Pruitt, 2020-07-06 In *Between Teaching and Caring in the Preschool* John C Pruitt argues that preschool teaching is more than a set of roles and duties tied to institutional expectations Drawing on two years of ethnographic fieldwork twenty three interviews and countless conversations with preschool teachers and analysis of preschool documents Pruitt opens the black box of the preschool to show the complexity of the preschool teacher identity as it unfolds in everyday practices of teaching and caring His analysis of preschool teachers talk and interaction addresses pertinent sociological and early childhood education themes including classroom management social control emotions and identity construction He demonstrates there is more going on in the preschool than teaching young children and caring for them Through practices of classroom management and teaching language preschool teachers socialize children into education contexts and exert social control in and through teaching practices By managing emotions preschool teachers also manage impressions of themselves and the

preschool He also shows how preschool teachers use resources like Montessori pedagogy and their lived experience to construct authenticity Pruitt concludes that institutions such as ECE shape identities within and away from the institution

Sign of Life Hilary Williams,2010-11-02 Just after noon on a spring day in 2006 aspiring singer songwriter Hilary Williams and her sister Holly the granddaughters of country legend Hank Williams and daughters of country music star Hank Williams Jr were driving through Mississippi down a rural stretch of Route 61 on their way to their grandfather s funeral Suddenly the front wheel of the truck became caught in one of the many deep ruts and gravel lining the road causing the vehicle and its passengers to flip over several times crushing steel and breaking fragile bones as it crashed Holly was lucky She only suffered a broken wrist and cuts and bruises But when the Jaws of Life finally pried Hilary s shattered body free of the wreckage she was in shock and barely breathing She had suffered two broken legs several broken ribs a ruptured colon and bruised lungs Her back collarbone tailbone pelvis and right femur were fractured Her hips were crushed It had taken nearly 30 minutes for an ambulance to arrive and she had already lost a large amount of blood Then as EMTs scrambled to stabilize her in the middle of a muddy Mississippi field Hilary Williams died But that was only the beginning This is a story of struggle and pain But more so it is a story of second chances of love and resolve and recovery When she was pulled back into life Hilary s world changed It was the beginning of a long courageous and inspiring journey during which she would undergo twenty three surgeries and years of therapy Along the way with her family at her side Hilary has learned the meaning of strength not only the strength to survive but the strength to live with the legend the talent the burden and the privilege of her place in country music s most famous family
