American Folk Songs Norman Cohen, 2008-09-30 This state by state collection of folksongs describes the history society culture and events characteristic of all fifty states Unlike all other state folksong collections this one does not focus on songs collected in the particular states but rather on songs concerning the life and times of the people of that state The topics range from the major historical events such as the Boston Tea Party the attack on Fort Sumter and the California Gold Rush to regionally important events such as disasters and murders labor problems occupational songs ethnic conflicts Some of the songs will be widely recognized such as Casey Jones Marching Through Georgia or Sweet Betsy from Pike Others less familiar have not been reprinted since their original publication but deserve to be studied because of what they tell about the people of these United States their loves labors and losses and their responses to events The collection is organized by regions starting with New England and ending with the states bordering the Pacific Ocean and by states within each region For each state there are from four to fifteen songs presented with an average of 10 songs per state For each song a full text is reprinted followed by discussion of the song in its historical context References to available recordings and other versions are given Folksongs such as those discussed here are an important tool for historians and cultural historians because they sample experiences of the past at a different level from that of contemporary newspaper accounts and academic histories These songs in a sense are history writ small Includes Away Down East The Old Granite State Connecticut The Virginian Maid's Lament Carry Me Back to Old Virginny I'm Going Back to North Carolina Shut up in Cold Creek Mine Ain't God Good to Iowa Dakota Land Dear Prairie Home Cheyenne Boys I'm off for California and others

Sandhills Boy Elmer Kelton, 2010-04-27 A charming memoir of renowned western novelist Kelton's early years in the saddle at the desk and in the trench a pleasure through and through Kirkus Reviews Voted the Best Western writer of all time by his peers Elmer Kelton wrote fifty novels that form a testament and tribute to the American West But who is that Texas gentleman with the white Stetson and rimless eyeglasses whose friendly face appears on so many book jackets Sandhills Boy is Kelton's memoir a funny and poignant story of a freckle faced country boy green as a gourd a sheep ready to be sheared growing up in the wild dry sandhills of West Texas The son of a working cowboy and ranch foreman Elmer was expected to follow in his father's footsteps but learned at an early age that he had no talents in the cowboy's trade Buck Kelton said Elmer was slow as the seven year itch and reluctantly supported his son's decision to become a student at the University of Texas and eventually a journalist and writer Kelton's life in ranch and oil patch Texas during the Great Depression is told with warm nostalgic humor animated with stories of the cowboys and their wives and kids who gave the

time and place its special flavor He writes with great feeling of his service in WW2 in France Germany and Czechoslovakia and the romantic circumstances in which his life changed in the village of Ebensee Austria The most beloved western writer alive recounts his own story of growing up in Depression era west Texas Booklist *The Song of Hiawatha* Henry Wadsworth Longfellow, 2012 This is the completely illustrated and annotated edition including an extensive primer on the author's life and works and many splendid drawings by Harrison Fisher This Indian Edda if I may so call it says the author is founded on a tradition prevalent among the North American Indians of a personage of miraculous birth who was sent among them to clear their rivers forests and fishing grounds and to teach them the arts of peace He was known among different tribes by the several names of Michabou Chiabo Manabozho Tarcuyawagon and Hiawatha We are further informed that the scene of the poem is among the Ojibways on the southern shore of Lake Superior in the region between the Pictured Rocks and the Grand Sable Here then at last is a genuine American poem by a native of America a poem redolent of pine forests and the smoke of wigwams In reading American poetry we never get beyond the shores of Kent said a surly critic some years ago It is obvious enough that if this complaint was justifiable then it is utterly without foundation now Longfellow's poem created an immense and instant sensation not only in this country but in England It was read it was quoted it was praised it was ridiculed it was dramatized it was parodied it was attacked as a plagiarism It remains to this day the most parodied poem in the English language
