David Gomadza

Souls Code:

The Soul Code Taylor Moone,2011 Taylor Moone places the human soul at the center of God s creation plan With his remarks on the nature of the human soul which he makes under standable through the soul code the author shows in a clear manner that is neither God nor the Uni verse but every single person who fulfills crea tion The soul itself with its simple code becomes the basic principle of creation His thesis states that every man will experience happiness suc cess and wish fulfillment upon recognizing the soul code

Robot Souls Eve Poole,2023-08-01 Two of the biggest design problems in Artificial Intelligence are how to build robots that behave in line with human values and how to stop them ever going rogue One under explored solution to these alignment and control problems might be to examine how these are already addressed in the design of humans Looking closely at the human blueprint it contains a suite of capacities that are so clumsy they have generally been kept away from AI It was assumed that robots with features like emotions and intuition that made mistakes and looked for meaning and purpose would not work as well as robots without this kind of code But on considering why all these irrational properties are there it seems that they emerge from the source code of soul Because it is actually this junk code that makes us human and promotes the kind of reciprocal altruism that keeps humanity alive and thriving Robot Souls looks at developments in AI and reviews the emergence of ideas of consciousness and the soul It places our junk code in this context and argues that it is time to foreground that code and to use it to look again at how we are programming AI The book author Eve Poole received an OBE in the 2023 New Year Honours for services to education and gender equality

The Life Codes Patty Harpenau, 2010-05-27 In the tradition of The Alchemist comes an internationally bestselling novel based on the author's own mystical journey to discover the seven secrets to creativity abundance healing and love Unsatisfied and unfulfilled by her understanding of life after the death of her father Michal journeys to Jerusalem to see if the great mystic rabbis hold any answers What she discovers and what Patty Harpenau learned were the seven secret codes to live by The Life Codes embodies the mystical essence of Judaism Christianity and Islam that have been locked in secret texts and whispered in private ritual only to men of a certain age Patty Harpenau broke down barriers when she was given these codes and in this novel based on her own spiritual journey she shows the process of discovery and how to apply these seven secrets to our lives in order to fulfill our purpose and our potential Each of the seven codes is revealed as part of Michal's narrative Each of the seven chapters ends in questions that help readers integrate the code into their lives and develop their own spiritual paths to peace creativity abundance self acceptance love and happiness It is a heart wrenching story of love of relationships that transcend time life and death and of a woman breaking through barriers to achieve her greatest aspiration

Soul Science Steve Madison, 2020-11-21 There are two entities that have dominated human thinking and faith from the dawn of civilization God and the soul Even though they have been obsessively discussed for thousands of years by countless people including many of humanity's greatest geniuses the number of people today who can actually answer the simple questions What is God made of and What is the soul made of is vanishingly small Well can YOU give the answer If you can't isn't it time you started studying Soul Science

Sacred Number Codes of Agesta Edwin Pinto, 2022-03-01 These Sacred Numerical Codes or Healing Codes have recently been channeled and they are messages transmitted from various ascended masters Mother

Mary Divine Mother Shekinah Archangels Raphael Jophiel Michael Uriel John the Beloved etc As the Archangel Raphael explains these are codes from the time of Atlantis they were also a gift for the people of that time then with the fall of Atlantis and the lowering of vibrations on the planet these codes were no longer usable Now we are back to the same level of vibration and these Numerical Codes are totally functional again There are several groups of codes that are applied in a different way I will detail them below each one anyway here I will put each channeling and in some there may be more specifications so I suggest you read it completely if you are interested in any code in it they are still short The energy levels of these codes are of a very high vibration I hope that this Manuscript be of use to you I honor this moment that allowed me to make the compilation and deliver it to you for your highest good [Thoughts To Word Or Audio In HTML Code](#) David Gomadza, Showcasing all our artifacts from the book database 82698 Thoughts To Word Or Audio *New Catholicity* Robert J. Schreiter, 2015-03-24 Encompassing recent developments in anthropology sociology philosophy and communication theory The New Catholicity explores the many aspects of globalization that challenge Christianity as it enters into its third millennium *The Deritualization of Death* Charles Lynn Gibson, 2019-10-15 The problematic field of investigation for this study was for the care of bereaved human beings in the context of significant cultural shifts now shaping the twenty first century Deritualization was identified as a significant interdisciplinary concern that contributes to potential distress in processes of grieving The objective of the research was the development of a practical theology of compassionate caregiving for the bereaved with deference to the problem of deritualization The theoretical framework was guided by the Oxford Interdisciplinary Research model and the Loyola Institute of Ministries model of practical theology The study was designed for applied research for funeral directors and vocational pastors utilizing qualitative research methods Hermeneutical and empirical components addressed six research questions through two domains of inquiry disciplinary perspectives and educational dynamics of bereavement caregiving Using the method of hermeneutics to critically evaluate the first two research questions three disciplinary fields of knowledge were examined and integrated from the perspective of pastoral care funeral service bereavement psychology and practical theology Each discipline individually converged upon meaningful caregiving meaning reconstruction and meaning reframing as significant modes of bereavement care Using ethnographic semi structured interviews to critically evaluate the remaining four research questions data were collected from a Christian university and a mortuary college The interview questionnaire included twenty five main questions organized in four parts Philosophy of Education Hermeneutics of Bereaved Families Care of Bereaved Families and Encounter of Bereaved Families The study utilized two cycles of qualitative coding techniques to report the findings of each participating school A hybrid form of in vivo and holistic coding as well as a second cycle of pattern coding distilled the interview responses into actionable statements that reinforced bereavement caregiving By synthesizing all of the findings a compelling case was made for a paradigm of comforting presence supported by principles from a Louwian perspective of practical theology including

