The Sound of Mountain Water Wallace Stegner, 2017-08-08 A book of timeless importance about the American West and a modern classic by National Book Award and Pulitzer Prize winning Wallace Stegner Stegner catches the paradoxical essence of American civilization Choice The essays memoirs letters and speeches collected in The Sound of Mountain Water encompass memoir nature conservation history geography and literature Compositions delve into the post World War II boom that brought the Rocky Mountain West from Montana and Idaho to Utah and Nevada into the modern age Other works feature eloquent sketches of the West's history and environment directing our imagination to the sublime beauty of such places as Robbers Roost and Glen Canyon A final section examines the state of Western literature of the mythical past and the diminished present and analyzed the difficulties facing any contemporary Western writer Written over a period of twenty five years a time in which the West witnessed rapid changes to its cultural and natural heritage and by a writer and thinker who will always hold a unique position in modern American letters The Sound of Mountain Water is a hymn to the Western landscape an affirmation of the hope embodied therein and a careful and rich investigation of the West's complex legacy

Wallace Stegner and the Continental Vision Curt Meine, 1997-09 Wallace Stegner 1909-1993 was in the words of historian T H Watkins a walking tower of American letters Winner of the Pulitzer prize and the National Book Award for fiction founder of the Stanford Writing Program recipient of three Guggenheim fellowships and innumerable honorary degrees Stegner was both a brilliant writer and an exceptional teacher Wallace Stegner and the Continental Vision brings together leading literary critics historians legal scholars geographers scientists and others to present a multifaceted exploration of Stegner's work and its impact and a thought provoking examination of his life Contributors consider Stegner as writer as historian and as conservationist discussing his place in the American literary tradition his integral role in shaping how Americans relate to the land and his impact on their own personal lives and careers They present an eclectic mix of viewpoints as they explore aspects of Stegner's work that they find most intriguing inspiring and provocative Jackson J Benson on the personal qualities that so distinctively shaped Stegner's writings Walter Nugent on the historical context of Stegner's definition of the West T H Watkins on Stegner's contributions to the modern conservation movement Terry Tempest Williams on Stegner's continuing importance as an elder in the community of writers he nurtured Other contributors include Dorothy Bradley John Daniel

Daniel Flores Melody Graulich James R Hepworth Richard L Knight Curt Meine Thomas R Vale Elliott West and Charles F Wilkinson Wallace Stegner and the Continental Vision is an illuminating look at Stegner s many and varied contributions to American literature and society Longtime admirers of Stegner will appreciate it for the new perspectives it provides while readers less familiar with him will find it a valuable and accessible introduction to his life and work *Wallace Stegner's Unsettled Country* Mark Fiege,Leisl Carr Childers,Michael J. Lansing,2024-02 Wallace Stegner is an iconic western writer His works of fiction including the Pulitzer Prize winning *Angle of Repose* and *Big Rock Candy Mountain* as well as his nonfiction books and essays introduced the beauty and character of the American West to thousands of readers Wallace Stegner s *Unsettled Country* assesses his life work and legacy in light of contemporary issues and crises Along with Stegner s achievements the contributors show how his failures offer equally crucial ways to assess the past present and future of the region Drawing from history literature philosophy law geography and park management the contributors consider Stegner s racial liberalism and regional vision his gendered view of the world his understandings of conservation and the environment his personal experience of economic collapse and poverty his yearning for community and his abiding attachment to the West Wallace Stegner s *Unsettled Country* is an even handed reclamation of Stegner s enduring relevance to anyone concerned about the American West s uncertain future **The Cambridge Companion to Literature of the American West** Steven Frye,2016-04-26 This Companion provides a comprehensive introduction to the literature of the American West one of the most vibrant and diverse literary traditions Wallace Stegner and the American West Philip L. Fradkin,2009-02-17 Respectful of his subject but never worshipful Fradkin has given us our first full critical portrait of the man and his protean career Hampton Sides author of *Blood and Thunder An Epic of the American West* **Reading the West** Michael Kowalewski,1996-02-23 The American West of myth and legend has always exerted a strong hold on the popular imagination and the essays in *Reading the West* examine some of the basis of that fascination *Reading the West* first published in 1996 is a collection of critical essays by writers independent scholars and critics on the literature of the American West in the last two centuries It showcases new ways of reading and understanding western writing Arguing for the importance of place in literature these essays explore what makes representative literary works western They also explore the multicultural and ecological dimensions of western writing This volume helps enrich our understanding of a distinguished body of literary work which has sometimes been unjustly ignored It deals not only with literature but with the changing conception of the West in the American imagination **A Companion to the Regional Literatures of America** Charles L. Crow,2008-04-15 The Blackwell Companion to American Regional Literature is the most comprehensive resource yet published for study of this popular field The most inclusive survey yet published of American regional literature Represents a wide variety of theoretical and historical approaches Surveys the literature of specific regions from California to New England and from Alaska to Hawaii Discusses authors and groups who have been important in defining regional American literature **Performance**

