Søren Kierkegaard and French Literature Ronald Grimsley, 1966 **Søren Kierkegaard and French literature** Ronald Grimsley, 1966 Søren Kierkegaard and French Literature. 8 Comparat. Studies Ronald Grimsley, Søren Kierkegaard, 1966

Volume 5, Tome III: Kierkegaard and the Renaissance and Modern Traditions - Literature, Drama and Music Jon Stewart, 2016-12-05 The long period from the Renaissance to the nineteenth century supplied numerous sources for Kierkegaard's thought in any number of different fields. The present rather heterogeneous volume covers the long period from the birth of Savonarola in 1452 through the beginning of the nineteenth century and into Kierkegaard's own time. The Danish thinker read authors representing vastly different traditions and time periods. Moreover, he also read a diverse range of genres. His interests concerned not just philosophy, theology, and literature but also drama and music. The present volume consists of three tomes that are intended to cover Kierkegaard's sources in these different fields of thought. Tome III covers the sources that are relevant for literature, drama, and music. Kierkegaard was well read in the European literature of the seventeenth and eighteenth centuries. He was captivated by the figure of Cervantes' Don Quixote, who is used as a model for humor and irony. He also enjoyed French literature, represented here by articles on Chateaubriand, Lamartine, and Molière. French dramatists were popular on the Danish stage, and Kierkegaard demonstrated an interest in, among others, Molière and Scribe. Although he never possessed strong English skills, this did not prevent him from familiarizing himself with English literature, primarily with the help of German translations. While there is an established body of secondary material on Kierkegaard's relation to Shakespeare, little has been said about his use of the Irish dramatist Sheridan. It is obvious from among other things, The Concept of Irony, that Kierkegaard knew in detail the works of some of the main writers of the German Romantic movement. However, his use of the leading figures of the British Romantic movement, Byron and Shelley, remains largely unexplored terrain. The classic Danish authors of the eighteenth century, Holberg, Wessel, and Ewald, were influential figures who prepared the way for the Golden Age of Danish poetry. Kierkegaard constantly refers to their dramatic characters, whom he often employs to illustrate a philosophical idea with a pregnant example or turn of phrase. Finally, while Kierkegaard is not an obvious name in musicology, his analysis of Mozart's Don Giovanni shows that he had a keen interest in music on many different levels. Kierkegaard and Levinas Patrick Sheil, 2017-03-02 The Danish Christian existentialist Søren Kierkegaard (1813-1855) and the Jewish Lithuanian-born French interpreter of modern phenomenology Emmanuel Levinas (1906-1995) have enabled theology and philosophy to illuminate and confront one another in radical and important ways. This book addresses the theological and philosophical thought of both Kierkegaard and Levinas with a focus on the special form that exists in the grammar of many languages for cases of uncertainty, possibility, hypothesis, and for expressions of hope, the subjunctive mood. As well as presenting arguments and observations about Kierkegaard and Levinas through an analysis of the subjunctive mood, Patrick Sheil offers an interesting and accessible way into the thought of these two major European

philosophers and he explores a wide range of Kierkegaardian and Levinasian texts throughout *The Literary Kierkegaard* Eric Ziolkowski, 2011-12-31 Eric Ziolkowski's monumental study examines Kierkegaard's whole prolific literature including the pseudonymous and the signed published writings as well as his private journals papers and letters in relation to works by five other literary giants Kierkegaard himself stresses the essentially literary as opposed to the strictly theological or philosophical nature of his writings Uncovering this neglected aspect of Kierkegaard's oeuvre Ziolkowski first considers the notions of aesthetics and the aesthetic as Kierkegaard adapted them then his posture as a poet and his self-conception as a writer in literature After taking account of the history of the critical recognition of Kierkegaard as a literary artist Ziolkowski looks at an important characteristic of Kierkegaard's literary craft that has received relatively little attention the manner by which he and his pseudonyms read and quoted other authors Ziolkowski explores the connections between the philosopher's writings and those of other literary masters who directly influenced him such as Aristophanes Cervantes and Shakespeare and those such as Wolfram von Eschenbach and Carlyle who while not direct influences gave paradigmatic expression to some of the same aspects of aesthetic ethical and religious existence that Kierkegaard portrayed A necessary resource for Kierkegaard scholars philosophers and students of religion and literature alike *The literary Kierkegaard* corrects a significant lack in our understanding of one of the most significant thinkers of the modern era dust jacket **Volume 5, Tome I:**

