Where the Eagles are Gathered Steven Bridge, 2003-06-01 Although many scholars consider Luke 17 22 37 to be the most important eschatological passage in Luke Acts few agree on the precise meaning of the enigmatic proverb which forms its conclusion Luke 17 37 Generally Jesus logion is taken to convey a macabre image of impending judgement However this study offers fresh literary redactional and historical evidence to suggest that Luke recast Jesus saying in order to describe something much more glorious the deliverance of the elect Examination of the material elsewhere in Luke Acts corroborates Luke s expectation of an ethereal reunion and suggests that this hope constitutes the most characteristic feature of Lukan eschatology

Magic Objects for Beginners Harry Eilenstein, 2021-06-01 Magical items are mostly familiar from fantasy novels and fantasy movies but they also exist in real life. However, these real magic items are different from those that appear in the realm of fantasy. They are gateways to certain qualities, spirits, and deities but not items that give a person a power they could not otherwise obtain. Such magical objects include talismans, magic rings, magic wands, voodoo dolls, and the spiritus familiaris, a self-made spirit, as well as statues, temples, sweat lodges, haunted houses, pyramids, power places, crop circles, and homeopathic globules. These magical objects are neither indispensable; you can achieve everything without them, nor useless; they can help with many things; they are tools that can facilitate many things in magic.

The Teachings of a Sufi Master Seyed Mostafa Azmayesh, 2016-01-27 In this book, the reader is exposed to teachings of Sufism, which is a branch of Gnosticism, the esoteric path to self-awareness. Each individual is composed of an existence and an essence. The latter is an evolving reality. At any moment, an individual can become a demon or an angel. One radically becomes a demon if the demonic drives of his ego take charge, an angel if the angelic attributes of his spirit occupy the terrain. The person who seeks victory of his spirit over his ego produces waves around his spirit; waves that will be captured by him who will teach the person the techniques of esoteric development. He will appear in the person's life at the opportune moment.
