Songs Of Milkweed A Gift From The Fields:

Songs of Milkweed, A Gift from the Fields Lama Milk Augustine, 2005-07 SONGS OF MILKWEED A GIFT FROM THE FIELDS is a book of unrivaled beauty great sadness and intrigue It explicitly talks about the Lama's profound and countless struggles as well as those hidden glories and ensplendouring insights inspired through living the call of religious existence as well as that of horrific forms of bodily and spiritual neglect and torture with wrongful imprisonments There are numerous writings that were specially chosen in which that the author has exemplified with the deepest of our concealed emotions One is able to see just how her very life was affected through these many enlightening entries Some entries the author had written go far back as 1981 when she was just fourteen years old A remarkably told book that truly gets to the very heart of all of us Where we are thusly reminded of the everlasting light above us And within us The many striking photos and drawings also enclosed in these pages and with their captions fully epitomize the Lama at her real and truest calling that is solely encompassed and combined with religion Along with that of religion she expresses her concerns to endlessly preserve the past Both inwardly and outwardly Telling her own two respected colleagues and the stunned reader about these professions but with the greatest sense of humble dignity Lama Milkweed L Augustine now Venerable Rimpoche also tells of THE GOOD FEARLESS DEATH But told through the very eyes and spirit of one who is on the brink of certain demise however done so in a loving manner customary to her medical field Depicting as well as reminding us of just what our loving Lord and Savior has done It is because of HIM we no longer have a casket and a headstone to look forward to Ven Lama Rimpoche Miss Milkweed L Augustine *The Milkweed Prophecy* LAMA MILKWEED L. AUGUSTINE, 2006-06-13 THE MILKWEED PROPHECY EPITAPH OF THE APOCALYPSE is an incredible and in depth explanation of not only the Apocalypse but told from an actual involvement where the author herself ensplenders her own emotional framework in a manner of religious literature that has never been captured before All of these events were based solely upon the Professor's lifetime of visions and actual visitations and apparitions and actual visitations of Mary the Mother of God and actual accounted events that have been witnessed by credible people This book of uncommon insights will startled the mind and very heart of the reader as he is taken on horseback into the actual Apocalypse and stares face to face with the Devil himself LUCIFER The near possession this young author claims boldly as this was also documented and witnessed but the literal protection from God saved Milkweed after her only suicide attempt This book powerfully illustrates what it is truly like to be a believer but one who is chosen long ago to understand and to teach and even now fooling her medical doctors and living well beyond her expected time allotted to her but still extremely deteriorated from this catastrophic terminal illness that plagues her mysterious life This work divinely inspired is highly recommended for anyone who truly wants and needs to know about the Book of God's Revelations as well as about himself This same remarkable book of stunning words translate themselves likend to the Bible as the author clearly defines herself but without ever in abruption of the eternal glory of God Her impressive

artwork as well as photography is also here to enlighten and illuminate the mind and to hopefully make all understand the truth of God's Kingdom and the ultimate sacrifice the crucifixion and dereliction of our God Jesus the Christ Songs of Milkweed Lama Milkweed L. Augustine, 2008-02 The second book in the series a continuation followed by another volume Mandatory translations prior to each chapter unfold before the reading audience and its inner senses and where tremendous psychological pains which later transformed into agony and triumph that obviously found no outlet was here for imagination to take hold Unlike the first volume there is excitement as these SONGS OF MILKWEED are different and make one feel something silently gripping and even expressing deep and disturbing fears as photos are also enclosed in this wonderfully told book of rare insights and hindsights which are equal to my varied testimonies VOLUME 2 is a different look at the ever evolving mind of LAMA MILKWEED L AUGUSTINE PH D PROF Songs of Milkweed, a Gift from the Fields ,

Radiation Sickness Lama Milkweed L. Augustine, 2007-07-31 I speak candidly about radiation sickness in a poignant manner because of not only the fact concerning myself succumbing to it but I wanted to create a memorable impact as well as there exist people scattered about this world as these same people are suffering and dying from this copiously sad disease or affliction or man's desires to alter the environment as he is now doing more harm than aiding it But as this story that is heart touching as it is revealing the young victim still maintained a sense of gentleness and patience in the direction of his unprovoked enemies which were those at the very nuclear power plant in his eyes gave him life a chance at hope for a brighter future in a rural place but still candidly holding onto the past in which he has grown Becoming completely ravaged from the terrible effects of the high level of nuclear radiation and from the industrial accident in which he fell prey this toxic waste worker still manages to keep himself peacefully aware of not only the ultimate consequences of their mistake or inexcusable blunder that should never be forgotten or done again **Dying and Loving It** H.H. The Most Ven. Lama

Rimpoche, Miss Milkweed L. Augustine PhD, 2012-10-02 In the unending definement of this book I honestly believe that people will find out soon enough what will happen to them when the moment of life's ending comes along but it is my duty as both a dying patient and as a woman of religion to tell others who may not know and to explain the best of my ability the atrocities that actually occurred in this place Unlike most of the general masses I can hear many other pulses of life but this all comes from knowing God and the child within as she absorbs the building tensions and rechannels that energy into a rightful and God fearing direction hence creating a fulfilling existence regardless if that same individual is hurting or is at peace Birdcraft Mabel Osgood Wright, 1897 Birdcraft, a field book of 200 song, game, and water birds Mabel Osgood