Kierkegaard and the Renaissance and Modern Traditions - Philosophy Jon Stewart, 2016-12-05 The long period from the Renaissance to the nineteenth century supplied numerous sources for Kierkegaard's thought in any number of different fields The present rather heterogeneous volume covers the long period from the birth of Savonarola in 1452 through the beginning of the nineteenth century and into Kierkegaard's own time The Danish thinker read authors representing vastly different traditions and time periods Moreover he also read a diverse range of genres His interests concerned not just philosophy theology and literature but also drama and music The present volume consists of three tomes that are intended to cover Kierkegaard's sources in these different fields of thought Tome I is dedicated to the philosophers of the early modern period and the Enlightenment who played a role in shaping Kierkegaard's intellectual development He was widely read in German and French philosophy of the sixteenth seventeenth and eighteenth centuries making reference to the leading rationalist philosophers Descartes Spinoza and Leibniz in his journals and published works Further connections have also been pointed out between his thought and the writings of the French thinkers Montaigne Pascal and Rousseau who share with Kierkegaard a form of philosophy that is more interested in life and existence than purely conceptual analysis Through the works of the authors explored here Kierkegaard became acquainted with some of the major philosophical discussions of the modern era such as the beginning of philosophy the role of doubt the status of autonomy in ethics and religion human freedom the problem of the theodicy found in thinkers such as Bayle and Leibniz and the problem of the relation of philosophy to religion as it appears in the German writers Jacobi and Lessing **Kierkegaard Bibliography** Peter

Šajda,2017 *A Companion to Kierkegaard* Jon Stewart,2015-07-21 Jon Stewart one of the world's leading experts on the work of Søren Kierkegaard has here compiled the most comprehensive single volume overview of Kierkegaard studies currently available Includes contributions from an international array of Kierkegaard scholars from across the disciplines Covers all of the major disciplines within the broad field of Kierkegaard research including philosophy theology and religious studies aesthetics the arts and literary theory and social sciences and politics Elucidates Kierkegaard's contribution to each of these areas through examining the sources he drew upon charting the reception of his ideas and analyzing his unique conceptual insights into each topic Demystifies the complex field of Kierkegaard studies creating an accessible entry point into his thought and writings for readers new to his work **Feminist Interpretations of Søren Kierkegaard** Céline Léon,Sylvia Walsh,2010-11-01 Even though Kierkegaard insisted on the fundamental equality of the sexes before God his entire production is highly problematic for feminism To a great degree this is due to his tendency to write under a pseudonym In this collection of 14 articles contributors take varying stands on the question of whether Kierkegaard's work was indicative of misogyny or misogamy Topics of discussion include Kierkegaard's notion of the double nature of woman and of the silent woman his idea of masculine indifference and his use of irony in his critique of the feminine Paper edition unseen 17 95 Annotation copyrighted by Book News Inc Portland OR **The A to Z of Kierkegaard's Philosophy** Julia Watkin,2010-03-23 The A to Z of Kierkegaard's Philosophy provides a contextual introduction to Kierkegaard's 19th century world of Copenhagen a chronology of events and key figures in his life as well as definitions of the key systems of his thought theology existentialism literature and psychology The extensive bibliographical section covers secondary literature and electronic materials of help to researchers The appendix includes detailed information on his writings along with a list of his pseudonyms This book is useful not only as a guide for experienced scholars but also as an introduction to new students of Kierkegaard's Philosophy *Kierkegaard and the Staging of Desire* Carl S. Hughes,2014-07-02 Theology in the modern era often assumes that the consummate form of theological discourse is objective prose ignoring or condemning apophatic traditions and the spiritual eros that drives them For too long Kierkegaard has been read along these lines as a progenitor of twentieth century neo orthodoxy and a stern critic of the erotic in all its forms In contrast Hughes argues that Kierkegaard envisions faith fundamentally as a form of infinite insatiable eros He depicts the essential purpose of Kierkegaard's writing as to elicit ever greater spiritual desire not to provide the satisfactions of doctrine or knowledge Hughes's argument revolves around close readings of provocative disparate and in many cases little known Kierkegaardian texts The thread connecting all of these texts is that they each conjure up some sort of performative stage setting which they invite readers to enter By analyzing the theological function of these texts the book sheds new light on the role of the aesthetic in Kierkegaard's authorship his surprising affinity for liturgy and sacrament and his overarching effort to conjoin eros for God with this worldly love **Attacks on Christendom in a World Come of Age** Matthew D. Kirkpatrick,2011-08-19 Though Søren

