Your Soul to Keep Ed Stauffer, 2016-11-21 Good and evil have always existed and the battle between heaven and hell has been waged since before humankind's earliest memories Agents on both sides of this unending war move across the world searching for and claiming souls to fill their ranks They scour battlefields and dark alleys appearing in hospitals and at the bedsides of the dying They sometimes dwell among the oblivious masses going about their lives not knowing that anyone could be an agent of heaven or of hell Hellerman is one of these agents a shadow who descends upon the dying to procure their souls for his master Throughout millennia he has traveled across the continents appearing at one moment in a far removed village in Africa and later in the vast cities of Europe and North America He has never questioned his duty before But he has never had anyone show him what it is like to have someone care about him and for him And with that friendship comes another battle this time inside himself whose outcome will alter his destiny completely

Join Dr. Tony Evans, one of the greatest Bible teachers of our time, as he unfolds this biblical and practical approach to life, an approach that has the power to change people, families, neighborhoods, churches, and even nations. Discover the power of the Kingdom agenda. **Day by Day** Vance

Havner,2014-06-13 Here for each day of the year is an inspiring journey into the Bible. With his customary penetration, Vance Havner tears away tinted draperies with which old temptations come under new forms, challenges the Pharisee in pulpit and pew, scorns the commercialization of the Church, and reminds us that under the whatever mask evil hides itself, the commands of God and the teachings of Jesus are as authoritative today as they were when Jesus walked among men. Each of the selections includes a tough provoking topic, a Scripture verse, and a devotional meditation to help you find spiritual strength in heaping measure. **A Critical Companion to Wes Craven** John Darowski, Fernando Gabriel Pagnoni

Berns,2023-08-08 In *A Critical Companion to Wes Craven*, contributors use a variety of theoretical frameworks to analyze distinct areas of Craven's work, including ecology, auteurism, philosophy, queer studies, and trauma. This book covers both the successes and failures contained in Craven's extensive filmography, ultimately revealing a variegated portrait of his career. Scholars of film studies, horror, and ecology will find this book particularly interesting. **The spirit of s. Teresa.**
