Ph.D.,2019-05-30 Do you think that some slug who looks very professional who whispers an occasional interpretation to you five times a week for 7 years can make one bit of difference in your life or does such a psychotoxic slug called a psychoanalyst merely stick you in an emotional toilet bowl for seven years having the cumulative result of turning you into a hopeless bastard who will never turn the tragic corner in his or her life Can your analyst analyze an archaic liquid symbiotic or an osmotic transference or can they even recognize this phenomena in order to analyze it If the psychoanalyst cannot analyze these transferences they can t do an analysis I used to get good faith patients who had the balls to work on the cutting edge at the same time I did because they had had combinations of twenty years of two seven year analyses plus several briefer psychotheraphies only to be as crazy as the day they walked in 200 000 00 As Dr Donald Rinsley M D fellow American College of Psychoanalysts wrote about me my work has both a healing effect and affect Patients used to pay me six

months in advance to hold the time open because I was irreplaceable I was the only one who could analyze the psychotic core of the personality and I was the only who could actually do what Dr Wilfred R Bion MRCS Medical Royal College of Surgeons wrote about analyzing the psychotic core of the personality As I am seventy six years old I have written five books that must be read and digested in their entirety As these books are the thing in itself they will transform the reader into the kinds of analyst patient and psychotherapist who can make a difference in helping people turn the tragic corner in their lives In other words these five books are analysis These books were written to be around for a few hundred years and were directly guided by the Almighty By Dr LEN BERGANTINO Ed D USC Ph D A B P P The Essence of Music Musicality Pure Sound the Art of Melody and Inner Peace They say that music is the international language but what is music For the Bergantino Bredice family music was the family business In terms of what kind of music you listen to my father Dan Bergantino always told me If you put shit in shit will come out That is it will reflect when you play music My cousin Louis Bredice told me When I first started playing Jazz I played a lot of notes Then I realized that all I needed were the right ones My cousin Freddie Bredice had the fastest technique on guitar I had ever seen The first time I met him was on a gig in 1967 His speed was blinding faster than a speeding bullet I was leaning against a wooden beam next to him and when he finished I said You must be cousin Fred He said Yeah I don t play chords It fucks up your hands Freddie was one of Joe Diorio s guitar teachers and Joe said he still has nightmares about Freddie s speed Joe was known as the best jazz guitar player in the world of guitar players I got him to play songs again in a CD entitled Falling in Love where I played mandolin and Joe accompanied me on guitar This is a multi purpose book just like the previously published book entitled Zen and the Art of Motorcycle Maintenance which had more to do with human growth than motorcycle maintenance This book is a natural model for how musicians as human beings deal with each other thereby providing a baseline for humans in answering Shakespeare s question To be or not to be Further this book is substantive and full of depth enough to be used in music schools no matter what musical genre since it focuses on musicality pure sound the art of musicality and peace It can be utilized in the psychotherapeutic arts and its content is healing in nature The Reverend Dr Len Bergantino Professional Musician from 1196 2012 Age 56 70 Musician s Local 47 American Federation of Musicians *Catalog of Copyright Entries* Library of Congress.
