Sophocles Women Of Trachis

Sophocles

Sophocles Women Of Trachis:

Women of Trachis Sophocles, 2021-03-03 A new translation of Sophocles's Greek tragedy suitable for a modern audience Women of Trachis Sophocles, Ezra Pound, 1985 For Ezra Pound Sophocles' *Women of Trachis* represented the highest peak of Greek sensibility registered in any of the plays that have come down to us Nothing rhetorical nothing long winded survives in Pound's tragedy of Heracles His language is lit with lights long extinguished in the traditionally ornate and airless verse translations With no mincing poetry speeds tragedy down its course to disaster Pound's version of *Women of Trachis* was first published by New Directions in 1957 Some twenty years earlier in 1938 Pound had complained that there were no translations of these plays that an aware man can read without deadly boredom He himself as it turned out supplied the remedy his *Women of Trachis* brings Sophocles into the world of the living The Women of Trachis Sophocles, 2014-10-12 The *Women of Trachis* named for the Trachinian women who make up the chorus dramatizes Deianeira's accidentally killing Heracles after he had completed his famous twelve labors Tricked into thinking it is a love charm Deianeira applies poison to an article of Heracles clothing this poisoned robe causes Heracles to die an excruciating death Upon learning the truth Deianeira commits suicide **A Study Guide for Sophocles's "Women of Trachis: Trachiniae"** Gale, Cengage Learning, 2016 A Study Guide for Sophocles's *Women of Trachis Trachiniae* excerpted from Gale's acclaimed *Drama For Students* This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust *Drama For Students* for all of your research needs Sophocles: Women of Trachis Brad Levett, 2004-08-27 Sophocles' *Women of Trachis* tells the tragic tale of Heracles' return home from his labours This companion to the play provides the social and historical background and employs a number of critical approaches to interpret the major thematic and dramatic issues of the play The Trachinian Tragedy Sophocles, 2012-02-07 In the *Trachinian Tragedy* better known as the *Women of Trachis* the wife of Heracles Deianeira finds she has a rival in the house for her husband's affection The consequences of her counteraction are incredible In this faithful translation F L Light attempts to write as good a play in English as the original in Greek F L Light has also translated the *Antigone* of Sophocles It is always gratifying it elevates the human spirit to see one of our fellows set his aim unbelievably high and incredibly hit the mark David Madgalene bilingual author of *I Hear A Journeyman Singing* and many other books of verse Light has blended very well the traditions of Shakespeare Homer and the English language sonnet without erring on the side of pretense The language is high direct and modern I'm thrilled with these Zachary Bos editor of *Sixty Six* a journal of sonnet studies **Sophocles** Sophocles, 1954 Sophocles' Women of Trachis Sophocles, 1976 Sophocles: Trachiniae Sophocles, 1982-10-28 Greek text with introduction and full commentary **Sophocles: Women of Trachis** Ezra Pound, 1969 The Trachiniae Sophocles, 2025-03-31T01:55:50Z The *Trachiniae* is one of Sophocles' lesser known plays yet it remains a powerful exploration of fate suffering and human fallibility Though its

