Selling Antislavery Teresa A. Goddu, 2020-04-10 Beginning with its establishment in the early 1830s the American Anti Slavery Society AASS recognized the need to reach and consolidate a diverse and increasingly segmented audience To do so it produced a wide array of print material and visual media almanacs and slave narratives pincushions and gift books broadsides and panoramas Building on the distinctive practices of British antislavery and evangelical reform movements the AASS utilized innovative business strategies to market its productions and developed a centralized distribution system to circulate them widely In *Selling Antislavery* Teresa A Goddu shows how the AASS operated at the forefront of a new culture industry and by framing its media as cultural commodities made antislavery sentiments an integral part of an emerging middle class identity She contends that although the AASS's dominance waned after 1840 as the organization splintered it nevertheless created one of the first national mass markets Goddu maps this extensive media culture focusing in particular on the material produced by AASS in the decade of the 1830s She considers how the dissemination of its texts objects and tactics was facilitated by the quasi corporate and centralized character of the organization during this period and demonstrates how its institutional presence remained important to the progress of the larger movement Exploring antislavery's vast archive and explicating its messages she emphasizes both the discursive and material aspects of antislavery's appeal providing a richly textured history of the movement through its artifacts and the modes of circulation it put into place Featuring more than seventy five illustrations *Selling Antislavery* offers a thorough case study of the role of reform movements in the rise of mass media and argues for abolition's central importance to the shaping of antebellum middle class culture

Love, Liberation, and Escaping Slavery Barbara McCaskill, 2015-05-15 The spectacular 1848 escape of William and Ellen Craft 1824 1900 1826 1891 from slavery in Macon Georgia is a dramatic story in the annals of American history Ellen who could pass for white disguised herself as a gentleman slaveholder William accompanied her as his master's

devoted slave valet both traveled openly by train steamship and carriage to arrive in free Philadelphia on Christmas Day In Love Liberation and Escaping Slavery Barbara McCaskill revisits this dual escape and examines the collaborations and partnerships that characterized the Crafts activism for the next thirty years in Boston where they were on the run again after the passage of the 1850 Fugitive Slave Law in England and in Reconstruction era Georgia McCaskill also provides a close reading of the Crafts only book their memoir Running a Thousand Miles for Freedom published in 1860 Yet as this study of key moments in the Crafts public lives argues the early print archive newspapers periodicals pamphlets legal documents fills gaps in their story by providing insight into how they navigated the challenges of freedom as reformers and educators and it discloses the transatlantic British and American audiences changing reactions to them By discussing such events as the 1878 court case that placed William s character and reputation on trial this book also invites readers to reconsider the Crafts triumphal story as one that is messy unresolved and bittersweet An important episode in African American literature history and culture this will be essential reading for teachers and students of the slave narrative genre and the transatlantic antislavery movement and for researchers investigating early American print culture Songs of Slavery and Emancipation

Mat Callahan,2022-05-23 Throughout the history of slavery enslaved people organized resistance escape and rebellion Sustaining them in this struggle was their music some examples of which are sung to this day While the existence of slave songs especially spirituals is well known their character is often misunderstood Slave songs were not only lamentations of suffering or distractions from a life of misery Some songs openly called for liberty and revolution celebrating such heroes as Gabriel Prosser and Nat Turner and especially celebrating the Haitian Revolution The fight for freedom also included fugitive slaves free Black people and their white allies who brought forth a set of songs that were once widely disseminated but are now largely forgotten the songs of the abolitionists Often composed by fugitive slaves and free Black people and first appearing in the eighteenth century these songs continued to be written and sung until the Civil War As the movement expanded abolitionists even published song books used at public meetings Mat Callahan presents recently discovered songs composed by enslaved people explicitly calling for resistance to slavery some originating as early as 1784 and others as late as the Civil War He also presents long lost songs of the abolitionist movement some written by fugitive slaves and free Black people challenging common misconceptions of abolitionism Songs of Slavery and Emancipation features the lyrics of fifteen slave songs and fifteen abolitionist songs placing them in proper historical context and making them available again to the general public These songs not only express outrage at slavery but call for militant resistance and destruction of the slave system There can be no doubt as to their purpose the abolition of slavery the emancipation of African American people and a clear and undeniable demand for equality and justice for all humanity **The Quarterly Anti-slavery Magazine** ,1836

Proceedings of the American Anti-slavery Society American Anti-Slavery Society,1864