theological anthropology promissiotherapy bipolarity and hermeneutics The study connected a philosophy of meaning reframing and a paradigm of comforting presence to a meta theoretical framework within a narrative approach to care The research elucidated an interdisciplinary understanding that contributed toward a compassionate practical theology of caregiving for the bereaved

Echoes of the Soul Echo Bodine,1999 One Palm Sunday Echo Bodine prayed to be granted a better understanding of worlds beyond this one and three days later she found herself on an amazing voyage Leaving her body behind she traveled through life death and then beyond in a breath taking vision of what awaits us all after this life Echoes of the Soul is heartwarming and enlightening In simple prose Echo Bodine gently leads readers through realms of existence we all have yet to experience Her inspiring images leave us with a hopeful vision of life after death or as Echo calls it graduation when we go to our real home This inspiring and positive vision of the afterlife leaves the reader filled with hope and even awe Endorsements Echo is the clearest psychic I ve ever read Her vision of our souls and the journey they take is awesome and wonderful and fills all who read it with an understanding that brings a deep sense of peace a serenity at the core of our being Echo s vision puts our lives into a vast perspective the soul s perspective infinitely broader than our usual perspective Marc Allen author of A Visionary Life Healing Codes Prophet I. The Soul and Secrets of Its Structure Larisa Seklitova, Ludmila Strelnikova, 2011-04-04 Since ancient times people have known about existence of the soul Every present religion on the Earth acknowledges that the man has it and all religions confirm that the soul is immortal and its loss is equal to death People offer prayers about salvation of their souls as the greatest value Many religions accept the reincarnation theory i.e. incarnating of the soul when the soul leaves human body after death and moves to newly born human body to proceed its development Thus what is the soul and what's the structure Our Heavenly Teachers have decided that it is time to give the humanity of third millennium new knowledge about the soul as people of sixth race who will live on the Earth in this period of time will be able to accept and understand these revealed truths This book is devoted to this topic New knowledge about the soul is shown up with care not to shock by the avalanche of new concepts For the first time they revealed that the soul is not only the eddy of invisible spirit but it has like the human body its own structure The first chapter of the book is about the structure of the soul Creation of Soul Jesus Christ says in the Bible In my Father's house there are many rooms This means there are many inhabited worlds

in the Cosmos Souls for these worlds are created by God himself and his aides special Hierarchical Systems It takes 9 cosmic years to create one soul One cosmic year is approximately equal to 1 billion earthly years because time of God and time on the Earth flies differently God creates the soul and makes it spiritual The only God governs the Great Secret of vivification Without vivification there cannot be life as well When we asked God What is the soul He answered The soul is the integral part of the Absolute Many souls are sort of its interior filling They are its main Units like cells in your body All souls piece out the huge nature of the Absolute and God Structure of Soul The Soul is the complex energetical construction It is a volumetric favose structure matrix where one volume enters another and all are merged Cells of the matrix are completely digits which carry out energy Total volume of the soul is called configuration Types of soul configurations vary greatly The self construction principle is laid in the matrix Every soul while developing builds its configuration basing on energetical volumes which fill up cells of the matrix Qualitative and quantitative composition is different within all matrices That is the reason why there are no two absolutely similar souls The matrix is of great importance for every individual because a personality is not personality without it Individual ceases existing without the matrix as an inspired creation The soul is triune It consists of 3 principles plus minus and managerial When a soul has just been created all these three principles are equal and every part occupies 1/3 of total matrix volume In the course of development the balance between its parts constantly changes although if the managerial part reaches half the volume it maintains this balance This is a program of soul construction Soul Development Development and improvement of soul in everyday life consist in acquisition of life experience new knowledge evolving feelings and intellect but on energetical plane it is enlargement of own energetical potential The sense of life and any existence in any world is development of soul There are only two ways of soul development for the man plus direction to God and minus one to Devil Ways of virtue creativity development through medicine and additionally way of computation and programming connected with creativity lead to God Ways of evil degradation automatism and programming without creativity principle lead to Devil Development of soul in any world is based on a program Program of development is drawn up per one incarnation in the material body It is saved on one of hum
