**The Story of the Flickertail State** William Marks Wemett, 1923      **Writings on American History**, 1926      *The Story of the Flickertail State* William Marks Wemett, 2012-10      **The WPA Guide to North Dakota** Federal Writers' Project, 2013-10-31 During the 1930s in the United States the Works Progress Administration developed the Federal Writers Project to support writers and artists while making a national effort to document the country's shared history and culture. The American Guide series consists of individual guides to each of the states. Little known authors, many of whom would later become celebrated literary figures, were commissioned to write these important books. John Steinbeck, Saul Bellow, Zora Neale Hurston, and Ralph Ellison are among the more than 6,000 writers, editors, historians, and researchers who documented this celebration of local histories. Photographs, drawings, driving tours, detailed descriptions of towns, and rich cultural details exhibit each state's unique flavor. According to the WPA Guide to North Dakota, there is more to the Northern Prairie State than meets the eye. Primarily an agricultural state, cattle ranching and the pioneer spirit are ever present in this guide. Also, beautiful photographs of the Great Plains make this a visually pleasing guide to the Peace Garden State.      [North Dakota History](#), 2015 Journal of the Northern Plains      **North Dakota, a Guide to the Northern Prairie State**, Best Books on, 1938 written by workers of the Federal Writers Project of the Works Progress Administration for the state of North Dakota, sponsored by the State Historical Society of North Dakota      *North Dakota* Federal Writers' Project of the Works Progress Administration for the State of North Dakota, 1938 Content warning: Some illustrations and stories depict racist stereotypes to describe Native Americans.
