part of the human experience that extends as far back in time as recorded history exists Today however it has a new and much greater dramatic urgency The reasons for this are multiple and worrisome Last year of the total of approximately 1 9 million total deaths that occurred in the United States a conservative estimate is that more than one quarter were premature deaths due to the addictive disorders These include over 300 000 deaths related to cigarette smoking which represents in many respects the prototypic addiction in this country over 200 000 deaths related to alcohol and many more related to multiple other drugs licit and illicit that are abused in this society Twenty five years ago drug use was essentially unknown in our school age population In 1960 a tragic increase of drug use in our young people began so that by 1978 more high school seniors were current users of marijuana than of cigarettes Despite the fact that the use of most drugs by high school populations appears to have peaked in the late 1970s and to be decreasing at the present time most experts still believe that drug use by American young people represents the highest level of that found in any Western developed country

Cultural and Sociological Aspects of Alcoholism and Substance Abuse Barry Stimmel,2014-03-18 In this highly informative book on the sociocultural interactions between alcoholism and drug abuse experts explore the relationship of such factors as ethnicity family religion and gender to chemical abuse and address important implications for treatment

The Pharmacological and Epidemiological Aspects of Adolescent Drug Dependence C. W. M. Wilson,2017-12-20 The Pharmacological and Epidemiological Aspects of Adolescent Drug Dependence is a collection of proceedings presented at the International Symposium on the Pharmacological and Epidemiological Aspects of Adolescent Drug Dependence held in London on September 1 2 1966 under the auspices of the Society for the Study of Addiction to Alcohol and Other Drugs The symposium provided a forum for discussing the pharmacological and epidemiological aspects of drug dependence in adolescents Comprised of 10 chapters this volume begins with an overview of the chemistry and pharmacology of narcotic drugs in adolescence as well as narcotic addiction in young people in the United States The discussion then turns to pharmacology and clinical observations on stimulant drugs and hallucinogenic drugs the epidemiology and social pharmacology of drugs of dependence and features of adolescent drug dependence Regulations aimed at controlling drugs of

dependence are also analyzed in relation to the national incidence of adolescent dependence in certain countries such as Britain Belgium Israel and the Netherlands The remaining chapters focus on the language evidence and patterns of drug abuse together with research in relation to drugs of dependence This book will be of interest to pharmacologists epidemiologists and policymakers concerned with drug dependence The Sociology of American Drug Use Charles E. Faupel,Gregory Weaver,Jay Corzine,2014 Thoroughly revised and updated in its third edition The Sociology of American Drug Use presents a broader sociological perspective on drug use in American society than any other text The authors all sociologically trained criminologists include extensive coverage of various methods and statistics for measuring drug use a topic that is particularly relevant for sociology students The book opens with an examination of the construction of drug use as a social problem setting the stage for the rest of the text The first section addresses basic conceptual methodological and theoretical issues in the study of drug use while the second section analyzes its various social correlates demographic institutional health economic cultural and subcultural and violent and criminal The final section focuses on societal reaction to drug use with discussions of prohibition decriminalization and legalization policy options and drug treatment drug education and drug testing New to the Third Edition Increased material on legal drugs like salvia and an expanded discussion of the recreational use of prescription drugs including the misuse of such drugs as Adderall OxyContin and Vicodin among college students New and updated Drug Controversies boxes Updated information on the pharmaceutical industry and an expanded discussion of the drug approval process with a new flowchart More in depth discussion of cartels and the current drug violence along the U S Mexican border Greater emphasis on cross cultural issues and perspectives including new material on crime and the American dream drug trafficking to the U S and opium production in Afghanistan and the European roots of harm reduction An expanded discussion of the role of the media and more material on family as a social institution An updated and streamlined glossary and bibliography Cultural and Sociological Aspects of Alcoholism and Substance Abuse Barry Stimmel,1984 In this highly informative book on the sociocultural interactions between alcoholism and drug abuse experts explore the relationship of such factors as ethnicity family religion and gender to chemical abuse and address important implications for treatment **Research Issues** ,1979 **Psychiatric Aspects of Opiate Dependence** Albert A. Kurland,2019-08-15 First published in 1978 This book discusses the Psychiatric effects of Opiate dependence Perspectives on Drug Use in the United States Bernard Segal,2014-02-04 Here you ll find perceptive critical analyses of areas of concern within the field that have important implications for both research endeavors and clinical intervention **Handbook on Drug Abuse** ,1979 Drug Use in America: Social responses to drug use United States. Commission on Marihuana and Drug Abuse,1973 Social responses to drug use United States. Commission on Marihuana and Drug Abuse,1973 **Problems of Drug Dependence** College on Problems of Drug Dependence (U.S.). Scientific Meeting,2006 *Patterns and consequences of drug use.- v.2. Social responses to drug use.- v.3. The legal system and drug control.- v.4.*

Treatment and rehabilitation United States. Commission on Marihuana and Drug Abuse,1973 **Toxicity Of Pure Foods** E. M. Boyd,2020-04-19 First Published in 1973 this book offers a full comprehensive guide into the toxicology of certain foods Carefully compiled and filled with a vast repertoire of notes diagrams and references this book serves as a useful reference for students of toxicology and other practitioners in their respective fields *An Educational Program Dealing with Drug Abuse* ,1970 *Selected Drug Education Curricula: An Educational Program Dealing with Drug Abuse - Grades K-12, Rhode Island State Department of Education* United States. National Clearinghouse for Drug Abuse,1970 **Investigating Social Problems** A. Javier Trevino,2017-12-21 The author is a proud sponsor of the 2020 SAGE Keith Roberts Teaching Innovations Award enabling graduate students and early career faculty to attend the annual ASA pre conference teaching and learning workshop Given the complexity of the issues the study of social problems requires indeed demands specialized focus by experts A Javier Trevi o A Javier Trevi o working with a panel of experts thoroughly examines all aspects of social problems providing a contemporary and authoritative introduction to the field Each chapter is written by a specialist on that particular topic and the unique contributed format ensures that the research and examples provided are the most current and relevant available The text is framed around three major themes intersectionality the interplay of race ethnicity class and gender the global scope of many problems and how researchers take an evidence based approach to studying problems A Complete Teaching Learning Package Interactive eBook Includes access to multimedia tools and much more Save when you bundle the interactive eBook with the new edition Order using bundle ISBN 978 1 5443 3089 1 Learn more SAGE coursepacks FREE Easily import our quality instructor and student resource content into your school s learning management system LMS and save time Learn more SAGE edge FREE online resources for students that make learning easier See how your students benefit **Current Bibliography of Epidemiology** ,1975
