*Fourth International Conference on Minority Languages: Western and Eastern European papers* Durk Gorter, 1990 A compilation of papers taken from the Fourth International Conference on Minority Languages While the first volume focused on the more theoretically orientated papers this volume emphasizes the inventorial or descriptive approach

*Historical Sociolinguistics* Terttu Nevalainen, Helena Raumolin-Brunberg, 2014-10-13 This volume presents a sociolinguistic perspective on the history of the English language Based on original empirical research it discusses the social factors that promoted linguistic changes in earlier English and the people who were the leading force behind them The authors focus on the major grammatical developments that shaped the language in Tudor and Stuart times the period that laid the foundations for modern Standard English Nevalainen and Raumolin Brunberg adopt an interdisciplinary approach exploring the extent to which sociolinguistic models and methods can be applied to the history of English

**Literacy in School and Society** Elizabetta Zuanelli Sonino, 2013-06-29 The function and notion of literacy may be considered the keystone a filigree principle underlying the educational social and cultural organization of the societies of the twentieth century It is therefore interesting to try to pinpoint the notion and its implications at the turn of the century by focusing the attention of scholars from various disciplines sociolinguistics psychology psycholinguistics and pedagogy on the subject This is the purpose of this volume which originated from an interdisciplinary meeting on trends in and problems of research on early literacy through mother tongues and or second languages held in Venice under the auspices of the University of Venice and in particular of the Seminario di Linguistica e di Didattica della Lingue and the Centro Linguistico

Interfacolta and the Municipality of Venice together with UNESCO and AILA A first far reaching question touches on the role assigned to or fulfilled by mass literacy in modern society The concept of literacy considered as a social achievement an essential component in the process of education to be institutionally prompted and controlled fluctuates between two opposite poles A polemic destructive view considers the notion and the educational practices connected with it as a potent instrument of social control a tool for social reproduction and consensus On the other side a plurifunctional constructive view considers the acquisition and maintenance of different languages via educational institutions as a concrete possibility for the defense and maintenance of cultural pluralism and identity be it social ethnic or religious

**Sociolinguistics / Soziolinguistik. Volume 3** Ulrich Ammon, Norbert Dittmar, Klaus J. Mattheier, Peter Trudgill, 2008-07-14 No detailed description available for SOCIOLINGUISTICS AMMON 3 TLBD HSK 3 3 2A E BOOK *Third International Conference on Minority Languages* Gearóid Mac Eoin, Anders Ahlqvist, Donncha Ó hAodha, 1987 This volume contains a selection of papers on various aspects mainly linguistic of the present day situation of the Celtic languages of Britain and Ireland The papers were given at the Third International Conference on Minority Languages which was held in Galway Ireland in June 1986 A companion volume entitled *Third International Conference on Minority Languages Celtic Papers* is also published by Multilingual Matters Ltd *Sociolinguistic History of Scotland* Robert McColl Millar, 2020-04-15 Robert McColl Millar examines how language has been used in Scotland since the earliest times While primarily focusing on the histories of the speakers of Scots and Gaelic and their competition with the encroaching use of Scottish Standard English he also traces the decline and eventual death of Pictish British and Norn Four case studies illustrate the historical development of North East Scots Scottish Standard English Shetland Scots and Glasgow Scots Immigrant languages are also discussed throughout the book *Current Trends in Historical Sociolinguistics* Cinzia Russi, 2016 The volume collects original studies highlighting contemporary trends in historical sociolinguistics as well as current research on the relationship between sociolinguistics and historical linguistics social motivations of language variation and change and corpus based studies Distinctive features of the book which make it appealing to a wider audience are the interdisciplinary nature of the chapters and the range of languages addressed *A Sociolinguistic Insight into the Italian Community in the UK* Siria Guzzo, 2014-11-19 The Italian diaspora throughout the world navigate and negotiate various complex and multidirectional language dynamics In order to account for the sociolinguistic processes that have taken place this book provides a detailed observation of these linguistic dynamics from the point of view of the Italian diaspora in Bedford in the UK This study on the language behaviour of three generations of Italian residents in Bedford provides empirical data on and highlights the importance of the sociolinguistic examination of English in service encounters What comes to light in most of the cases analysed is that audience design has a proven influence on the choice of language and repertoire within the speech of the Bedford Italian community There are not only switches from one language to another but also style shifts in the linguistic repertoire Throughout this study it becomes clear

that speakers freely use the two languages available to their speech community and thanks to their active and passive repertoire they apply a range of linguistic resources from both Italian and English The volume also uncovers some especially interesting traits in 3rd generation speech involving in particular a rather widespread use of mixed pronunciation Upon moving past the initial assumption that the adoption of this mixed pronunciation is used to show the younger generation s sense of belonging to the BI community a quite different reason emerges Closer analysis reveals that due to an increasing feeling of non Britishness this linguistic choice may be linked to a deliberate and conscious attempt on their part not to accommodate to British culture and in so doing to distance themselves further from it Preface by David Britain     *The Oxford Handbook of Sociolinguistics* Robert Bayley, Richard Cameron, Ceil Lucas, 2015 This major new survey of sociolinguistics identifies gaps in our existing knowledge base and provides directions for future research     *Variationist Sociolinguistics* Sali A. Richard Page, 2024-05-15 This volume celebrates Robert B Howell s wide ranging contribution as a scholar mentor collaborator and colleague in the field of Germanic linguistics In addition to investigating present day or past varieties of Afrikaans Dutch English Flemish German and Pennsylvania Dutch each of the thirteen contributions in this volume explores one or more of the topics found in Howell s work 1 Linguistic structure and change Page Sundquist Fagan De Vaan 2 Migration contact and change Fertig Loudon Roberge 3 Vernacular sources and change Auer 4 Historical sociolinguistics past present and future Van Bree Crombez Vandenbussche Vosters Lauersdorf Salmons     Geographic and Socio-political Influences on Language Ideology and Attitudes Toward Language Variation in Post-unification Germany Jennifer L. Dailey-O'Cain, 1997     *Acquiring Sociolinguistic Variation* Gunther De Vogelaer, Matthias Katerbow, 2017-09-30 The study of how linguistic variation is acquired is considered a nascent field in both psycho and sociolinguistics Within that research context this book aims at two objectives First it wants to help bridging the gap between researchers working on acquisition from different theoretical

backgrounds The book therefore includes contributions by both psycho and sociolinguists and by representatives of further relevant sub disciplines of linguistics including historical linguistics and dialectology Second in order to enable cross linguistic comparison the book brings together research carried out in different sociolinguistic constellations as most obviously found in different language areas or different countries      International Books in Print ,1991
