Social Economy Clark Everling, 2003-08-16 Contrary to much Marxist thought Everling does not view socialism as an antithesis to capitalism and argues that socialism is among other things an objective development of capitalism As capitalism develops it creates the premises for social development which are also the bases for a socialist and democratic construction of society Drawing on economics urban geography political theory and Marxism *Social Economy* Examines the evolution of capitalism from its early industrial to its present urban and global forms Shows how Marx understood the economy as a unity of production distribution exchange and consumption

engaged in social reproduction Explores the contradictory evolution of US corporations and urban development from 1945 to the present Argues that urban space involves requirements for social and individual reproduction which extend well beyond limits inherent in transnational corporate private appropriation Using his unique arguments Everling makes the case that economic expansion can now best be secured by forms of development that take us beyond the limits of capitalism and point towards a democratic and socialist society *Capitalism, Socialism, and Serfdom* Evsey D. Domar, 1989-11-24 The collection consists of four parts Part I presents three non technical essays on economic development and economic systems Four out of five essays in Part II deal with the theory and measurement of the so called Index of Total Factor Productivity for several countries The fifth essay is on the theory of index numbers The first essay of Part III compares the American and Soviet patterns of economic development and finds that the path followed by each country might have been optimal for it at the time The second essay develops a general theory of a producer cooperative The third essay discusses a method for avoiding monopolistic exploitation under either system without price control Part IV presents three applications of economic theory to historical problems in particular to serfdom and slavery The first on The Causes of Slavery or Serfdom has become a classic The second challenges the widely accepted view that Russian serfdom had become unprofitable for the serf owners before the Emancipation of 1861 The last shows that the oft repeated estimate of the overcharge for land allotted to the former serfs by the Emancipation has little basis in fact
