Twentieth-century Italian Literature in English Translation Robin Healey, 1998-01-01 This bibliography lists English language translations of twentieth century Italian literature published chiefly in book form between 1929 and 1997 encompassing fiction poetry plays screenplays librettos journals and diaries and correspondence *Tuscan Spaces* Silvia M. Ross, 2010-05-01 An important locus for English speaking writers the region of Tuscany is also well represented in the Italian literary canon In *Tuscan Spaces* Silvia Ross focuses on constructions of Tuscany in twentieth century Italian literature and juxtaposes them with English prose works by such authors as E M Forster and Frances Mayes to expose the complexity of literary representation centred on a single milieu Ross uses the works of writers such as Federigo Tozzi Aldo Palazzeschi Vasco Pratolini and Elena Gianini Belotti to seek out alternative visions of Tuscan space and emphasizes that each author fashions the region in a manner which reflects their personal poetics background and experiences Theories of cultural geography space travel and narrative contribute to Ross s consideration of the dualisms commonly employed in writings about Tuscany such as country city nature culture female male and self other all of which are in turn affected by her interrogation of the local foreign opposition that underlies the study as a whole **Encyclopedia of Italian Literary Studies: A-J** Gaetana Marrone, 2007 Publisher description Encyclopedia of Italian Literary Studies Gaetana Marrone, Paolo Puppa, 2006-12-26 The Encyclopedia of Italian Literary Studies is a two volume reference book containing some 600 entries on all aspects of Italian literary culture It includes analytical essays on authors and works from the most important figures of Italian literature to little known authors and works that are influential to the field The Encyclopedia is distinguished by substantial articles on critics themes genres schools historical surveys and other topics related to the overall subject of Italian literary studies The Encyclopedia also includes writers and subjects of contemporary interest such as those relating to journalism film media children s literature food and vernacular literatures Entries consist of an essay on the topic and a bibliographic portion listing works for further reading and in the case of entries on individuals a brief biographical paragraph and list of works by the person It will be useful to people without specialized knowledge of Italian literature as well as to scholars **Italian Film** Marcia Landy, 2000-04-13 Examines the extraordinary cinematic tradition of Italy from the silent era to the present *Antonio Pietrangeli, The Director of Women* Emma Katherine Van Ness, 2020-04-30 One of the founding fathers of neorealism in the postwar period in Italy Antonio Pietrangeli went on to focus his lens upon the female subject Eight of his ten full length films feature female protagonists This study seeks to better understand both his achievements and his failings as a feminist auteur as well as analyse his films by applying new critical and theoretical approaches Pietrangeli s representations of women struggling with questions of identity was a revolutionary act in the 1950s and 1960s The book makes a case why we should recuperate these films today since the standards for representing women in film continue to fall behind the reality of women s lives off screen **Charakterbilder** Angela Fabris, Willi Jung, 2012

from Rome Open City to Bicycle Thieves Although some neorealist film makers would have preferred to abolish stars altogether the public adored them and producers needed their help in relaunching the national film industry This book explores the many conflicts that arose in Italy between 1945 and 1953 over stars and stardom offering intimate studies of the careers of both well known and less familiar figures shedding new light on the close relationship forged between cinema and society during a time of political transition and shifting national identities Tennessee Williams and Europe John S. Bak, 2014-09-01 Tennessee Williams and Europe Intercultural Encounters Transatlantic Exchanges documents the bi directional exchange of ideas and images between Williams and post war Europe that have altered the artistic landscapes of both continents Fifteen Williams scholars from around the world examine this artistic symbiosis and explore avenues of research mostly uncharted in Williams scholarship to date including our understanding of the early Williams and the uses he made of various European sources in his theatre the late Williams and the promise European theatre afforded him with his experimental plays and the posthumous Williams and his influence on late twentieth and early twenty first century European theatre and cinema To some extent both a product of and a muse for Europe over the last half century Williams is well positioned to become America's most famous playwright on the international stage This book hopes to mark the beginnings of Williams rich critical tradition within that global context **Fascism in Film** Marcia Landy, 2014-07-14 Through her study of the narrative themes and strategies of Italian commercial sound films of the fascist era Marcia Landy shows that cultural life under fascism was not monopolized by official propaganda Originally published in 1986 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *A Tournament of Misfits* Aldo Palazzeschi, 2005-12-15 Aldo Palazzeschi 1885 1974 is arguably the major twentieth century Italian writer who has been most neglected by the English speaking world Born in Florence and trained as an actor Palazzeschi ranks high as a poet and fiction writer in his homeland His work which attempts to recreate the experience of a spectator watching and listening to a character on stage won him the praise of F T Marinetti the founder of Italian futurism who enrolled the young poet in his avant garde coterie despite the fact that stylistically Palazzeschi's work had little in common with futurism *A Tournament of Misfits* brings together a selection of Palazzeschi's short fiction for the first time in English Through clear and fluid translations Nicolas J Perella demonstrates Palazzeschi's use of laughter to debunk social and literary myths As a social being Palazzeschi felt himself a deviant but he was saved from a self destructive bitterness by his capacity for irony which he often directed at himself as well as at others Yet it would be a mistake not to see the desperate yearning for liberation from society's rigid code behind the irony and the fun in Palazzeschi's work With this

translation Perella brings Palazzeschi to life for a new audience to appreciate **PHILOLOGY, CONCEPTS OF EUROPEAN LITERATURE** Andreas Sofroniou, 2013-07-17 Language Learning in Academic Museums Heather Flaherty, Jodi Kovach, 2023-05-08 This book is a compilation of case studies and analyses that can be used as a resource guide for college and university professors of foreign language and academic museum educators collaborating to develop new pedagogical approaches to teaching foreign language with and through objects in the academic museum As institutions of higher education respond to the needs of an increasingly global and interconnected world their educational missions prioritize learning in areas such as interdisciplinary thinking collaboration intercultural competency and global citizenship Academic museums are uniquely poised to facilitate learning experiences in these areas providing institutions with an essential platform for realizing their larger mission *Thinking Italian Animals* D.
