## Songs For Growin:

**Ready, Set, Sing** Danny Barker, 1979      **Plant a Little Seed** Nancy Stewart, 1995      **Songs of Gladness and Growth** James Laughlin Hughes, 1916      **Hymns and Sacred Songs** Deseret Sunday School Union, 1888      Musical Theatre Script and Song Analysis Through the Ages James Olm, 2021-12-16

How many times have you experienced a musical that was fabulous or just didn't work at all but you had no idea how to communicate why? How do you differentiate between a flaw in the performance/portrayal of a character to a structural flaw in the musical itself? How do you analyse musical theatre songs that are so subjective in its very nature? Is there even a common link of analysis between musicals from the Golden Age and musicals from the present day? Musical Theatre Script and Song Analysis Through the Ages answers these questions and gives students of musical theatre the tools they need to understand and articulate how musicals work. At the heart of any musical lie its music and lyrics yet it is this area that is least understood. This book offers a brand new terminology of analysis that gets to the core of what holds a musical together: the libretto, music and lyrics. Through identifying methods of lyric and musical analysis and applying these to ten different musicals throughout history, students are able to ask questions such as: why does this song sound this way? what is this lyric doing to identify character purpose and how is a character communicating this feeling to an audience? From classroom analysis through to practical application, this text guides readers through a structured approach to understanding, disseminating and more importantly articulating how a musical works. A perfect tool for students of musical theatre, its practical benefits of understanding the form and realizing that it can be applied to any age musical will benefit any theatre person in helping articulate all of those abstract feelings that are inherent in this art form. It offers a roadmap to the musical's innermost DNA.

Standard Songs and Choruses for High Schools Marie Florence MacConnell, 1908      **THE SONGS, HYMNS, AND PRAYERS OF THE OLD TESTAMENT** CHARLES FOSTER KENT, PH.D. LITT.D., 1914      *Music Heard in Many Lands* Lota May Harrigan Spell, 1927      The Development of Popular Music Function in Film Anthony Hogg, 2019-11-27

This book offers a unique examination of the development of popular music function in film. It assesses the contribution of popular music to the interpretation of the most significant films covering the period from rock n roll's initial introduction at the opening of Blackboard Jungle to the backlash against disco which followed soon after the release of Saturday Night Fever. By dividing this period into five phases: The Classical American Musical Phase, The British Invasion Phase, The New Hollywood Alienation Phase, The Disco Phase and The Post Disco Conservative Phase, the book pinpoints key moments at which individual developments occurred and lays out a path of expansion in popular music function. Each chapter offers close analyses of this period's most innovative films, examines the cultural, historical, technical and industrial factors peculiar to each phase and considers the influence of these upon the specific timing of functional advances.
