Berkmann's Pop Miscellany Marcus Berkmann, 2021-06-03 Marcus Berkmann was for many years the pop critic of the Spectator waiting like most freelances to get fired He s also the author of the bestselling Berkmann s Cricket Miscellany concentrating on the ridiculous true stories and the weird characters of that most eccentric of sports Here he combines the two in a wildly entertaining ride through the galloping absurdities of pop from Elvis Presley s real hair colour through Janet Jackson s more intimate piercings to Courtney Love s hatred of cheese Why does Bono always wear sunglasses Did Ozzy Osbourne really urinate on the Alamo What actually happened at Keith Moon s 21st birthday party at the Holiday Inn in Flint Michigan There s sex there s drugs there s violence there s even a little rock n roll from time to time But mainly there are vital questions now finally answered Which notable guitarist has unfeasibly tiny hands Which Britpop star was forced to wear lederhosen as a child Who said The majority of pop stars are compete idiots in every respect And was she wrong

Supertramp - Crime Of The Century Steve Pilkington, 2024-10-25 Some albums are simply undeniable watersheds in an artist s career These can be artistic or commercial triumphs or both but are seen by both the fanbase and even the wider world as defining statements Such was undoubtedly the case when Supertramp released Crime Of The Century in 1974 The band s two previous albums had searched for a direction almost as much as Supertramp themselves searched for a stable line up But so few copies were sold that the band were almost entirely unknown as they embarked on their third Like some serendipitous alchemy the perfect five piece line up coalesced around the creative hub of Roger Hodgson and Rick Davies and there was a tangible belief and confidence that had not been present before They took time away from playing live and meticulously crafted Crime Of The Century which immediately put them both into theatres and into the charts With the

album celebrating its 50th anniversary and aided by the author's interview with Roger Hodgson this book examines the making of the album while looking into the music and lyrical content with some depth. It also examines the wider story of the band and the lasting legacy of the masterpiece that became *Crime Of The Century*. The author Steve Pilkington is a writer and broadcaster based in the North West of England. He has published books on artists as diverse as Led Zeppelin, Uriah Heep, Van Der Graaf Generator, Iron Maiden and The Rolling Stones and is a regular *Sonicbond* author. He has also written the official biography of guitarist Gordon Giltrap. Steve also presents a weekly internet radio show entitled *A Saucerful Of Prog* for Rock Radio UK as well as writing CD booklet essays and regular content on the Velvet Thunder rock website. *Crime Of The Century: Rock Classics* is his tenth published book. [Pink Floyd All the Songs](#) Jean-Michel Guesdon, Philippe Margotin, 2017-10-24. A comprehensive look at the unique recording history of Pink Floyd, one of the world's most commercially successful and influential rock bands. *Pink Floyd All the Songs* tells the full story of every recording session, album and single that the band has released. Since 1965, Pink Floyd have been recording sonically experimental and philosophical music, selling more than 250 million records worldwide, including two of the best-selling albums of all time: *Dark Side of the Moon* and *The Wall*. In *Pink Floyd All the Songs*, authors Margotin and Guesdon describe the origins of the band's nearly 200 released songs, including details from the recording studio, what instruments were used, and behind-the-scenes stories of the tensions that helped drive the band. Organized chronologically by album, this massive 544-page hardcover begins with the band's 1967 debut album *The Piper at the Gates of Dawn*, the only one recorded under founding member Syd Barrett's leadership, and runs all the way through their 2014 farewell album *The Endless River*, which was downloaded 12 million times on Spotify during its first week of release. Packed with more than 500 photos, *Pink Floyd All the Songs* is also filled with stories that fans will treasure, such as Waters working with engineer Alan Parsons to implement revolutionary recording techniques on *The Dark Side of the Moon* during sessions at Abbey Road Studios in 1972, and producer Bob Ezrin's contributions that helped refine Waters' original sprawling vision for *The Wall*. [The Da Capo Companion To 20th-century Popular Music](#) Phil Hardy, Dave Laing, 1995-08-21. **Aimee Mann** Jez Rowden, 2022-06-29. Any consideration of the songwriting craft would be incomplete without the inclusion of American singer-songwriter Aimee Mann. From her first steps as singer and bass player with 1980s synth-pop band Til Tuesday, who scored a massive MTV hit with *Voices Carry* in 1985, she has continually produced starkly autobiographical songs with a sense of melody that cuts through the emotional detail. With a career now spanning almost forty years, she has built a catalogue of nine studio albums, from debut *Whatever* to 2017's *Mental Illness*, since going solo in the early 1990s. Via a series of record label frustrations, Aimee has developed into a fiercely independent recording artist, flying outside the mainstream. Her critical acclaim has never wavered, however, and while happy to continue working in a niche market, her soundtrack for the film *Magnolia* and the accompanying Oscar nomination raised her profile considerably, adding to her stalwart army of fans. This book gives an overview of Aimee Mann's

career from her earliest days when she made it big with Til Tuesday through her solo career investigating every recorded track It is a comprehensive guide for fans and new listeners keen to investigate a double Grammy winner who is also a true original and whose work deserves to be much more widely recognised A music fan for as long as he can remember Jez Rowden worked in record shops for many years absorbing music of all kinds He enjoys many genres and has been involved in writing album and concert reviews mostly within the progressive rock field for nearly 15 years also acting as editor for the Dutch Progressive Rock Pages DPRP website and currently The Progressive Aspect TPA which he helped found in 2013 His previous book for Sonicbond covered the music of Steely Dan s Walter Becker and Donald Fagen An avid gig goer he lives in Swansea