exact date of composition is uncertain scholars often place it later in the playwright's career possibly between 450 and 425 BCE The play's title refers to the women of Trachis the chorus who witness and reflect on the unfolding catastrophe The play begins with Deianeira wife of the absent hero Heracles expressing her fears about his long absence and possible infidelity Her anxieties are confirmed when she learns that Heracles has sacked a city to claim the young princess Iole as his concubine Desperate to regain his love Deianeira sends Heracles a robe anointed with what she believes is a love charm a potion given to her years earlier by the dying centaur Nessus who deceitfully claimed it would ensure Heracles fidelity But unbeknownst to her the potion is actually a deadly poison that sears Heracles' flesh subjecting him to unbearable agony This book is part of the Standard Ebooks project which produces free public domain ebooks **Murder at Jagged Rock** Sophocles, 2015 Cheshire has set *Women of Trachis* deep in the territory of American myth the Wild West With its harsh landscapes and larger than life heroes it is a world both familiar and distant a world that still resonates within the American psyche Imagine Sophocles as an American storyteller using the stylized cowboy lingo of that realm to convey elemental feelings of love and loss For all of us who love a good yarn the grandeur and the grit of the Wild West are sure to strike close to the bone Says Kenneth J Reckford I was first shocked then moved and delighted by Keyne Cheshire's translation of Sophocles' *Trachinian Women* into an American vernacular and Wild West setting Its clear simple yet poetic and rhythmical speeches propel the reader forward and deeper into Sophocles' tragedy while the choral odes give voice to lastingly powerful feelings of hope and fear spiritual exultation and earth bound sadness and pain A beautiful and very disturbing play whether in Athens or America it is well re-created here as a modern day script just begging to be performed **Studies on the Text of Sophocles** R.D. Dawe, 2023-11-13 **A Study Guide for Sophocles's "Women of Trachis"** Cengage Learning Gale, 2017-07-25 A Study Guide for Sophocles's *Women of Trachis* *Trachiniae* excerpted from Gale's acclaimed *Drama For Students* This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust *Drama For Students* for all of your research needs **Sophocles II** Sophocles, 2013-04-19 Sophocles II contains the plays *Ajax* translated by John Moore *The Women of Trachis* translated by Michael Jameson *Electra* translated by David Grene *Philoctetes* translated by David Grene and *The Trackers* translated by Mark Griffith Many years ago the University of Chicago Press undertook a momentous project a new translation of the Greek tragedies that would be the ultimate resource for teachers students and readers They succeeded Under the expert management of eminent classicists David Grene and Richmond Lattimore those translations combined accuracy poetic immediacy and clarity of presentation to render the surviving masterpieces of Aeschylus Sophocles and Euripides in an English so lively and compelling that they remain the standard translations The updated third editions of these classic works were designed to ensure that our Greek tragedies remain the leading English language versions throughout the twenty first century In this highly anticipated third edition Mark Griffith and Glenn W Most have carefully

updated the translations to bring them even closer to the ancient Greek while retaining the vibrancy for which our English versions are famous This edition also includes brand new translations of Euripides Medea The Children of Heracles Andromache and Iphigenia among the Taurians fragments of lost plays by Aeschylus and the surviving portion of Sophocles s satyr drama The Trackers New introductions for each play offer essential information about its first production plot and reception in antiquity and beyond In addition each volume includes an introduction to the life and work of its tragedian as well as notes addressing textual uncertainties and a glossary of names and places mentioned in the plays In addition to the new content the volumes have been reorganized both within and between volumes to reflect the most up to date scholarship on the order in which the plays were originally written The result is a set of handsome paperbacks destined to introduce new generations of readers to these foundational works of Western drama art and life

The Life of Women in Ancient Athens Joseph R. Laurin, 2013-01-02 About the Image on the Front Cover This image is one the most endearing of all the sculptures made during the Classical Period of Athens It shows a husband and wife whose names inscribed above their heads are Philoxenos dressed in the uniform of a hoplite one of many foot soldiers fighting in phalanx formation wearing a metal helmet breastplate short tunic called exomis and sandals and holding a shield on his left arm and Philoumene his wife wearing a long robe called peplos flowing down yet attached at the waist with her hair in a snood and elevated shoes The pose is classic standing straight in serene elegance one knee bent as if they were ready to walk away from each other They gaze at each other for a tender and sad farewell and shake hands to express their mutual love and loyalty This scene is carved in relief on a grave stele made of marble white with a hue of grey from a quarry on the south side of Mount Pentelikon about ten miles northeast of Athens It may have been painted originally but the paint has disappeared The dimensions are 102 2 cm 40 in in height 44 5 cm 17 in in width and 16 5 cm 6 in in depth It is dated of about 400 BCE during the return to normal life in Athens after the end of the Peloponnesian War in 404 BCE The timing may indicate that the tribute was from the wife to her husband killed in action and for this reason that the gravestone was paid for by her wealthy family This image is reproduced here from the J Paul Getty Museum Villa Collection Malibu California 83 AA 378 See the Museums Handbook of the Antiquities Collection p 22 <http://www.greekancienthistory.com>

