*Task Groups in the Social Services* Marian Fatout,Steven R. Rose,1995-02-17 In light of the growing importance of and reliance on task groups in the social services this comprehensive text examines the uses methods and dynamics of such groups Following a description of the nature history and variety of task groups the authors discuss the role of the social worker in these groups focusing on the recruitment and composition of groups participating as a team member shepherding a group and dealing with problem behaviours within it Task Groups in the Social Services will prove a vital resource to both students and practitioners in social work

*The Use of Groups in Social Work Practice* Bernard Davies,1975-01-01

**Groupwork Practice for Social Workers** Karin Crawford,Marie Price,Bob Price,2014-12-01 Working with families carers groups and communities is something all social work students must prepare for Written to guide you through these varied and complex groupwork situations this book explores the knowledge skills and values required for groupwork practice Divided into two parts the first provides an understanding of groupwork its concepts and contexts while the second takes you step by step through groupwork practice from planning and preparation to starting out facilitating and finally ending work with a group Different service contexts including work with children with users who have learning disabilities in mental health settings and more are covered throughout the book with case studies activities and reflective opportunities helping you to understand the complexities of these contexts This text is a comprehensive and contemporary guide to groupwork in social work today

*Toseland* Ronald W. Toseland,Robert F. Rivas,2016-07-13 For courses in Group Social Work Practice A comprehensive

coherent organized overview of group work practice from a generalist practice perspective Widely used by professionals educators and students in undergraduate and graduate courses in schools of social work throughout the United States and the world An Introduction to Group Work Practice presents a comprehensive coherent organized overview of group work practice from a generalist practice perspective The new Eighth Edition continues to include typologies illustrating group work practice with task and treatment groups at the micro meso and macro levels Thoroughly updated throughout the new edition includes research on virtual groups updated and deeper content on practice with treatment and task groups the most current literature on working with reluctant and resistant group members updated and expanded sections on working with individuals who have difficulty engaging in and sustaining work in groups updated material on leadership and diversity and thoroughly updated reference material and new content from evidence based practice sources *Group Theory for Social Workers* K. Heap, 2014-06-28 Presents aspects of group theory from the disciplines of social and developmental psychology small group psychology psycho analytical theory and practice The concepts discussed are chosen for their relevance to understanding the behavior of clients who are members of groups in social work treatment and the book is extensively illustrated by case extracts from social work practice **Group Work** Urania Glassman, 2008-10-08 A book that supports the human spirit and the humanistic visions of those who champion personal and social change through the social work group The Second Edition of Group Work A Humanistic and Skills Building Approach identifies the humanistic values and democratic norms that guide the group practitioner s interventions The book presents seven stage themes of group development 29 techniques for group work practice and more than 60 new illustrations from contemporary group work The Second Edition remains centered on the role of the social group work practitioner who employs group work methods to further the personal growth and empowerment of members in community and institutional contexts Features of the Second Edition Offers 29 new descriptions of group work practice techniques which have applicability in clinical support and organizational groups Provides seven stage themes of group development describing member reactions and highlighting worker pitfalls self awareness issues and skills for maximizing member growth within each stage Presents 60 new illustrations of group meetings which demonstrate the practitioner role and conclude with discussion and analysis Includes an updated Chapter 10 which highlights ethical values in mental health substance abuse treatment and health care groups Intended Audience This is an ideal core text for advance undergraduate and graduate courses such as Group Work Foundation Practice Skills of Counseling and Group Dynamics in the fields of social work psychology and counseling

