Social Control Of Deviance A Critical Perspective

Clifton D. Bryant

Social Control Of Deviance A Critical Perspective:

Social Control of Deviance Nanette J. Davis, Clarice Stasz, 1990-01-01 This brief text is for sociology of deviance courses and may be used as a supplement to courses in sociology criminal justice urban studies or social work that feature heavily on social control issues The authors use a critical perspective as a theoretical framework giving their text a thought provoking edge and providing for spirited classroom discussion *Images of Deviance and Social Control* Stephen J. Pfohl, 1985

Critical Perspectives on Social Control and Social Regulation in Canada Mitch Daschuk, 2020-08-25T00:00:00Z How does social regulation shape who is deviant and who is normal Critical Perspectives on Social Control and Social Regulation in Canada is an introduction to the sociology of what has traditionally been called deviance and conformity This book shifts the focus from individuals labelled deviant to the political and economic processes that shape marginalization power and exclusion Class gender race and sexuality are the bases for understanding deviance and it is within these relations of power that the labels deviant and normal are socially developed and the behaviours of those less powerful become regulated This textbook introduces readers to theories and critiques of traditional approaches to deviance and conformity Using vivid and timely examples of contemporary social regulation and control this textbook brings to life how forces of social control and marginalization interact with social media sex work immigration anti colonialism digital surveillance and social movements and much more Theories and critiques are clarified with summaries definitions rich illustrative examples discussion questions recommended resources and test banks for instructors **A Sociology of Crime** Peter Eglin, Stephen Hester, 2015-09-04 The authors take three particular sociological perspectives and use them to offer a distinct and critical reading of criminology highlighting the ways that crime is first and foremost a matter of social definition They provide a good introductory text which will be of great value to students **Radical and Marxist Theories of Crime** Paul B. Stretesky, 2017-03-02 The essays selected for this volume show how radical and Marxist criminology has established itself as an influential critique since it emerged in the late 1960s Unlike orthodox criminology which emphasizes individual level explanations of criminal behavior radical and Marxist criminology emphasizes power inequality and structures especially those related to class as key factors in crime law and justice This collection of essays draws attention to the way in which structural forces shape and influence both individual and institutional for example governmental behavior highlights neglected crime corporate governmental state corporate and environmental which causes more extensive damage than the street crimes examined by orthodox criminology and discusses the ways in which law and criminal justice processes reinforce power structures and contribute to class control *Discover Sociology* Daina S. Eglitis, William J. Chambliss, Susan L. Wortmann, 2021-07-04 What key social forces construct and transform our lives as individuals and as members of society How does our social world shape us How do we shape our world Discover Sociology answers these questions as it explores sociology as a discipline of curious and scientific minds The text is structured around several themes particularly the unequal

distribution of power and authority in all aspects of social life Going beyond theory and concepts the authors also demonstrate how studying sociology produces more engaged citizens and opens up a diversity of career paths This title is accompanied by a complete teaching and learning package

The Politics of Redress Willem De Haan, 2023-03-08 First published in 1990 The Politics of Redress is a product of and commentary on significant developments in critical criminology It shifts the emphasis from the criminologist as a police agent to a fighter for social justice The author focuses on the role of punishment in society in general and in criminology in particular urging the reader to reimagine the concept of punishment especially penal punishment The arguments addressed in this book range from a comparative analysis of penal policies in various countries to philosophical debates about whether punishment is compatible with a just social order With the Black Lives Matter movement the topic of prison abolition has once again gripped society's conscience making this text a vital read for students of law criminology sociology philosophy and history

Vulture Culture Christine M. Quail, Kathalene A. Razzano, Loubna H. Skalli, 2005 Vulture Culture presents a new and complex way of thinking about daytime television talk shows Vulture culture is the process by which the media scavenge the personal narratives and popular discourses that make up everyday knowledge and commonsense and re present them back to us as spectacle entertainment and information This book explores these nuances through a probing analysis of the vast landscape of daytime television talk shows and their relation to important political social and economic problems Using an approach that takes into account the multiple perspectives of political economy cultural studies and cultural pedagogy Vulture Culture provides an in depth and well rounded examination of this mainstay of television and media culture