The Trachinian Maidens Sophocles, 2015-08-24 The Trachinian Maidens also Women of Trachis or The Trachiniae is an Athenian tragedy by Sophocles in which Deianeira the wife of Heracles is distraught over her husband s neglect of her family Unable to cope with the thought of losing him she decides to use a love charm on him a magic potion that will win him back

The Other Four Plays of Sophocles Sophocles, 2013-12-15 Famed translator David Slavitt lends his distinctly contemporary voice to four lesser known plays of Sophocles There are seven surviving tragedies by Sophocles Three of them form the Theban Plays which recount the story of Thebes during and after the reign of Oedipus Here David Slavitt translates the remaining tragedies the other four plays Ajax Women of Trachis Electra and Philoctetes Punchy and entertaining Slavitt reads Athena s opening line in Ajax as I ve got my

eye on you Odysseus Always By simplifying the Greek and making obscure designations more accessible specifying the character Athena in place of aegis wearing goddess for example his translations are highly performable The Other Four Plays of Sophocles will help students discover underlying thematic connections across plays as well Praise for David R Slavitt Slavitt s translation is lively and sometimes witty Times Literary Supplement reviewing Slavitt s translation of Seneca The best version of Ovid s Metamorphoses available in English today It is readable alive at times slangy and actually catches Ovid s tone Philadelphia Inquirer reviewing Slavitt s translation of The Metamorphoses of Ovid Slavitt s ability is clearly in evidence These translations are rendered in lucid contemporary English bringing before us the atrocities horrors and grotesqueries of Imperial Rome Classical Outlook reviewing Slavitt s translation of Seneca Excellent translations that suit the ear and strengthen the feeble spirit of the time One will do well to read these hymns these poems and find nourishment in them in Slavitt s translations Anglican Theological Review reviewing Slavitt s translation of Hymns of Prudentius

Trachiniae Sophocles,1991 Sophocles Trachiniae has traditionally been his least popular play but it is now generally agreed that its tragic vision of life is perfectly compatible with that of his other dramas The introduction to this important new commentary deals with the play s merits the question of its unity its treatment of the hero Heracles the story s pre Sophoclean tradition and the evidence of contemporary art Much of the commentary itself is devoted to textual problems that arise from the frequently corrupt and uncertain text as well as wider issues of interpretation Women of Trachis [in, Electra and Other Plays: Ajax: Electra: Women of Trachis: Philoctetes: Translated by E. F. Watling] (Penguin Classics). ,2008

This book delves into Sophocles Women Of Trachis. Sophocles Women Of Trachis is a vital topic that must be grasped by everyone, ranging from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into Sophocles Women Of Trachis, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:

- Chapter 1: Introduction to Sophocles Women Of Trachis
- Chapter 2: Essential Elements of Sophocles Women Of Trachis
- Chapter 3: Sophocles Women Of Trachis in Everyday Life
- Chapter 4: Sophocles Women Of Trachis in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, the author will provide an overview of Sophocles Women Of Trachis. The first chapter will explore what Sophocles Women Of Trachis is, why Sophocles Women Of Trachis is vital, and how to effectively learn about Sophocles Women Of Trachis.
3. In chapter 2, this book will delve into the foundational concepts of Sophocles Women Of Trachis. The second chapter will elucidate the essential principles that must be understood to grasp Sophocles Women Of Trachis in its entirety.
4. In chapter 3, this book will examine the practical applications of Sophocles Women Of Trachis in daily life. This chapter will showcase real-world examples of how Sophocles Women Of Trachis can be effectively utilized in everyday scenarios.
5. In chapter 4, this book will scrutinize the relevance of Sophocles Women Of Trachis in specific contexts. The fourth chapter will explore how Sophocles Women Of Trachis is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, this book will draw a conclusion about Sophocles Women Of Trachis. This chapter will summarize the key points that have been discussed throughout the book.

This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly recommended for anyone seeking to gain a comprehensive understanding of Sophocles Women Of Trachis.
