Peacock,2023-02-02 Idioms and idiomatic language are as real to the messages of holy scripture as are prophecies and parables Idioms are words and phrases that express more than the actual words themselves They paint mental or emotional images that bring events or feelings to the present quickly and with intensity Like a cultural shorthand they can describe things without using lengthy explanations On the other hand idioms can be meaningless and misleading if the reader has no experience with the culture and language from which the idioms originated Mistranslation and cultural differences both contribute to the misinterpretation of many scriptural idioms Phrases such as gird up your loins and salt of the earth will lose their intended effect if they are taken only literally In these pages George M Peacock explains exactly what idioms are how to identify them and how learning their meaning can add to your understanding of the scriptures and their messages Unlocking the Idioms will help bring you insight and knowledge as you feast upon the words of the Lord **NIV, Foundation Study Bible** Zondervan,2016-01-26 The key features of a study Bible in a convenient compact and concise form The NIV Foundation Study Bible in the world s most popular modern English Bible translation the New International Version features an approachable and easy to use layout with straightforward and broad study notes that help you discover the beauty and truth of God s Word Concise study notes provide helpful comments on passages of Scripture while theological notes draw attention to important doctrinal content in the Bible and are indexed in the back of the Bible Translators footnotes offer clarification and information about the original language texts Intended for both beginning and experienced students of Scripture who want a Bible that contains the key features of a study Bible in a convenient compact and concise form the NIV Foundation Study Bible is perfect for students church leaders and homeschool use Features Complete text of

history do we see giants Were they all evil Dr Harry Assad Salem III has provided a wealth of knowledge that will leave you wanting to know more with each turn of the page You will see scripture come alive in ways never before shown You will see science medicine history anthropology and archaeology connect to scripture as you never have before The world is a much bigger place when you just open your eyes and look at it Dr Salem hopes to open your eyes in Age of Mystery *The Amplified Study Bible* Zondervan,2017-02-21 Grasp the full meaning behind the original Greek and Hebrew texts with the first of its kind Amplified Study Bible featuring verse by verse study notes and the text of the newly revised Amplified translation The Amplified translation was created to deliver enhanced understanding of the rich nuances and shades of meaning of the original Bible languages For this kind of study no working knowledge of Greek or Hebrew is required just a desire to know more about what God says in his Word Now the updated Amplified translation is even easier to read and better than ever to study and understand It includes more amplification in the Old Testament and refined amplification in the New Testament Additionally the Bible text has been improved to read smoothly with or without amplifications so that the text may be read either way It s the same study material that Amplified readers love now with even clearer wording for deeper understanding A unique system of punctuation italics references and synonyms to unlock subtle shades of meaning as found in the original languages More than 5000 concise study notes provide helpful practical application oriented comments on passages of Scripture and open the Word for readers to apply it to life 330 practical theological notes draw attention to important doctrinal content in the Bible and explain how to apply it every day Book introductions give background information about each of the Bible s 66 Books A topical index provides an alphabetical listing of key words and study topics and their related passages 10 5 point type size *NKJV, Foundation Study Bible* Thomas Nelson,2015-09-01 The perfect foundation for Bible study and the Christian life Build your life on it The Foundation Study Bible is a thorough portable and affordable Bible for students of God s Word at any level It has the most important helps for basic study whether you re just beginning or brushing up on essentials Features include Trustworthy NKJV text Cross references and translators notes Verse by verse study notes and theological notes Words of Jesus in red Index Concordance Full color Bible maps Part of the Signature Series line of Thomas Nelson Bibles The New King James Version More than 60 million copies sold *Sons of God Daughters of Men* Edward F Malkowski,2015-09-03 *Sons of God Daughters of Men* is a history book written for a general audience It inherits it s title from the peculiar introduction to the story of Noah s flood in the 6th chapter of the biblical Genesis where the sons of God saw that the daughters of men were beautiful and took them as wives There they are described as heroes of old and men of renown supposedly at a time when mankind was just created eight generations before Noah This rather eerie reference to seemingly divine men has been for myself a continuous source of curiosity If they were so famous why then are there no other writings of their acts and deeds And why were their offspring and descendents referred to as giants Never having obtained a plausible answer from anyone I contend that something significant happened a very

long time ago And whatever happened was hidden or lost during subsequent generations The intriguing part is that traces of their existence made their way into the most popular book in the history of civilization Sons of God Daughters of Men is about history and not theology although it is difficult not to mention and discuss various theological ideas and trends It is about setting aside any preconceived ideas and doctrinal notions recovering the prehistory from the earliest chapters of Genesis and placing them in their proper context This book s intent is to reveal the historical facts behind the stories There is abundant archeological evidence concerning the prehistory of man And although its interpretations are often debated among the scientists themselves their factual basis is irrefutable If the Bible in general is historically accurate then it s earliest stories must agree with the archeological and other historical sources Human events in ancient history did not occur in a vacuum and therefore are not without an historical context Sons of God Daughters of Men hunts through the pages of history in search of facts in an attempt to establish Genesis as a far more believable and literal text than anyone s wildest dreams Our search begins in 19th century America when settlers moving into the Ohio River Valley unearthed the remains of a forgotten civilization a society where giants lived among men and a culture that encompassed the vast eastern territories of North America For their posterity numerous county histories and eventually the United States Geological Survey documented the events of this almost forgotten chapter in U S history We follow the historical evidence of giants back to ancient Israel and the legendary King David to Joshua and the conquest of Canaan then to Abraham and his flight from the Sumerian City of Ur and finally to Noah his great grandfather Enoch and the antediluvian world of Genesis where a clash of cultures sparked the most famous fable of all With scientific and historical evidence cast in complementary light we can see fact in myth and reveal the truth behind Adam Eve and the serpent in the Garden of Eden We also discover the culture of long forgotten people the true progenitors of civilization whose origins reach back 40 000 years Human culture has had a long history of conflict and order Those who succeed tell their story almost always as the only story It is cliché but true history is written by the victor Nations societies movements and ideas that failed somewhere along the way are often depicted as inhuman or evil and in most cases were probably neither Their vain struggle offers valuable insight into our past and own way of thinking To truly understand the triumphant we must also understand the defeated Sons of God Daughters of Men does not find its answers in angels demons or extra terrestrials only history and the mountain of evidence produced through 150 years of archeology anthropology and comparative mythology
