Sor Juana S Love Poems:

Sor Juana's Love Poems Sor Juana Ines De La Cruz, 2003-07-01 These exquisite love poems some of them clearly addressed to women were written by the visionary and passionate genius of Mexican letters the seventeenth century nun Sor Juana In s de la Cruz In this volume they are translated into the idiom of our own time by poets Joan Larkin and Jaime Manrique Some of them are rooted in Renaissance courtly conventions others are startlingly ahead of their time seemingly modern in the naked power of the complex sexual feelings they address

Early Modern Women's Writing and Sor Juana Inés de la Cruz Stephanie Merrim, 1999 This book maps the field of seventeenth century women s writing in Spanish English and French and situates the work of Sor Juana more clearly within that field It holds up the multi layered proto feminist writings of Sor Juana as a meaningful lens through which to focus the literary production of her female contemporaries Merrim s book advances the integration of Hispanic women authors and women s issues into the panorama of early modern women s writing and opens up unexplored commonalities between Sor Juana and her sister writers Early modern women writers whose works are explored include Marie de Gournay Margaret Fell Fox Catalina de Erauso Maria de Zayas Ana Caro Mme de Lafayette Anne Bradstreet St Teresa and Margaret Lucas Cavendish Merrim s study provides a full bodied picture of the resources that the cultural and historical climates of the seventeenth century placed at the disposal of women writers the manners in which women writers instrumentalized them the building blocks and concerns of early modern women s writing and the continuities between early modern and modern women s writing Written in an engaging clear manner this innovative study will be of interest not only to Hispanists but also to scholars in early modern studies women s studies history and comparative literature

Dark Brilliance Paul Strathern,2025-01-07 A sweeping history of The Age of Reason revealing how although it was a time of great progress it was also an era of brutality and intolerance with a very human cost During the 1600s between the end of the Renaissance and the start of the Enlightenment Europe lived through an era known as The Age of Reason This was a revolutionary period that saw great advances in areas such as art science philosophy political theory and economics However all this was accomplished against a background of extreme political turbulence on a continental scale in the form of internal conflicts and international wars Indeed the Age of Reason itself was born at the same time as the Thirty Years War which would devastate central Europe to an extent that would not be experienced again until World War I This period also saw the development of European empires across the world as well as a lucrative new transatlantic commerce that brought transformative riches to Western European society However there was a dark underside to this brilliant wealth it was dependent upon human slavery By exploring all the key events and bringing to life some of the most influential characters of the era including Caravaggio Rembrandt Newton Descartes Spinoza Louis XIV and Charles I acclaimed historian Paul Strathern tells the vivid story of this paradoxical age while also exploring the painful cost of creating the progress and modernity upon which the Western world was built **The 100 Most Influential Writers of All Time** J.
