Development Award **Social Statistics for a Diverse Society** Chava Frankfort-Nachmias, Anna

Leon-Guerrero, 2016-12-29 This Eighth Edition of *Social Statistics for a Diverse Society* continues to emphasize intuition and common sense while demonstrating that social science is a constant interplay between methods of inquiry and important social issues. Recognizing that today's students live in a world of growing diversity and richness of social differences, authors Chava Frankfort-Nachmias and Anna Leon-Guerrero use research examples that show how statistics is a tool for understanding the ways in which race, class, gender, and other categories of experience shape our social world and influence social behavior. In addition, guides for reading and interpreting the research literature help students acquire statistical literacy, while SPSS demonstrations and a rich variety of exercises help them hone their problem-solving skills.

Influencing Social Policy Kenneth I. Maton, 2017 *Influencing Social Policy* synthesizes current knowledge about how psychologists influence social policy to serve the public interest. The volume builds upon interviews with 79 applied psychologists about their experiences in the policy domain, with special focus on the work of applied developmental psychologists, applied social psychologists, and community psychologists. Additional foundations of the volume include a review of social science scholarship across a wide range of disciplines and author Kenneth Maton's 30 years of teaching on the topic, including frequent interactions with Washington, DC policy experts. Together, these sources provide in-depth information about how applied psychologists influence social policy, the factors that contribute to their success, the challenges they face, and the approaches used to address those challenges. The policy influences described span all three branches of government: legislative, executive, and judicial. The policy content areas are diverse, including the death penalty prohibition for adolescents, early childhood education, gay marriage, gender discrimination in the workplace, health and mental health care reform, homelessness, home visiting programs, sexually abused child witness treatment, status offender diversion from the juvenile justice system, substance abuse prevention, and many others. *Influencing Social Policy* is a must-have resource for graduate students and professionals in a wide variety of disciplines with interests in influencing social policy, including psychology, education, public health, social work, policy studies, anthropology, and sociology. New Horizons for Policy Practice Richard Hoefer, 2013-09-13 This book provides fresh perspectives on the state of policy practice. Leading scholars explore such vital conceptual topics such as how to impact social justice, what the strengths-based perspective means to policy practitioners, and how to bridge the all-too-common gap between community organizing and direct practice in social work. Other esteemed academics address topics including how to use technology to impact social justice, what the impacts of the recent changes in the United States Supreme Court will be, how to conceptualize the impact of

ex prisoners re entry into society and how to better include marginalized populations in the policy practice The volume closes with two pieces relating to students using service learning to increase knowledge of macro interventions and integrating social capital analysis into policy practice Each topic is thoroughly covered by experts using the latest scholarly material available The reader will come away with a new perspective on the many areas where social work is involved needed and effective in making positive change in the world This book was published as a special issue of the Journal of Policy Practice

Handbook of Education Policy Research Lora Cohen-Vogel, Peter Youngs, Janelle Scott, 2025-07-17 The second edition of the Handbook of Education Policy Research the largest volume published in AERA's history addresses a variety of policy and contextual issues in early childhood K 12 and postsecondary education that have received extensive empirical attention during the past 15 years With the pandemic and social turmoil as a backdrop the editors build on the breadth and depth of the first edition while expanding the scope of the project to include subjects methods theories and analyses that have contributed powerfully to the study of education policy and politics in the 2010s and 2020s The field has become more comprehensive and inclusive and the authors represent a diversity of racial ethnic and gender identities and intellectual and disciplinary orientations Most chapters come from multiple authors reflecting the multi sourced development of research in education policy since the first volume was published This compilation consists of 70 chapters and nine commentaries that map past present and future directions of the field and richly attend to critical issues of interest to students researchers policy makers and practitioners

Essentials of Social Statistics for a Diverse Society Anna Leon-Guerrero, Chava Frankfort-Nachmias, Georgiann Davis, 2020-09-10 Essentials of Social Statistics for a Diverse Society is a briefer version of the successful Social Statistics for a Diverse Society and as in the parent text the use of real data about contemporary social issues sets this book apart from others in the field The text explains how to compute and interpret basic descriptive and inferential statistics while teaching and reinforcing important sociological concepts In every chapter the authors demonstrate how statistics is an important tool for studying and understanding the role of race class gender and other statuses in a pluralistic society like the United States Included with this title The password protected Instructor Resource Site formally known as SAGE Edge offers access to all text specific resources including a test bank and editable chapter specific PowerPoint slides
