Socialism And The Challenge Of War:

Socialism and the Challenge of War (RLE The First World War) Jay M. Winter, 2014-04-24 The First World War marks a crucial period in the history of the socialist wing of the British labour movement This book is an account of the development of the political ideas and activities of some of the most influential British socialist thinkers of that time Beatrice and Sidney Webb R H Tawney and G D H Cole The first part of the book examines the state of the Labour movement and of socialist ideas on the eve of the conflict then turns to the central question of the impact of the War on the dissemination of British socialist ideas

Socialism and the Challenge of War J. M. Winter, 1993-04-01 The problems presented by war in the 20th century have severely tested socialist ideas and World War I in particular marks a crucial period in the history of the socialist wing of the British Labour movement This text is an account of the development of political ideas and activities of the most rigorous and original of thinkers of that time Beatrice and Sidney Webb R H Tawney and G D H Cole

Socialism and the Challenge of War Jay Murray Winter, 1974 Challenges of Labour Chris Wrigley, 2002-03-11 This collection of essays all published for the first time in English provide a fresh look at the critical years of 1917 1920 when revolutionary activity and working class unrest was rife in Europe Written by leading authorities in the field the collection gives wide European coverage examining developments in the rural provinces and key cities of both Western and Central Europe in the period after the Great War In depth studies analyse the causes and extent of protest the factors which contributed to its initial success and failure and the influence of the propertied classes and re establishment of the old order The introduction and conclusion draw the essays together giving a clear account of the principal themes and establishing the comparative structure of the book The essays provide major coverage of a crucial period of modern history and should raise many new questions about the events of those years

The Oxford Illustrated History of the First World War Hew Strachan, 2000 Having a profound influence on the history of the twentieth century the First World War left an intense legacy that continues to affect both those who lived through it and those who merely read about it in school It was the first conflict in which airplanes submarines and tanks played a significant role and the first in which casualties on the battlefield outnumbered those from disease It precipitated the collapse of the empires of Austria Hungary and Turkey and it promoted revolution in Russia America's entry into the war and the part it played in the peace settlement signaled the arrival on the world stage of a new great power In this extensively illustrated book an international team of experts explores the war in all its different aspects From its causes to its consequences from the strategy of the politicians to the tactics of the generals the course of the war is charted and its political and human consequences assessed The legacy of the war to end wars in poetry and prose in collective memory and political culture is with us still eighty years after that first Armistice Day This remarkable book helps us understand that legacy

Evolution of the British Party System Robert C. Self, 2014-07-30 By the end of the nineteenth century reform and development of the British electoral system had inaugurated a new style of mass politics

which fundamentally transformed the face of the British party system This book traces the evolution of recognisably modern parties from their roots in the 1880s through half a century of dramatic change in organisational structure electoral competition and constitutional thought In the House of Commons the Labour Party replaced the Liberals as the radical answer to the Conservative Party In the country at large the complex web of Victorian social regional and religious allegiances gave way to a cruder but more dynamic model of modern political loyalties The transformation at Westminster and in the constituencies is surveyed in relation to changes to the franchise including the vote for women class consciousness political organisation and doctrine The comprehensive account explains the varying fortunes of the parties in the face of mass democracy collectivism the First World War and economic uncertainty It also provides a critical insight into the debates and conflicts of interpretation which surround this pivotal period in British political history Beatrice And Sidney Webb Lisanne Radice,1984-06-21 John Strachey N. Thompson,2015-12-26 This book studies John Strachey one of the most important left intellectuals in twentieth century Britain It provides a detailed exposition of his intellectual evolution set in its historical context thus highlighting the options pressures dilemmas and pitfalls besetting British socialists in the turbulent times of the inter and post war periods *Socialism and the Challenge of War* J.
