Soul Mates:

Soul Mates Richard Webster, 2012-07-08 If you've looked up this book chances are you're looking for something more than a casual date or another dead end relationship. You're looking for someone to share your hopes and dreams with someone with whom you share an eternal bond your soul mate. Or maybe you're one of the lucky ones who have already found their other half and you want to make sure the relationship lasts. Popular metaphysical author and hypnotherapist Richard Webster has regressed hundreds of clients back into their past lives. He has discovered that somewhere out there everyone has a soul mate. And finding your soul mate isn't an impossible dream; you just have to be ready. Soul mates enter our lives at the right moment, the time when we are physically, mentally, emotionally, and spiritually prepared to meet them. As you progress through *Soul Mates* you will explore the theory of reincarnation, karma, and the soul. Perform meditations and exercises designed to help you open yourself to love and attract your soul mate. Read actual case histories of soul mates from the author's private hypnotherapy practice. The two of you have been together countless times before. You may have enjoyed a passionate romance in ancient Egypt, medieval England, or Renaissance Rome. You may have spent pleasant lifetimes in the Holy Land, Thailand, or Russia. You found your soul mate, then you can do it again in this lifetime. The purpose of this book is to help you find and then keep this special person. Discover for yourself that the soul mate bond goes beyond. 'Til death do us part for true love never dies. Edgar Cayce on Soul Mates Kevin J. Todeschi, 1999 Is there really such a thing as soul mates?

According to Edgar Cayce, yes. But his definition of soul mates, twin souls, and perfect partners may differ from what you're expecting. For decades Cayce provided thousands of individuals with insights into the nature of their personal relationships, the dynamics of soul attraction, and the universal laws at work that draw individuals together. What is unique about Todeschi's book is that it explores the development of relationships over time played out within the framework of reincarnation. In addition to discussing soul mate relationships, their connection to the cyclic pattern of reincarnation, and the nature of loneliness, this book looks at the fundamentals of soul attraction and provides contemporary examples of the same principles discussed by Cayce. **Soul Mates** Jenny Smedley, 2013-01-31 Bestselling author and columnist Jenny Smedley reveals the secrets to finding your soul mate.
