Songs From My Fathers Pockets:

Song for My Fathers Tom Sancton, 2010-04-20 *Song for My Fathers* is the story of a young white boy driven by a consuming passion to learn the music and ways of a group of aging black jazzmen in the twilight years of the segregation era. Contemporaries of Louis Armstrong, most of them had played in local obscurity until Preservation Hall launched a nationwide revival of interest in traditional jazz. They called themselves the mens and they welcomed the young apprentice into their ranks. The boy was introduced into this remarkable fellowship by his father, an eccentric Southern liberal and failed novelist whose powerful articles on race had made him one of the most effective polemicists of the early Civil Rights movement. Nurtured on his father's belief in racial equality, the aspiring clarinetist embraced the old musicians with a boundless love and admiration. The narrative unfolds against the vivid backdrop of New Orleans in the 1950s and 60s. But that magical place is more than decor; it is perhaps the central player for this story could not have taken place in any other city in the world.

Songs from My Father's Pockets Llewellyn Ivory Giles, 1982 **The Pocket Idiot's Guide to Being the Father of the Bride** Jennifer Lata Rung, 2003 From walking his daughter down the aisle to greeting guests with a smile, the father of the bride has a lot more than just finances to worry about on his daughter's big day. This handy pocket guide features everything the FOTB should know: Understanding wedding speak and bridal terms, what are those women talking about? Who pays for what? Dealing with stress and conflict. Blending families with ease. The right clothes, the right toast. Wedding day duties and more. *Davidson's Modern Song-book, or Singer's pocket companion, etc* George Henry Davidson, 1861 *This Is My Story, This Is My Song* Leonard S. Buxton, 2019-08-20 The first of two volumes to be published in *This is my Story, This is my Song*, Leonard S. Buxton recounts the first half of his engaging life and his long career in ministry. He has written a very entertaining personal account of his upbringing as the son of a fire and brimstone Evangelical preacher during the Depression, the beginnings of his political consciousness through WWII, his college life and the strict mores of the 1950s, and moving from parish to parish with his young family during the turbulent social change of the 1960s and early 1970s. As a professor of psychology at Claflin, a black university in South Carolina, Leonard recalls his activism within the church and literally in his own backyard to break down the resistance to desegregation and to support the civil rights movement. This book is filled with evocative photographs and colorful firsthand history: its joys and heartbreaks, Studebakers and VWs, the Red Sox and Yankees, teen hangouts in drugstores, music, dramatic productions, and church camping, the serious social stigma of divorce, the illegality of adultery, the scourge of polio, the loss of a child, group encounter sessions, George McGovern, Benjamin Spock, Kent State burning crosses. A man devoted to building congregations as a pastor, psychologist, parish counselor, teacher, and activist, Leonard depicts characters and narrates events with remarkable acuity. This book is a rich reflection on his experiences, written with candor and humility, and observing people and events through the kind lens of his dedication to serving others and his evolving faith as a Methodist minister. To quote one of Leonard's aspirations for this
