

The background is a solid teal color. Overlaid on this are several concentric, slightly offset rectangular frames in black and white, creating a sense of depth and architectural structure. A black silhouette of a person is positioned in the lower half of the image, appearing to be in a dynamic, possibly dancing or expressive pose, with arms and legs extended. The title text is printed in a bold, white, serif font, partially overlapping the silhouette and the geometric lines.

takes into account influences from other cultures and sources as well as eschews thick conceptions that stifle imaginations and imaginaries This book will be of interest to academics in the fields of philosophy political science sociology literature and cultural studies in general and contemporary political theory South Asian and Indian politics and political theory in particular
