The Best American Short Plays 2012-2013 William W. Demastes,2014-06-01 Applause Books For over 70 years The Best American Short Plays has been the standard of excellence for one act plays in America From its inception it has identified cutting edge playwrights who have gone on to establish award winning careers including Tennessee Williams Edward Albee and more In this volume the plays capture the struggle between hot tempers and cold decrees Humans love to think of themselves as rational beings well in control of their lives and surroundings from sunup to sundown sundown to sunrise We learn to follow rules of proper behavior and more than happily issue out advice to our friends who just can t get a handle on themselves Restraint and order after all are the cornerstones of human society and civilization The problem is that human nature bucks and bristles at every attempt to socialize and civilize Shakespeare got it right when he penned the observation The brain may devise laws for the blood but a hot temper leaps o er a cold decree In those few words he has managed to capture precisely why it is so difficult to be human if it were okay simply to let our hot tempers prevail life would be so much easier But cold decrees are what prevent us from self destruction and so we endure the struggle

unravel amid the audiences s laughter You may even recognize these rude playgoers as the obnoxious people who sometimes sit behind you This comedy with bite can be simply staged with a single set four adjacent theatre seats or it can be enhanced with an abbreviated mimed version of Hamlet that provides six additional non speaking roles In this version the audience sees but does not hear Hamlet and hears but does not see the Lockers and the Paces Publisher s note *Dancing the Box Step* Kent R. That's Not What I Heard! Dennison G. Rice,2016-02-25 Its always about change and the futility of depending on people and circumstances not to change We take cold comfort in relying on maxims which insist that change can be controlled over time everything is supposed to get easier it doesnt small words are the easiest to understand they never are and hard work always pays off in the end rarely You may recall a time when you made a major decision worked through a difference of opinion or learned from others mistakes These stories and plays are a catalog of people in transition and a reminder that the questions in life never change but the answers are always different *Snuff and Temperance* Paul Harrison,2015-03-17 From the riotous trauma of the town s darkest hours in 1919 to the tribulations at one of the UK s first salsa clubs these stories explore the lives of Lutonians past and present This is an eclectic look at a much maligned corner of Bedfordshire and beyond with themes of travel protest and identity While some Lutonians have left and returned eccentric Walter Greer remains embedded in his town of petrol and lace searching for Snuff and Temperance in streets where excess and piety still co exist amongst the diversity of twenty first century Britain In the final longer story Homage to Far Cawley Knoll the lives of disparate Lutonians we have already met are plaited together in dramatic interplay as we follow Eamonn Doherty s desperate plight set against the backdrop of the bitterly cold winter of 2013

T.L. Newnes,2025-05-16 Too often honour becomes a weapon cloaked in tradition Across time and cultures it has been invoked to justify violence hatred and prejudice In this collection seven poignant stories unravel the ways this noble ideal has been distorted revealing the cost of honour gone awry From the blood stained battlegrounds of 13th century England to the caste divides and religious conflicts of modern day India these stories span continents and centuries Forbidden love Condemned identities Shattered lives All in the name of upholding family race class or faith But amid the darkness hope flickers Young voices rise and courage begins to dismantle centuries of prejudice THE DARK SIDE OF HONOUR is a powerful unflinching collection that challenges readers to rethink what honour truly means and what it should never become
