Selections from the World's Devotional Classics Robert Scott, George William Gilmore, 1916 **The American Catalogue** , 1905 American national trade bibliography **Our Singing World: The kindergarten book** Lilla Belle Pitts, 1950 **SONGS OF THE CHILD WORLD** JESSIE L. GAYNOR, 1897 **Charles Dickens and the Victorian Child** Amberyl Malkovich, 2013 This book explores the ideas of children and childhood and the construct of the ideal Victorian child that developed rapidly over the Victorian era along with literacy and reading material for the emerging mass reading public Children's Literature was one of the developing areas for publishers and readers alike yet this did not stop the reading public from bringing home works not expressly intended for children and reading to their family Within the idealized middle class family circle authors such as Charles Dickens were read and appreciated by members of all ages By examining some of Dickens's works that contain the imperfect child and placing them alongside works by Kingsley MacDonald Stretton Rossetti and Nesbit Malkovich considers the construction romanticization and socialization of the Victorian child within work read by and for children during the Victorian Era and early Edwardian period These authors use elements of religion death irony fairy worlds gender and class to illustrate the need for the ideal child and yet the impossibility of such a construct Malkovich contends that the imperfect child more readily reflects reality whereas the ideal child reflects an unattainable fantasy and while debates rage over how to define children's literature such children though somewhat changed can still be found in the most popular of literatures read by children contemporarily **World Music Pedagogy, Volume II: Elementary Music Education** J. Christopher Roberts, Amy Beegle, 2018-04-09 World Music Pedagogy Volume II Elementary Music Education delves into the theory and practices of World Music Pedagogy with children in grades 1-6 ages 6-12 It specifically addresses how World Music Pedagogy applies to the characteristic learning needs of elementary school children this stage of a child's development when minds are opening up to broader perspectives on the world presents opportunities to develop meaningful multicultural understanding alongside musical knowledge and skills that can last a lifetime This book is not simply a collection of case studies but rather one that offers theory and practical ideas for teaching world music to children Classroom scenarios along with teaching and learning experiences are presented within the frame of World Music Pedagogy Ethnomusicological issues of authenticity representation and context are addressed and illustrated supporting the ultimate goal of helping children better understand their world through music The Cumulative Book Index , 1900 A world list of
