Marquette and Jolliet

Who:

Father Jacques Marquette and Louis Jolliet become the first white men to travel down the Mississippi River

When:

1673

Where:

The Mississippi River, from southern Wisconsin to southern Arkansas

Marquette and Jolliet

On May 17, 1673, a French Jesuit missionary named Father Jacques Marquette teamed up with an explorer named Louis Jolliet. Together they began a bold journey into the unknown. At the request of Governor Frontenac of New France (present-day Canada), they set out to find and explore what the Native Americans called the "Great River"—the Mississippi.

With a party of five, in two large birch-bark canoes, the pair departed from the mission of St. Ignace on the Straits of Mackinac. They crossed Lake Michigan to Green Bay in present-day Wisconsin. Then they followed the Fox and Wisconsin rivers to the Mississippi. Upon first seeing the river's muddy mile-wide waters, Father Marquette felt "a joy which he could not express." Stopping only to hunt for food and speak with friendly Native Americans, the

explorers paddled southward until they reached the point where the Arkansas River joins the Mississippi. From Native Americans there, they learned of hostile tribes and Spanish outposts farther south. When they learned that the Mississippi flowed into the Gulf of Mexico—and not west to the Pacific Ocean as they had hoped—the party turned around. They followed the Illinois and Des Plaines rivers back to Lake Michigan. Their five-month, 2,500-mile round-trip paved the way for further French colonization of the continent.

Did you know...

Though he lost his records when his canoe overturned, Jolliet was able to make maps from memory for Governor Frontenac.