Deconstructing Group Work for Human Service Professionals Dominique Moyse Steinberg, Eileen C. Lyons, 2022-11-04 Spotlighting the skills of social group work this handbook offers practical guidance and theoretical knowledge enabling the reader to facilitate groups of varying types with increased clarity purpose and confidence The reader is helped to understand what skill to employ when and why New or veteran group facilitators are reminded to empower group members to both

employ their strengths and engage in mutual aid the fundamental value and methodology that underlies social group work Specific skills help group members to coalesce as a cohesive group and optimize their capacity to reach their goals whether exploring therapeutic answers or accomplishing work tasks This book illustrates that there are basics to the method of human service work with groups that can help you to feel more at ease with and more effective at working with people in groups The group work method is delineated for you outlining 1 skills of working with groups ways of thinking or doing to make things happen 2 practice principles the moral reasoning that underlies what you choose to think and do in your practice and 3 theoretical underpinnings for those choices why your choices will achieve desirable ends Anecdotal material and skills in action provide explicit examples of what skills look like in real time Social work students and academics as well as students and professionals working in the fields of youth work counseling mental health clinical social work and related health subjects will find this book of interest

**Group Work and Aging** Roberta K Graziano, Robert Salmon, 2013-09-13

Get a wealth of information about the theory and practice of social work with older adults their families and their caregivers Although there is a considerable amount of writing on both group work and social work with the elderly there is surprisingly little about applying this practice method to this specific age group Group Work and Aging Issues in Practice Research and Education fills this gap by presenting penetrating articles about a mutual aid approach to working with diverse groups of older adults with varied needs Respected experts and gifted researchers provide case studies practice examples and explanation of theory to illustrate this practice method with aging adults their families and their caregivers Group Work and Aging Issues in Practice Research and Education discusses in depth information on group work with gay and lesbian elders caregivers elders with Alzheimer s disease service providers special populations such as Vietnamese and Latino a elders and provides information on the use of expressive therapies like art drama and dance Each well referenced chapter presents high quality up to date social group work practice strategies to prepare practitioners for the needs of the growing population of elderly in the near future Group Work and Aging Issues in Practice Research and Education discusses the adaptation of group work practice approaches when working with older group members the use of a Record of Service as an analytical tool in group work with aging lesbians a chronicle of a student s field placement at a drop in center for homeless senior citizens the sociocultural reality of the Asian immigrant elderly residential substance abuse treatment for older adults mutual aid groups for older persons with mental illness the relationship between caregiver support groups and the marker framework of family caregiving telephone caregiver support groups group work interventions with elderly parents of adults with severe mental illness a program for the development and implementation of an intergenerational singing group support groups as an effective therapy at end of life the use of a mutual aid group with home attendants and much more Group Work and Aging Issues in Practice Research and Education reveals the latest examples of good group work practice with aging adults and their support systems perfect for practitioners educators and anyone interested in and or work with older adults Social

Work with Groups Helen Northen, Roselle Kurland, 2001 This fully revised and updated third edition of a classic text includes seven new chapters that reflect the most recent developments in group practice Part of the book's enduring appeal is its vivid depiction of actual group work and the challenges that arise Using an ecosystem approach they set forth a generic framework for practice with diverse groups      Group Work Sondra Brandler, Camille P. Roman, 1999 Complete with more games and exercises for group sessions this book also contains excerpts and discussions of case studies that will serve as a valuable reference and may be applied to your own experiences Group Work will help you provide improved services to clients as it discusses effective suggestions and strategies such as gaining an understanding of self or the process by which you identify internal responses to external stimuli created by the group unlocking the underlying meanings themes and needs of a group by examining transference and countertransference issues establishing guidelines structures and goals and purposes for groups and defining your role in achieving these standards and helping you identify and work through feelings of boredom helplessness sadness and anger which are potential barriers to the work of the group BOOK JACKET

