Feminist Companion to the Song of Songs Athalya Brenner,1993-03-01 Provides feminist approaches to the Song of Songs from leading scholars of the Hebrew Bible and feminist hermeneutics *Proverbs, Ecclesiastes, and the Song of Songs* Ellen F. Davis,2000-01-01 These books of the Bible despite their differences all treat the phenomenon of what it means to live wisely before God In this readable commentary Ellen Davis points out that the writers of these books considered wisdom and the fruits of wisdom a well ordered life and a peaceful mind to be within the grasp of anyone wholeheartedly desiring it Books in the Westminster Bible Companion series assist laity in their study of the Bible as a guide to Christian faith and practice Each volume explains the biblical book in its original historical context and explores its significance for faithful living today These books are ideal for individual study and for Bible study classes and groups *Lamentations, Song of Songs* Wilma Bailey,Christina Bucher,2015-02-09 Lamentations Song of Songs by Wilma Ann Bailey and Christina Bucher covers the full emotional register of biblical literature from the anguished sorrow songs of ancient Israel to the passionate lyric poems of lovers Wilma Bailey plumbs the interpretive depths of Lamentations including questions about authorship images of God and depiction of a community s response to exile and its development of an identity in the wake of catastrophe Christina Bucher then offers multiple perspectives on the Song of Songs and its imagery characters and allegorical and literal interpretations by readers and communities across the centuries Both scholars build sturdy theological scaffolding to help lay readers pastors and scholars understand and apply the wisdom contained by these Hebrew writings of desire and exile love and lament Volume 27 in the BCBC series About Believers Church Bible Commentary Series Accessible to lay readers useful in preaching and pastoral care helpful for Bible study groups and Sunday school teachers and academically sound the Believers Church Bible Commentary Series foregrounds an Anabaptist reading of Scripture Published for all who seek more fully to understand the original message of Scripture and its meaning for today the series is based on the conviction that God is still speaking to all who will listen and that the Holy Spirit makes the Word a living and authoritative guide for all who want to know and do God s will **Songs of Seeking and Finding** Tertius Van Dyke,2023-07-18 This collection of poems by Tertius Van Dyke explores the themes of spirituality faith and the search for meaning in life From quiet meditations on nature to rousing hymns of praise these poems offer readers a glimpse into the author s soul as he grapples with life s big questions This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you

for being an important part of keeping this knowledge alive and relevant The Song of Songs and the Eros of God Edmée Kingsmill,2009-11-26 Modern biblical scholarship interprets the Song as a collection of love lyrics For Edm e Kingsmill on the contrary the essence of the Song is mystical A principal concern of this study however is to uncover the relationship between the 117 verses of the Song and those biblical books to which they point Beneath the metaphors a network of allusions is being woven conveying a picture opposite to that we find in the prophets who confronted with the continual adultery of Israel poured forth their condemnations with unwearying passion In dramatic contrast the Song presents a paradisaal picture For lo the winter is past the rain is over and gone The flowers appear in the land and the time of singing is come Song 2 11 12 Thus in presenting the ideal the intention of the Song s author is shown to be encouragement The inclusion of this poem in the biblical canon is understood therefore to be central to the purpose of the biblical literature to bring all people to love the God of love The book is in two parts The first and longer part is concerned with themes including the relationship of the Song to the early Jewish mystical literature The second part is a short commentary intended for the reader interested in the text as much as in the related questions to which the text gives rise Exalting Jesus in Song of Songs Dr. Daniel L. Akin,2015-02-01 Led by series editors David Platt Daniel L Akin and Tony Merida this series affirms that the Bible is a Christ centered book containing a unified story of redemptive history of which Jesus is the hero It s presented as sermons making this series ideal for small group study personal devotion and even sermon preparation *A Feminist Companion to Song of Songs* Athalya Brenner-Idan,Carole Fontaine,2000-03-01 The ten essays in this volume the majority specially written engage with questions of voice whose and interplay what kind between received interpretation and resisting female reader and venture into methodological territory familiar and unfamiliar to biblical scholars including autobiographical criticism Among earlier readers invoked in these pages are Jerome Rashi and Fray Luis de LTon who brush pages with Haitian prostitutes The three sections of this fresh colourful and adventurous journey into love sex allegory and self inside the Most Sublime Song are Feminist Appropriations Specific Readings Allegories and Feminists and The Song of Songs Personalized **Biblical Theology** Andreas J. Life and Building as Portrayed in the Song of Songs Witness Lee,1994

Gender in Solomon's Song of Songs Alastair Ian Haines,2016-12-14 The thesis shows that the Song of Songs can be read as a circular sequence of sub poems that follow logically from one another if they are understood as contributing to two main points made in a woman s voice The woman urges men to take romantic initiative to be committed exclusively and for life and urges women three times to wait until they are approached by such men If this reading is the best explanation of the text of the Song then the Song is a unified work centered on a woman singing about human romantic love from a woman s perspective

Song of Songs: An Introduction and Study Guide J. Cheryl Exum, 2022-07-14 The Song of Songs also known as the Song of Solomon is an unusual book to find in the Bible As the Bible's only love poem the Song offers a unique picture of relations between the sexes in biblical times Unlike other biblical books it consists entirely of dialogue It looks at love from both a woman's and a man's point of view and shows the reader what love is like exclusively through what lovers say about it There are few issues in Song of Songs interpretation that are not open to debate which makes it a fascinating book to study In this Guide Cheryl Exum provides a concise survey of the principal questions encountered in Song of Songs scholarship She also takes the discussion beyond the traditional research questions to introduce readers to new and ongoing areas in Song of Songs research Bibliographies and suggestions for further reading at the end of each chapter provide additional resources for readers interested in pursuing specific topics and exploring new directions in the study of the Song of Songs