Kierkegaard and Dietrich Bonhoeffer both made considerable contributions to twentieth century thought they are rarely considered together Against Kierkegaard s melancholic individual Bonhoeffer stands as the champion of the church and community In Attacks on Christendom Matthew D Kirkpatrick challenges these stereotypical readings of these two vital thinkers Through an analysis of such concepts as epistemology ethics Christology and ecclesiology Kirkpatrick reveals Kierkegaard s significant influence on Bonhoeffer throughout his work Kirkpatrick shows that Kierkegaard underlies not only Bonhoeffer s spirituality but also his concepts of knowledge being and community So important is this relationship that it was through Kierkegaard s powerful representation of Abraham and Isaac that Bonhoeffer came to adhere to an ethic that led to his involvement in the assassination attempts against Hitler However this relationship is by no means one sided Attacks on Christendom argues for the importance of Bonhoeffer as an interpreter of Kierkegaard drawing Kierkegaard s thought into his own unique context forcing Kierkegaard to answer very different questions Bonhoeffer helps in converting the obscure obdurate Dane into a thinker for his own unique age Both Kierkegaard and Bonhoeffer have been criticized and misunderstood for their final works that lay bare the religious climates of their nations In the final analysis Attacks on Christendom argues that these works are not unfortunate endings to their careers but rather their fulfilment drawing together the themes that had been brewing throughout their work

Montaigne and the introspective mind Glyn P. Norton, 2019-03-18 No detailed description available for Montaigne and the introspective mind *Kierkegaard and Religion* Sylvia Walsh, 2018-03-15 Focusing on the concepts of personality character and virtue this work examines what it means to exist religiously for Kierkegaard [A Bibliography for the Study of French Literature and Culture Since 1885](#) Sheri Dion, 2012-09 [A History of Danish Literature](#) Sven Hakon Rossel, 1992-01-01 Volume 1 [Narrative Ironies](#) Raymond A. Prier, Gerald Gillespie, 2023-04-12 This volume focuses on the flourishing of irony as a primary characteristic of the great era of European narrative sophistication from the Goethezeit to Modernism Its eighteen essays explore varieties of ironic consciousness associated with texts especially of northern Europe and the ways they established a dialogue with and on literature and culture at large As the volume shows this interrogation of Europe s self awareness of cultural identity bound up in reading and writing habits gained a new post Cervantine complexity in Romanticism and has been of lasting significance for literary theory down to postmodernism By its comparativistic framing of the issues raised by ironic consciousness Narrative Ironies duly serves as a Festschrift honoring Lilian R Furst Among major writers treated are Sterne Goethe Godwin Schlegel Hoffmann Poe Stendhal Kierkegaard Disraeli Keller Maupassant Zola Huysmans Wilde Tolstoi Hofmannsthal Strindberg Proust Mann Musil Kafka Joyce Faulkner and Szczygiorski *Commentary on Kierkegaard's Concluding Unscientific Postscript* Niels Thulstrup, 2014-07-14 In the first comprehensive commentary on Soren Kierkegaard s Concluding Unscientific Postscript the eminent Kierkegaard specialist Niels Thulstrup clarifies the book s intricate allusions to the thought and literature of its own and past ages A central work both in Kierkegaard s authorship and in the history of

philosophy the Postscript breaks completely with a long tradition of religious and philosophical thought In his introduction and commentary presented here in translation from the Danish Professor Thulstrup explains this break and the unique relationship of the work to Kierkegaard s other books Originally published in 1984 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Kierkegaard and the Self Before God Simon D. Podmore, 2011-02 Simon D Podmore claims that becoming a self before God is both a divine gift and an anxious obligation Before we can know God or ourselves we must come to a moment of recognition How this comes to be as well as the terms of such acknowledgment are worked out in Podmore s powerful new reading of Kierkegaard As he gives full consideration to Kierkegaard s writings Podmore explores themes such as despair anxiety melancholy and spiritual trial and how they are broken by the triumph of faith forgiveness and the love of God He confronts the abyss between the self and the divine in order to understand how we can come to know ourselves in relation to a God who is apparently so wholly Other

Soren Kierkegaard And French Literature Introduction

In the digital age, access to information has become easier than ever before. The ability to download Soren Kierkegaard And French Literature has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Soren Kierkegaard And French Literature has opened up a world of possibilities. Downloading Soren Kierkegaard And French Literature provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Soren Kierkegaard And French Literature has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Soren Kierkegaard And French Literature. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Soren Kierkegaard And French Literature. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Soren Kierkegaard And French Literature, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites

they are downloading from. In conclusion, the ability to download Soren Kierkegaard And French Literature has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Soren Kierkegaard And French Literature Books

1. Where can I buy Soren Kierkegaard And French Literature books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
