English with an Accent Rusty Barrett, Jennifer Cramer, Kevin B. McGowan, 2022-11-30 Since its original publication in 1997 English with an Accent has inspired generations of scholars to investigate linguistic discrimination social categorization social structures and power This new edition is an attempt to retain the spirit of the original while enriching and expanding it to reflect the greater understanding of linguistic discrimination that it has helped create This third edition has been substantially reworked to include An updated concept of social categories how they are constructed in interaction and how they can be invoked and perceived through linguistic cues or language ideologies Refreshed accounts of the countless social and structural factors that go into linguistic discrimination Expanded attention to specific linguistic structures language groups and social domains that go beyond those provided in earlier editions New dedicated chapter on American Sign Language and its history of discrimination QR codes linking to external media stories and other forms of engagement beyond the text A revamped website with additional material English with an Accent remains a book that forces us to acknowledge and understand the ways language is used as an excuse for discrimination The book will help readers to better understand issues of cross cultural communication to develop strategies for successful interactions across social difference to recognize patterns of language that reflect implicit bias and to gain awareness of how mistaken beliefs about language create and nurture prejudice and discrimination

Mass Migration in the World-system Terry-Ann Jones, Eric Mielants, 2015-11-17 Mass Migration in the World System brings to light the multiple experiences of migrants across different zones of the world

economy By engaging wide ranging ideas and theoretical viewpoints of the migration process the labor market for immigrants and the rights of migrants this book provides an important and much needed interdisciplinary perspective on the issues of mass migration *Transnationalizing Inequalities in Europe* Anna Amelina,2016-09-13 Unequal life chances became a key feature of cross border migration to and within the enlarged Europe Combining transnational intersectional and cultural sociological perspectives this book develops a conceptual tool to analyse patterns contexts and mechanisms of these cross border inequalities This book synthesizes the theories of social boundaries and of intersectionality approaching cross border relations as socially generated and as an inherent element of contemporary social inequalities It analyses the mechanisms of cross border inequalities as regimes of intersection relating spatialized cross border inequalities to other types of unequal social relations in terms of gender ethnicity race class etc The conceptual arguments are supported by empirical research on cross border migration in Europe migration of scientists and care workers between Ukraine and Germany This book integrates the analysis of space including cross border categories of global and transnational into intersectionally informed studies of social inequalities Broadly it will appeal to scholars and students in the areas of sociology political sciences social anthropology and social geography In particular it will interest researchers concerned with transnational and global social inequalities the interplay of the categories gender ethnicity and class on the one hand and global and transnational relations on the other theories of space and society and migration and mobility in Europe **Policy Change under New Democratic Capitalism** Hideko Magara,2016-12-19 Democratic capitalism in developed countries has been facing an unprecedented crisis since 2008 Its political manageability is declining sharply Both democracy and capitalism now involve crucial risks that are significantly more serious than those observed in earlier periods The notion of policy regimes has gained new significance in analysing the possibilities for a post neoliberal alternative Policy innovations directed towards an economic breakthrough require both political leadership and a new economic theory The processes of political decision making have become quite distant from the public realm and a limited number of economic and political elites exert influence on public policy This book examines from a policy regime perspective how developed countries attempt to achieve such a breakthrough at critical junctures triggered by economic crises It initially assesses the nature of the present crisis and identifies the actors involved Thereafter it provides an analytical definition of a crisis stressing that most crises contain within them the potential to be turned into an opportunity Finally it presents a new analytical design in which we can incorporate today s more globalized and fluid context **Essentials of Human Behavior** Elizabeth D. Hutchison,Leanne Wood,2025-07-08 *Essentials of Human Behavior* by Elizabeth D Hutchison and Leanne Wood integrates the key framework of time person and environment into a single streamlined text The Fourth Edition is updated to address equity and inclusion trauma and resilience environmental justice and gender identity and expression *World of Patterns* Rens Bod,2022-05-10 Though fields such as art history the history of philosophy and intellectual history have been around for

a long time the author's interest is in the history of what scholars in all of these fields are doing in common This book looks beyond the humanities to the practice of disciplined inquiry more generally bringing together the history of the humanities and the sciences under the guise of a unified search for patterns *Street Gang Patterns and Policies* Malcolm W.

Klein, Cheryl L. Maxson, 2010-04-12 This text provides a crucial update and critical examination of our understanding of gangs and major gang control programs across the nation Dispelling the long standing assumptions that the public the media and law enforcement have about street gangs it presents a comprehensive overview of how gangs are organized and structured
