Johnson, 2008 This text provides a comprehensive approach to generalist practice with diverse families using an integrated ecosystems and strengths based approach It includes schemas for developing family and subsystem social histories and case examples for working with diverse families

Effective Social Work with Children and Families Peter Unwin, Rachel Hogg, 2012-02-21 Social work with children and families is constantly in the headlines and social workers decisions are subject to ever increasing scrutiny at all levels This aspirational book supports students and newly qualified social workers and suggests practical ways in which they might thrive rather than just survive in practice Written at a time when Social Work Reform Board and the Munro Enquiry are charged with looking at issues of effectiveness within children and families social work the book tackles the different challenges that students and practitioners can be faced with outlining common pitfalls and how to avoid these Key topics covered include Legislation and policy Child development Safeguarding and child protection Assessment Communication Looking after yourself Reflective questions are used throughout the book ensuring that students critically evaluate their own practice Case examples and case studies drawn from the authors recent practice are included throughout the book to illuminate the realities of contemporary social work with children and families This text will be essential reading for undergraduate and postgraduate students particularly as they prepare to go on placement It will also provide valuable reading for qualified social workers who are interested in fresh and effective approaches to practice

Social Work Practice with Children, Third Edition Nancy Boyd Webb, 2011-11-15 This book has been replaced by *Social Work Practice with Children* Fourth Edition ISBN 978 1 4625 3755 6

Social Work Practice with Fathers Jennifer L. Bellamy, Brianna P. Lemmons, Qiana R. Cryer-Coupet, Jennifer A. Shadik, 2022-10-31 Social workers need to work with fathers across many service systems but lack guidance on how to do so and most engagement assessment and intervention work for family serving systems is mother and child focused Father inclusive readings and resources are also limited Drawing on the expertise of well regarded research and practice experts in the field this comprehensive book provides guidance to social work practitioners and researchers on how to engage assess and serve fathers Instructors can use the text to include fathers in courses on the human behavior and social environment family systems clinical practice diversity or service systems Social service systems unfortunately have often struggled to positively engage men as parents Recent demographic trends indicate that fathers are providing more direct care to children and single father households are one of the most rapidly growing

demographic groups in the United States Barriers to their successful engagement include biases and assumptions about men and fathers a lack of father friendly policies and practices in the field limited training on how to work with fathers and relatively limited father inclusive social work research until recently This book addresses these barriers It is a guide to social workers in their efforts to better serve men as parents and does so from an ecological and systems perspective Multiple case examples and practical tools are provided as well as specific content on major social service systems Topics explored include Father Engagement Organizational Father Friendly Assessments Interventions with Fathers Setting the Course for Future Theory Research and Practice with Fathers Social Work Practice with Fathers Engagement Assessment and Intervention is a book that could be folded into foundation courses in social work or used by practitioners in the field It is an essential text for graduate students in social work psychology sociology child development allied health and similar disciplines and professions and a go to resource for helping professionals practitioners such as social workers psychologists and licensed professional counselors Advanced undergraduate students in these disciplines and professions also will find the text useful in their studies and work

Social Work Reclaimed Steve Goodman, Isabelle Trowler, Eileen Munro, 2011-11-15 Reclaim Social Work RSW is the innovative model of children's social work pioneered by the London Borough of Hackney This book sets out what RSW is how it was set up and the theory and evidence base underlying it Chapters written by RSW social workers outline the methodological approaches used and demonstrate how it works in practice

Social Work Practice with Families Mary Patricia Van Hook, 2019-10-22 Social Work Practice with Families uses resiliency a strength based perspective to frame a collaborative approach to assessment and treatment with families In so doing the text aims to help practitioners select a therapeutic model that effectively assists in addressing risk factors and promoting important resources The book provides clear examples of the elements in a strength affirming assessment and engagement process discusses resiliency in terms of families belonging to various cultural groups and family structures and identifies resiliency issues and implications for practice with families facing major problems Including current evaluation research from the United States Canada and around the globe the text serves as a helpful resource to undergraduate and graduate social work students and practitioners

Social Work Practice with Children and Families Francis K. O. Yuen, 2014-06-11 Social Work Practice with Children and Families presents the framework for family health social work and its applications in various practice environments This vital textbook provides a unique blend of academic deliberations and practical service guidelines with topics ranging from forensic social work and community practice to disability child welfare and HIV AIDS The book is organized into two major sections entitled Practice Interventions and Policy Programs and Emerging Families Case examples or discussion questions are included at the end of each chapter to facilitate more in depth understanding and discussion among graduate and undergraduate students professors and educators in health and human service areas To view an excerpt online find the book on our QuickSearch catalog at www.HaworthPress.com

An Introduction to Family Social Work Donald

Collins, Cathleen Jordan, Heather Coleman, 1999 This text provides beginning students with the knowledge and skills necessary for family social work Not a family therapy text it is intended for students who will work with families but who will not necessarily undertake advanced training in family therapy Chapters 1 and 2 present a philosophical perspective and provide an understanding of family functions Chapters 3 and 4 treat family assessment and Chapters 5 through 10 lead students through the actual process of working with families The concluding chapters discuss gender and culturally sensitive practice and cover special situations that family social workers may encounter in working with children and adults **Best Practice with Children and Families** Barry Cooper, Jean Gordon, Andy Rixon, 2014-12-12 Social work practice with children young people and families is complex highly skilled and fascinating Writing about social work increasingly acknowledges the complexities and uncertainties of practice but rarely features the voice of the social worker themselves This book takes a different approach that of Critical Best Practice a constructive realistic and strengths based approach that takes as its starting point the telling and analysing of in depth stories about live practice The reader is encouraged to join the social work practitioner or manager as they engage with the everyday dilemmas and uncertainties of 21st century practice Ten narratives based round the themes of relationships risk and negotiation problem solving provide varied opportunities for critical reflection and learning about social work in different contexts Insights are offered into social work with children from young babies to adolescents and families with differing needs in different parts of the UK England Scotland and Wales