A Sociology of Crime Stephen Hester, Peter Eglin, 2017-05-15 A Sociology of Crime has an outstanding reputation for its distinctive and systematic contribution to the criminological literature Through detailed examples and analysis it shows how crime is a product of processes of criminalisation constituted through the interactional and organizational use of language In this welcome second edition the book reviews and evaluates the current state of criminological theory from this grammatical perspective It maintains and develops its critical and subversive stance but greatly widens its theoretical range including dedicated chapters on gender race class and the post als including postcolonialism It now also provides questions exercises and further readings alongside its detailed analysis of a set of international examples both classical and contemporary

21st Century Criminology: A Reference Handbook J. Mitchell Miller, 2009-08-06 Criminology has experienced tremendous growth over the last few decades evident in part by the widespread popularity and increased enrollment in criminology and criminal

justice departments at the undergraduate and graduate levels across the U S and internationally Evolutionary paradigmatic shift has accompanied this surge in definitional disciplinary and pragmatic terms Though long identified as a leading sociological specialty area criminology has emerged as a stand alone discipline in its own right one that continues to grow and is clearly here to stay Criminology today remains inherently theoretical but is also far more applied in focus and thus more connected to the academic and practitioner concerns of criminal justice and related professional service fields Contemporary criminology is also increasingly interdisciplinary and thus features a broad variety of ideological orientations to and perspectives on the causes effects and responses to crime 21st Century Criminology A Reference Handbook provides straightforward and definitive overviews of 100 key topics comprising traditional criminology and its modern outgrowths The individual chapters have been designed to serve as a first look reference source for most criminological inquiries Both connected to the sociological origins of criminology i e theory and research methods and the justice systems response to crime and related social problems as well as coverage of major crime types this two volume set offers a comprehensive overview of the current state of criminology From student term papers and masters theses to researchers commencing literature reviews 21st Century Criminology is a ready source from which to quickly access authoritative knowledge on a range of key issues and topics central to contemporary criminology This two volume set in the SAGE 21st Century Reference Series is intended to provide undergraduate majors with an authoritative reference source that will serve their research needs with more detailed information than encyclopedia entries but not so much jargon detail or density as a journal article or research handbook chapter 100 entries or mini chapters highlight the most important topics issues questions and debates any student obtaining a degree in this field ought to have mastered for effectiveness in the 21st century Curricular driven chapters provide students with initial footholds on topics of interest in researching term papers in preparing for GREs in consulting to determine directions to take in pursuing a senior thesis graduate degree career etc Comprehensive in coverage major sections include The Discipline of Criminology Correlates of Crime Theories of Crime Justice Measurement Research Types of Crime and Crime the Justice System The contributor group is comprised of well known figures and emerging young scholars who provide authoritative overviews coupled with insightful discussion that will quickly familiarize researchers students and general readers alike with fundamental and detailed information for each topic Uniform chapter structure makes it easy for students to locate key information with most chapters following a format of Introduction Theory Methods Applications Comparison Future Directions Summary Bibliography Suggestions for Further Reading and Cross References Availability in print and electronic formats provides students with convenient easy access wherever they may be *Staying Alive, Third Edition: Critical Perspectives on Health, Illness, and Health Care* Dennis Raphael,Toba Bryant,Marcia Rioux,2019-12-13 This new edition of *Staying Alive* provides readers with a fresh perspective on health health care and illness in Canada and abroad Grounded in a human rights approach to health this edited collection includes chapters on the

social construction of illness and disability social determinants of health and current critical issues in the field The third edition has been thoroughly updated and includes recent national and international developments in health care with current world statistics and an emphasis on austerity related changes and their effects on health and health care systems It includes chapters on pharmaceutical policy social class women s health and the impact of economic forces such as globalization and privatization in health care

Deviant Behavior Clifton D. Bryant,1990 First published in 1990 Routledge is an imprint of Taylor Francis an informa company

