Quotation and Cultural Meaning in Twentieth-Century Music David Metzger, 2003-04-17 Throughout the twentieth century musicians frequently incorporated bits of works by other musicians into their own compositions and performances When a musician borrows from a piece he or she draws upon not only a melody but also the cultural associations of the original piece By working with and altering a melody a musician also transforms those associations This book explores that vibrant practice examining how musicians used quotation to participate in the cultural dialogues sustained around such areas as race childhood madness and the mass media

The Song of Songs and Its Tradition in Renaissance Love Lyric Camilla Caporicci, 2025-01-29 Traditionally attributed to King Solomon and called by Rabbi Akiva the Holy of Holies among sacred Scriptures Mishnah Yadayim 3:5 the Song of Songs is one of the most fascinating and controversial biblical books and played an essential role in the shaping of European spirituality and culture Combining in a unique way a sensual and deeply lyrical celebration of love with a well established tradition of Christian allegorical interpretation this text crucial to both the Middle Ages and the early modern period held a particular appeal for poets devoted not only to religious verse but also to love poetry The Song of Songs and Its Tradition in Renaissance Love Lyric is the first systematic and wide ranging investigation of the multifaceted use of the Song of Songs in Renaissance love lyric poetry with specific attention to Italian French and especially English poetic production At the same time this investigation is embedded into a narrative that comprising two initial chapters devoted to medieval poetry and to Francesco Petrarca represents an unprecedented attempt to trace the role of the Song of Songs in the rise and development of the European love lyric following its path or rather one of its paths from the medieval origins of this tradition to the end of the sixteenth century The picture of the general impact of the Song of Songs in the development of the European love lyric is combined with in depth analysis of key works by specific

authors including Dante Alighieri Francesco Petrarca Torquato Tasso Marguerite de Navarre Anne de Marquets Cl ment Marot Richard Barnfield Edmund Spenser William Shakespeare John Donne Elizabeth Melville and Aemilia Lanyer promoting a contextualization of their significance within a new interpretative framework While the comparative standpoint characterizing this study fosters a deeper comprehension of the evolution of the European love lyric its multidisciplinary approach which considers the Song of Songs as the centre of a web of dynamics pertaining to the fields of literature philosophy theology and religious and cultural history contributes to the understanding of the thought and spirit of ages crucial to the shaping of European culture

Street Ballads in Nineteenth-Century Britain, Ireland, and North America David Atkinson, Steve Roud, 2016-04-01 In recent years the assumption that traditional songs originated from a primarily oral tradition has been challenged by research into street literature that is the cheap printed broadsides and chapbooks that poured from the presses of jobbing printers from the late sixteenth century until the beginning of the twentieth Not only are some traditional singers known to have learned songs from printed sources but most of the songs were composed by professional writers and reached the populace in printed form Street Ballads in Nineteenth Century Britain Ireland and North America engages with the long running debate over the origin of traditional songs by examining street literature s interaction with and influence on oral traditions

Revival: Old English Instruments of Music (1910) Francis W. Galphin, 2018-05-08 The study of musical instruments now no longer with us is necessary not only for the musician and composer but for the man of letters the artist and the chronicler of our national life for many allusions to customs of bygone times cannot otherwise be understood and we should be spared such a trying ordeal as we were recently subjected to by one of our leading illustrated papers which introduced into a thirteenth century scene a twentieth century mandoline with an up to date mechanism

Salons, Singers and Songs David Tunley, 2017-07-12 Music It is the great pleasure of this city the great occupation of the drawing rooms which have banished politics and which have renounced literature from ennui Jules Janin An American in Paris 1843 Afternoon and evening entertainments in the drawing rooms of the aristocracy and upper middle classes were a staple of cultural life in nineteenth century Paris Music was often a feature of these occasions and private salons provided important opportunities for musicians especially singers to develop their careers Such recitals included excerpts from favourite operas but also the more traditional forms of French song the romance and its successor the m die Drawing on extensive research into the musical press of the period David Tunley paints a vivid portrait of the nineteenth century Parisien salons and the performers who sang in them Against this colourful backdrop he discusses the development of French romantic song with its hallmarks of simplicity and clarity of diction Combined with Italian influences and the impression made by Schubert s songs the French romance developed into a form with greater complexity the m die Salons Singers and Songs describes this transformation and the seeds it sowed for music by later composers such as Faur Duparc and Debussy

The Nineteenth Century, 1916 **Village Song & Culture**

Michael Pickering, 2015-12-14 Originally published in 1982 The songs on which this study is based were once vibrant in the throats and ears and minds of living people This book examines the songs and their meanings in relation to the lives of those people and relates them to the cultural tradition and practice of which they were an integral part The art of village song represents a sense of cohesiveness and mutual identity around local patterns of kinship social groupings territorial orientations and cultural relationships The actual ways in which songs were part of village life is of course highly problematic but this book endeavours most of all to present an understanding of the place of song in the social life of villagers **The New Cambridge Bibliography of English Literature** George Watson, Ian Roy Willison, 1974 Nineteenth Century, a Monthly Review, 1916 *The Nineteenth Century and After*, 1914 The Century Library of Music Ignace Jan Paderewski, Fanny Morris Smith, Bernardus Boekelman, 1901