Inclusive Group Work William Pelech, Robert Basso, Cheryl D. Lee, Maria Gandarilla, 2016 Inclusive Group Work offers an innovative approach to working with intervention groups and task groups by redefining the concept of diversity and reframing core group work concepts Appropriate for both undergraduate and graduate courses this book introduces readers to the foundations of group practice with an emphasis on social justice The book presents diversity as a relational concept that is at the heart of all group interactions Individual identity is complex and in order for all members to be treated equally their individuality must be accepted and respected Using this framework the book discusses the values and ethics of social work with groups explores the stages of group work including planning and presents both basic and advanced skills such as conflict resolution and the use of self Theories are put into practice in three chapters of case studies that show in detail how diversity can be employed as a strength in multiple settings to achieve the wide variety of goals groups pursue Through this new approach students and practitioners alike will learn how to harness diversity to engage and maintain participation in inclusive group processes      **Group Skills in Social Work** Sue Henry, 1992 Firmly based in social science literature and research this basic practice text provides students with a good practical model of group growth and development that is easily comprehended and applied The second edition is organized as was the original around the concept of skill as

knowledge in action with four dimensions of social work knowledge about groups and people in groups interacting and intersecting to dictate worker action to be taken These four dimensions stages and phases of group development contract form in effect role and location of worker vis a vis the group system and program media utilized to enhance group social focus are shown to apply in work with direct service groups as well as in groups beyond direct service training boards committees task groups etc      **Social Work Practice with Groups** Kenneth E. Reid, 1997 This book provides a unique and compassionate perspective on group social work with a focus on clinical settings In an open and user friendly style author

Kenneth Reid offers practical day to day strategies to help social workers work with people in small groups in a way that is therapeutic growth producing and life enhancing In addition to integrating small groups theory and therapeutic principles Social Work Practice with Groups also offers numerous clinical examples that bring the material alive and into context Notes to Myself vignettes that begin with each chapter and relate the author s experience to the topics in the chapter while they convey a piece of personal and practical wisdom and a focus on the personhood of the group leader which explores how the practitioner s own personality development and life situation are brought into the therapeutic relationship

**Variations on Teaching and Supervising Group Therapy** Karen Gail Lewis,2014-04-04 Learn effective techniques for teaching and supervising group therapy This unique new volume brings together teaching and supervisory models for a host of theoretical orientations including psychodynamic family systems psychodrama gestalt and transactional analysis Variations on Teaching and Supervising Group Therapy is essential reading for mental health professionals who currently conduct groups but who lack the specialized training for becoming a supervisor who currently teach group therapy from one theoretical orientation and want to learn about other modalities who teach academic courses on group therapy and want to expose students to a broader perspective of group modalities than the usual one or two models psychoanalytic and activity groups usually taught in schools The contributing authors are social workers and professionals from other disciplines who represent a cross section of the teachers of the various types of groups being conducted in the United States today They describe an exciting array of teaching formats one day workshops semester long courses year long training programs weekly supervision sessions and outside consultation and settings including family service agencies child guidance centers short term health maintenance organizations freestanding group training institutions and private practice Some of the highlights of this practical book include an examination of the most commonly used format in group therapy today psychodynamics a demonstration of using family systems theory to understand the group therapy participants and process the key concepts and history of psychodrama the key concepts and basic aspects of a gestalt training program for practicing therapists strategies for teaching social work students a look at the skills needed for conducting group therapy with children a model for training therapists who conduct short term groups

**Social Group Work** Gisela Konopka,1983

**Group Services in Public Welfare** Harleigh Bradley Trecker,1964

*Self-Help Support Groups For Older Women* Lenard W. Kaye,2022-01-26 This work is based upon a research study whose purpose was to collect new information about the special benefits and drawbacks of formal organizations efforts at social network building for older women In it a two tiered investigation was carried out a national review of a select group of model self help support programmes for older women throughout the United States and an in depth community case study of a nationally recognized model program of self help support groups leadership training networking and community outreach education for older women It provides the research oriented reader with scientific evidence to assess the relative efficacy of self help group programming

**Social Work With Groups Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Social Work With Groups has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Social Work With Groups has opened up a world of possibilities. Downloading Social Work With Groups provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Social Work With Groups has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Social Work With Groups. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Social Work With Groups. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Social Work With Groups, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Social Work With Groups has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## FAQs About Social Work With Groups Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