Routledge Handbook of Deviant Behavior Clifton D. Bryant,2012-04-27 The Handbook of Deviant Behavior presents a comprehensive integrative and accessible overview of the contemporary body of knowledge in the field of social deviance in the twenty first century This book addresses the full range of scholarly concerns within this area including theoretical methodological and substantive issues in over seventy original entries written by an international mix of recognized scholars Each of these essays provides insight not only into the historical and sociological evolution of the topic addressed but also highlights associated notable thinkers research findings and key published works for further reference As a whole this Handbook undertakes an in depth evaluation of the contemporary state of knowledge within the area of social deviance and beyond this considers future directions and concerns that will engage scholars in the decades ahead The inclusion of comparative and cross cultural examples and discussions relevant case studies and other pedagogical features make this book an invaluable learning tool for undergraduate and post graduate students in disciplines such as criminology mental health studies criminal theory and contemporary sociology

The Politics of the Police Benjamin Bowling,Robert Reiner,James W. E. Sheptycki,2019 The Politics of the Police offers a geographical and historical overview of the law and politics of the police This fifth edition covers a wider range of empirical and theoretical issues encompassing a transnational scope and reflecting the growing diversity of policing forms in today s globalized world

The Concise Encyclopedia of Sociology George Ritzer,J. Michael Ryan,2011-01-25 This concise encyclopedia is the most complete international survey of sociology ever created in one volume Contains over 800 entries from the whole breadth of the discipline Distilled from the highly regarded Blackwell Encyclopedia of Sociology with entries completely revised and updated to provide succinct and up to date coverage of the fundamental topics Global in scope both in terms of topics and contributors Each entry includes references and suggestions for further reading Cross referencing allows easy movement around the volume

Fugitive Thought Michael Roy Hames-Garcia,2004 In Fugitive Thought Michael Hames Garca argues that writings by prisoners are instances of practical social theory that seek to transform the world Unlike other authors who have studied prisons or legal theory Hames Garca views prisoners as political and social thinkers whose ideas are as important as those of lawyers and philosophers As key moral terms like justice solidarity and freedom have come under suspicion in the post Civil Rights era political discussions on the Left have reached an impasse Fugitive Thought reexamines and reinvigorates these concepts through a fresh approach to philosophies of justice and freedom combining the

study of legal theory and of prison literature to show how the critiques and moral visions of dissidents and participants in prison movements can contribute to the shaping and realization of workable ethical conceptions Fugitive Thought focuses on writings by black and Latina o lawyers and prisoners to flesh out the philosophical underpinnings of ethical claims within legal theory and prison activism Michael Hames Garca is assistant professor of English and of philosophy interpretation and culture at Binghamton University State University of New York

Power, Conflict and Criminalisation Phil

Scruton,2007-10-22 A unique accessible text that introduces a broad readership to critical research into crime deviance and conflict through contemporary in depth case studies Tracing the authoritarian legacy of policing civil disturbances harsh regimes of punishment deaths in custody and prison protest diverse issues such as the demonisation of children the imprisonment of women and the war on terror are explored and analysed

Juvenile Delinquency in a Diverse Society

Kristin A. Bates,Richelle S. Swan,2020-01-21 Juvenile Delinquency in a Diverse Society Third Edition presents students with a fresh intersectional examination of juvenile delinquency in the context of real communities and social policies integrating many social factors that shape juvenile delinquency and its control including race ethnicity class gender and sexuality Authors Kristin A Bates and Richelle S Swan use true stories and contemporary examples to link theories of delinquency not just to current public policies but to existing community programs encouraging readers to consider how theories of delinquency can be used to create new policies and programs in their own communities Readers will gain a foundational understanding of the social diversity that contextualizes varying experiences and behavior of juvenile delinquency as well as a deeper appreciation for the policies social justice and community programs that make up the juvenile system

The Labeling of Sex Offenders Sean Maddan,2008 The Labeling of Sex Offenders contributes to the research on the effects of sex offender registration and notification policies using the labeling perspective The labeling perspective asserts that offenders who are labeled are more likely to re offend this is counter to sex offender registration policies which assume that knowing the identity and whereabouts of sex offenders is imperative to the public s ability to protect itself This research used criminal data from the State of Arkansas within the framework of a quasi experimental design to evaluate the recidivism of the first three waves of sex offenders registered 1997 1999 vs a comparison group of sex offenders from a decade earlier 1978 1989 Key variables used to explain specific and general recidivism included the application of an active label prior exposure to formal and informal labels the intensity of the label race sex and age The findings presented by Madden indicate that there is no statistically significant difference between the two groups of sex offenders in terms of recidivism