Ethnography Norman K. Denzin, 2003-06-24 One of the world's most distinguished authorities on qualitative research establishes the connection of performance narratives with performance ethnography and autoethnography the linkage of these formations to critical pedagogy and critical race theory and the histories of these formations *Performance*

Autoethnography Norman K. Denzin, 2018-04-20 This book is a manifesto It is about rethinking performance autoethnography about the formation of a critical performative cultural politics about what happens when everything is already performative when the dividing line between performativity and performance disappears This is a book about the writing called autoethnography It is also about what this form of writing means for writers who want to perform work that leads to social justice Denzin's goal is to take the reader through the history major terms forms criticisms and issues confronting performance autoethnography and critical interpretive To that end many of the chapters are written as performance texts as ethnodramas A single thesis organizes this book the performance turn has been taken in the human disciplines and it must be taken seriously Multiple informative performance models are discussed Goffman's dramaturgy Turner's performance anthropology performance ethnographies by A D Smith Conquergood and Madison Saldana's ethnodramas Schechter's social theatre Norris's playacting Boal's theatre of the oppressed and Freire's pedagogies of the oppressed They represent different ways of staging and hence performing ethnography resistance and critical pedagogy They represent different ways of imagining and inventing and hence performing alternative imaginaries alternative counter performances to war violence and the globalized corporate empire Schechner 2015 This book provides a systematic treatment of the origins goals concepts genres methods aesthetics ethics and truth conditions of critical performance autoethnography Denzin uses the performance text as a vehicle for taking up the hard questions about reading writing performing and doing critical work that makes a difference

Mary Austin and the American West Susan Goodman, Carl Dawson, 2009-01-07 Mary Austin 1868 1934 eccentric independent and unstoppable was twenty years old when her mother moved the family west Austin's first look at her new home glimpsed from California's Tejon Pass reset the course of her life changed her horizons and marked the beginning of her understanding not only about who she was but where she needed to be At a time when Frederick Jackson Turner had announced the closing of the frontier Mary Austin became the voice of the American West In 1903 she published her first book *The Land of Little Rain* a wholly original look at the West's desert and its ethnically diverse peoples Defined in a sense by the places she lived Austin also defined the places themselves whether Bishop in the Sierra Nevada Carmel with its itinerant community of western writers or Santa Fe where she lived the last ten years of her life By the time of her death in 1934 Austin had published over thirty books and counted as friends the leading literary and artistic lights of her day In this rich new biography Susan Goodman and Carl Dawson explore Austin's life and achievement with unprecedented resonance depth and understanding By focusing on one extraordinary woman's life *Mary Austin and the American West* tells the larger story of the emerging importance of California and the Southwest to the American consciousness *The Far Corner* John

Daniel, 2010-04-13 John Daniel writes from the ground he walks on and the landscape he inhabits in the northwest corner of America spinning narratives that seek to discover how he belongs to the land and to the wholeness of life itself He takes his readers to beaches old growth forests sagebrush steppe lands and deep river canyons wild places and places scarred by human exploitation and leads us too through inner terrains where he explores mortality creativity and spirituality Both lyrical and informative these essays are diverse in focus various in length and inventive in form one is constructed as a journal two as linear montages By turns playful awed cantankerous and tender in tone they deliver themselves in a style of high informality welcoming readers to join the author as he journeys through some of the puzzlements sadnesses and small glories of living This collection extends John Daniel s earlier work *The Trail Home* in the personal essay form **Dripping Dry**

David N. Cassuto, 2001 Explores the convergences of U S water policy and the literature of the American West **River Flowing From The Sunrise**

