Dario Greggio, 2018-05-20 My life through 40 years of songs Emotions feelings memories Time Love *The Beatles and the Beatlesque: A Crossdisciplinary Analysis of Sound Production and Stylistic Impact* Dario Martinelli, Paolo Bucciarelli, 2023-07-30 The Beatles and the Beatlesque address a paradox emanating from The Beatles music through a cross disciplinary hybrid of reflections drawing from both musical practice itself and academic research Indeed despite their

extreme stylistic variety The Beatles songs seem to always bear a distinctive identity that emerges even more in similar works by other artists whether they are merely inspired derivative or explicitly paying homage The authors a musicologist and music producer emphasize the importance of record production in The Beatles music in a way that does justice not only to the final artifacts the released songs but also to the creative process itself i e the songs in the making Through an investigation into the work of George Martin and his team as well as The Beatles themselves this text sheds light on the role of the studio in shaping the group s eclectic but unique sound The chapters address what makes a song Beatlesque to what extent production choices are responsible for developing a style production being understood not as a mere set of technicalities but also in a more conceptual way as well as the aesthetics semiotics and philosophy that animated studio activity The outcome is a book that will appeal to both students and researchers as well as of course musicophiles of all kinds

Songs from Sweden Ola Johansson,2020-05-16 Songs from Sweden shows how Swedish songwriters and producers are the creative forces behind much of today s international pop music As Ola Johansson reveals the roots of this music miracle can be found in Sweden s culture economy and thriving music industry concentrated in Stockholm While Swedish writer producers developed early global recognition for making commercially successful pop music new Swedish

writer producers have continuously emerged during the last two decades Global artists travel to Stockholm to negotiate record and co write songs At the same time Swedish writer producers are part of a global collaborative network that spans the world In addition to concrete commercial accomplishments the Swedish success is also a result of the acquisition of reputational capital gained through positive associations that the global music industry holds about Swedish music Ultimately pop songs from Sweden exhibit a form of cultural hybridity drawing from both local and global cultural expressions
