Gay Sydney Garry Wotherspoon, 2016-03-01 Garry Wotherspoon's *Gay Sydney* A History is an updated version of his 1991 classic *City of the Plain* History of a Gay Sub culture written in the midst of the AIDS crisis In this vivid book Wotherspoon traces the shifts that have occurred since then including majority support for marriage equality and anti discrimination legislation He also ponders the parallel evaporation of a distinctly gay sensibility and the disappearance of once packed gay bars that have now become cafes and gyms This book also tells the story of gay Sydney across a century looking at secret underground gay life the never ending debates about sex in society and the role of social movements in the 60 and 70s in effecting social change

Nation, Culture, Text Graeme Turner, 2002-09-10 *Nation Culture Text* Australian Cultural and Media Studies is the first collection of cultural studies from Australia selected and introduced for an international readership Participating in the de centring of cultural studies considering what perspectives other than the European and the American have to offer the contributors raise important issues about the role of a national tradition of critical theory and about the cultural specificity of theory itself A key theme is the place of the postcolonial nation within contemporary cultural theory particularly those aspects of contemporary theory which see the category of contemporary theory which see the category of the nation as either outdated or suspect The writers tackle subjects ranging from the televising of the Bicentennial to the role of policy in film television and the heritage industry from the use of video technologies with remote Aboriginal communities to the role of ethnography in cultural studies

The Unknown Judith Wright Georgina Arnott, 2016 Judith Wright 1915 2000 remains a giant figure within Australian art culture and politics Her 1946 collection of poetry *The Moving Image* revolutionized Australian poetry She helped to establish the modern Australian environmental movement and was a key player in early campaigns for Aboriginal land rights A friend and confidante of artists writers scholars activists and policy makers she remains an inspiration to many And yet as Georgina Arnott is able to show in this major new work the biographical picture we have had of this renowned poet activist has been very much a partial one This book presents a more human figure than we have previously seen and concentrates on Wright's younger years New material allows us to hear directly thrillingly the feisty voice of a young Judith Wright and forces us to reconsider the woman we thought we knew Thoroughly reader friendly in organization and presentation *The Unknown Judith Wright* is unreservedly recommended for community and academic library Literary Studies collections in general and supplemental studies reading lists in the subject areas of Australian

 Subject Australian History Art Poetry Gender Studies Literary Criticism Biography *The Saturday Review of Politics, Literature, Science and Art*, 1862 The Politics of Identity in Australia Geoff Stokes, 1997-06-30 Issues of identity are central to many historical and current debates in Australia This superb collection of essays represents a significant rethinking of received ideas on identity and reveals how issues of identity lie at the heart of Australian political thought and form the foundation of Australian society and culture It provides a comprehensive introduction to the political discourse surrounding Australian identity through key themes including identity theory the manipulation of identity for political ends gender and sexuality immigration and national identity citizenship and Aboriginality and literature and film The book rejects many of the assumptions underlying contemporary political debates including the promulgation of a singular national identity in historical fact or as a political goal This is a thought provoking study of identity its links with nationalism and its potentially divisive effects

Dangerous Dreamers Peter Hruby, Petr Hrubý, 2010 Australian spy Ian Milner was suspected of working for Soviet and Czechoslovak secret services on four continents He served at the United Nations in New York and the FBI followed him day and night before eventually declaring he was not a spy But secret documents from Prague show he was spying all along Wilfred Burchett claimed to be an independent Australian journalist He wrote dozens of books and Prague documents prove that he was a secret member of the Communist Party of Australia He also worked for Soviet Korean Chinese and Vietnamese secret services Drawing upon past secret documents of Australian Czechoslovak and U S secret agencies along with important Soviet records historian and professor Peter Hruby who grew up under Communist rule and taught in Australia for decades uncovers the secrets of the ideology and its manipulative advocates Along with the stories of spies previously unknown or overlooked also discover How Communists pushed for revolution in Australia The role of writers and artists in the struggle How terrorists and politicians influenced the movement And much more Uncover the secrets of history and discover the truth about Communism and its role in Australia in **Dangerous Dreamers**

Teacher Preparation in Australia Thomas O'Donoghue, Keith Moore, 2019-10-30 The book is a study of teacher preparation policy and practice in Australia from the establishment of the first colony there in 1788 to the present day It will highlight within an international context how the focus of preparation moved through the following five interrelated and overlapping phases

Australian Cultural Studies John Frow, Meaghan Morris, 1993 Cultural studies has emerged as a major force in the analysis of cultural systems and their relation to social power Rather than being interested in television or architecture or pinball machines themselves as industrial or aesthetic structures cultural studies tends to be interested in the way such apparatuses work as points of concentration of social meaning as media literally according to John Frow and Meaghan Morris Here two of Australia's leading cultural critics bring together work that represents a distinctive national tradition moving between high theory and detailed readings of localized cultural practices Ethnographic audience research cultural policy studies popular

The Excluded Past Robert MacKenzie, Peter Stone, 2013-10-23 A ground breaking book that examines the uneasy relationship between archaeology and education Argues that archaeologists have a vital role to play in education alongside other interpreters of the past Contributors from different countries and disciplines show how the exclusion of aspects of the past tends to impoverish and distort social and educational experience

Profile Pieces Sue Joseph, Richard Lance Keeble, 2015-10-14 This book examines the history theory and journalistic practice of profile writing Profiles and the practice of writing them are of increasing interest to scholars of journalism because conflicts between the interviewer and the subject exemplify the changing nature of journalism itself While the subject often through the medium of their press representative struggles to retain control of the interview space the journalist seeks to subvert it This interesting and multi layered interaction however has rarely been subject to critical scrutiny partly because profiles have traditionally been regarded as public relations exercises or as soft journalism However chapters in this volume reveal not only that profiling has historically taken many different forms but that the idea of the interview as a contested space has applications beyond the subject of celebrated individuals The volume looks at the profile s historical beginnings at the contemporary manufacture of celebrity versus the ordinary at profiling communities countries and movements at profiling the destitute at sporting personalities and finally at profiling and trauma
