The Class of '65 Jim Auchmuty, 2015-03-31 In the midst of racial strife one young man showed courage and empathy It took forty years for the others to join him Being a student at Americus High School was the worst experience of Greg Wittkamper s life Greg came from a nearby Christian commune Koinonia whose members devoutly and publicly supported racial equality When he refused to insult and attack his school s first black students in 1964 Greg was mistreated as badly as they were harassed and bullied and beaten In the summer after his senior year as racial strife in Americus and the nation reached its peak Greg left Georgia Forty one years later a dozen former classmates wrote letters to Greg asking his forgiveness and inviting him to return for a class reunion Their words opened a vein of painful memory and unresolved emotion and set him on a journey that would prove healing and saddening The Class of 65 is more than a heartbreaking story from the segregated South It is also about four of Greg s classmates David Morgan Joseph Logan Deanie Dudley and Celia Harvey who came to reconsider the attitudes they grew up with How did they change Why half a lifetime later did reaching out to the most despised boy in school matter to them This noble book reminds us that while ordinary people may acquiesce to oppression we all have the capacity to alter our outlook
