Gülerce,2024-06-14 This book demonstrates how culture matters for the understanding of cannabis use It stems from the growing body of research on how users manoeuvre stigmatisation and celebrate the subcultural status of cannabis amid rapid transformation of the substance and its societal reception The volume presents international studies that challenge the normalisation thesis and simplified views on patterns of use as well as the Western bias in social research of cannabis Chapters in this book map the variability of cannabis cultures and markets on a global scale including digital regulated and illicit markets in transformation They study cannabis through stigmatisation gender social worlds symbolic boundaries subcultures and identity work The chapters address diverse themes such as how Latvian Polish Nigerian or Mexican users negotiate mainstream conservative and sometimes gendered societal reactions to cannabis and how Nordic users identities are played out in more progressive contexts Chapters also cover cannabis use by older people and small growers cultures in the US and the interconnections between the established cultures and their digital augmentation in Australia Synthetic

cannabis use is studied in New Zealand and the many contradictions of contemporary cannabis policies are highlighted throughout Taken together this book offers an assortment of studies that provide a descriptive and conceptual snapshot of ongoing transitions of paradoxically stable cannabis cultures It was originally published as a special issue of Drugs Education Prevention and Policy      **Society in Focus: Introductn to Sociology** ANONIMO,William Thompson,Joseph Hickey,2005-01-01 Students you can only access MySocLab if your instructor has set up a MySocLab course Visit [www.mysoclab.com](http://www.mysoclab.com) to register all you need are your instructor s course ID and a Student Starter Kit with access code FREE when packaged with a new copy of this book or available for purchase at your bookstore OR a credit card to purchase immediate online access If your instructor is not using MySocLab ask him or her to consider MySocLab to give you every chance to succeed in your course      Focus on Society Norman W.