James M Aton, 2000-12-01 The authors recount twelve millennia of history along the lower San Juan River much of it the story of mostly unsuccessful human attempts to make a living from the river s arid and fickle environment From the Anasazi to government dam builders from Navajo to Mormon herders and farmers from scientific explorers to busted miners the San Juan has attracted more attention and fueled more hopes than such a remote unpromising and muddy stream would seem to merit *The Western in the Global Literary Imagination*, 2022-11-21 This groundbreaking collection of essays tells the surprising story of how the American Western has shaped world literature fueling provocative novels and reflections about national identity settler colonialism and violence Containing nineteen chapters spanning Asia Africa the Americas Australia Europe Israel and New Zealand as well as a guiding critical introduction this book opens an exciting new chapter in the study of popular culture literature and globalization Through this international lens the literary Western casts off the categories of juvenilia and formula to come into focus as a vital and creative statement about identity power and history Contributors are Zbigniew Bia as Manuela Borzone Flavia Brizio Skov Alex Calder Neil Campbell Christopher Conway Samir Dayal Joel Deshayes Johannes Fehrle MaryEllen Higgins Emily Hind Shelly Jarenski Rachel Leket Mor Warren Motte Andrew Nette Marek Pary David Rio Steffen W ll and Sergei Zhuk **Narrating the American West**, *Ecological Restoration and the U.S. Nature and Environmental Writing Tradition*

Laura Smith, 2022-01-12 This book presents a critical history of the intersections between American environmental literature and ecological restoration policy and practice Through a storying restorying restoring framework this book explores how entanglements between writers and places have produced literary interventions in restoration politics The book considers the ways literary landscapes are politicized by writers themselves and by conservationists activists policymakers and others in defense of U S public lands and the idea of wilderness The book profiles five environmental writers and examines how their writings on nature wildness wilderness conservation preservation and restoration have variously inspired and been translated into ecological restoration programs and campaigns by environmental organizations The featured authors are Henry David Thoreau 1817 1862 at

Walden Pond John Muir 1838 1914 in Yosemite National Park Aldo Leopold 1887 1948 at his family's Wisconsin sand farm Marjory Stoneman Douglas 1890 1998 in the Everglades and Edward Abbey 1927 1989 in Glen Canyon This book combines environmental history literature biography philosophy and politics in a commentary on considering and developing environmental literature's place in conversations on restoration ecology ecological restoration and rewilding

The Emerald Mile Kevin Fedarko, 2014-07 The epic story of the fastest boat ride in history on a hand built dory named the Emerald Mile through the heart of the Grand Canyon on the Colorado river

Orphans Preferred Christopher Corbett, 2004-09-14 WANTED YOUNG SKINNY WIRY FELLOWS NOT OVER 18 MUST BE EXPERT RIDERS WILLING TO RISK DEATH DAILY ORPHANS PREFERRED California newspaper help wanted ad 1860 The Pony Express is one of the most celebrated and enduring chapters in the history of the United States a story of the all American traits of bravery bravado and entrepreneurial risk that are part of the very fabric of the Old West No image of the American West in the mid 1800s is more familiar more beloved and more powerful than that of the lone rider galloping the mail across hostile Indian territory No image is more revered And none is less understood Orphans Preferred is both a revisionist history of this magnificent and ill fated adventure and an entertaining look at the often larger than life individuals who created and perpetuated the myth of the Pony as it is known along the Pony Express trail that runs from St Joseph Missouri to Sacramento California The Pony Express is a story that exists in the annals of Americana where fact and fable collide a story as heroic as the journey of Lewis and Clark as complex and revealing as the legacy of Custer's Last Stand and as muddled and freighted with yarns as Paul Revere's midnight ride Orphans Preferred is a fresh and exuberant reexamination of this great American story

The Whites Want Everything Will Bagley, 2019-10-17 American Indians have been at the center of Mormon doctrine from its very beginnings recast as among the Children of Israel and thereby destined to play a central role in the earthly triumph of the new faith The settling of the Mormons among the Indians of what became Utah Territory presented a different story a story that as told by the settlers robbed the Native people of their voices along with their homelands The Whites Want Everything restores those Native voices to the history of colonization of the American Southwest Collecting a wealth of documents from varied and often suppressed sources this volume allows both Indians and Latter day Saints to tell their stories as they struggled to determine who would control the land and resources of North America's Great Basin Journals letters reports and recollections many from firsthand participants reveal the complexities of cooperation and conflict between Native Americans and Mormon Anglo Americans The documents offer extraordinarily wide ranging and detailed perspectives on the fight to survive in one of Earth's most challenging environments Editor Will Bagley a scholar of Mormon history and the American West provides cultural historical and environmental context for the documents which include the Indians own eloquent voices as preserved in the region's remarkable archives In all these accounts we see how some of western North America's most colorful historical characters recorded their adventures and regarded their painful stories and how in doing

so they bring light to a dark chapter in American history Ranging from initial encounters through the 1850 1872 war against Native tribes to recitations of Mormon millennial dreams continued long after Brigham Young s death in 1877 this is history as it happened not as some might wish it had at long last returning the original owners of today s Utah Nevada and Colorado to their rightful place in history
