Songs Of Dublin:

Old Dublin Songs Hugh Shields, 1988 Sources of Irish Traditional Music c. 1600-1855 Aloys Fleischman, 2016-12-05
First Published in 1998 Irish traditional music is one of the richest treasuries of folk music in the world Being an oral tradition much of it has already been lost and what has been recorded is only partially available in isolated collections Until now no composite picture has yet been presented showing its remarkable range and diversity over four centuries This volume covers Irish materials in general collections up to 1800 and in Irish collections up to and including Petrie's *Ancient Music of Ireland* 1855 The purposes of the project are to identify Irish dance tunes and songs to present the scholar with a mass of material showing the evolution of the Irish vocal and instrumental folk style period by period from the earliest recorded tune up to the middle of the last century to put into circulation many of the splendid airs which were lost but have now been located Some 6 000 songs and dance tunes are presented also including Scottish and English tunes Included are Scottish tunes that were used by 18th century Irish poets for their verses and both English and Scottish tunes that are still current among Irish traditional musicians Tunes of present day currency which do not seem to be included may still be located by comparing their first 12 notes in the thematic index at the end of the volume To make the vast array of material readily available an index allows readers to locate a tune by its melodic incipit by any of its titles or by the first line of its text Unfortunately the vast majority of Irish songs noted up to the end of the last century lack texts since the collectors were ignorant of the Irish language But almost every other facet is covered provenance tonality structure and variants **Songs of Dublin** Frank Harte, 1993 A collection of 32 two of the very best Dublin songs **Popular Songs of Ireland** Thomas Crofton Croker, 1839 **The Companion to Irish Traditional Music** Fintan Vallely, 1999-09 The Companion to Irish Traditional Music is not just the ideal reference for the interested enthusiast and session player it also provides a unique resource for every library school and home with an interest in the distinctive rituals qualities and history of Irish traditional music and song **BOOK JACKET** Sam Henry's Songs of the People Gale Huntington, Lani Herrmann, 2010-06-01 The story of Ireland its graces and shortcomings triumphs and sorrows is told by ballads dirges and humorous songs of its common people Music is a direct and powerful expression of Irish folk culture and an aspect of Irish life beloved throughout the rest of the world Incredibly the largest single gathering of Irish folk songs had been almost inaccessible because originally newspaper based it was available in only three libraries in Belfast Dublin and Washington D C Sam Henry's *Songs of the People* makes the music available to a wider audience than the collector ever imagined Comprising nearly 690 selections this thoroughly annotated and indexed collection is a treasure for anyone who performs composes studies collects or simply enjoys folk music It is valuable as an outstanding record of Irish folk songs before World War II demonstrating the historical ties between Irish and Southern folk culture and the tremendous Irish influence on American folk music In addition to the songs themselves and their original commentary Sam Henry's *Songs of the People* includes a glossary bibliography

Joyce and the Educational Shaping of the Emerging Irish Nation, 1827-1914* Teresa O'Doherty,Liam O'Connor,Tom O'Donoghue,2024-09-06 This book provides an exposition on the professional and cultural life of Patrick Weston Joyce 1827 1914 more popularly known as P W Joyce who lived and worked during the final phase of British rule in Ireland The focus throughout is very much on how family locale and schooling influenced this significant Irish patriot polymath and pioneering pedagogue who worked across a range of disciplines including education language history and music Moreover attention is paid to how his achievements were possible only because of the variety of leading roles he played in the development of the Irish National School System between 1845 and 1893 Thus positioned Joyce was in many ways a significant choreographer of a slow revolution in which education in both formal and informal settings was used to educate the Irish people regarding their cultural heritage The Globalization of Irish Traditional Song Performance Susan H. Motherway,2016-03-09 In *The Globalization of Irish Traditional Song Performance* Susan Motherway examines the ways in which performers mediate the divide between local and global markets by negotiating this dichotomy in performance practice In so doing she discusses the globalizing processes that exert
