Casarella, 2006-03-29 The thought of Nicholas of Cusa 1401 1464 draws upon a rich heritage of ancient medieval and Renaissance traditions and ties these traditions together into a synthesis that continues to evoke new ideas in philosophy theology aesthetics history political theory and the philosophy of science This volume offers a detailed historical background to Cusanus's thinking while also

assaying his significance for the present. It brings together major contributions from the English speaking world as well as voices from Europe. Each essay represents a fresh new perspective on Cusanus, the cardinal philosopher, theologian, political theorist, mathematician, and humanist from the fifteenth century. The collection encompasses four kinds of research on Cusanus. One approach focuses on the ancient and medieval tradition of which Nicholas saw himself to be a part. A second mode of inquiry looks at particular ideas or texts of Cusanus in their own right. A third method treats Cusanus in terms of his relationship to other thinkers of the fifteenth century. Finally, a fourth perspective opens the door to a contemporary retrieval of Cusanus's thought. Never before have so many disciplinary perspectives been collected together in a single volume on Nicholas of Cusa. The diverse voices of the volume are thus attuned to the multifaceted heritage of the thinker of the fifteenth century but speak in a compelling way for the need to reconsider his novel integration of thought today. The book will appeal not only to specialists in the thought of Cusanus but also to individuals who are interested in learning how the personal and intellectual legacy of a German cardinal from the fifteenth century can still provoke so much interest among a global community of scholars today.

ABOUT THE EDITOR Peter J. Casarella is associate professor of systematic theology at The Catholic University of America. He is the author of several books and articles including *Word as Bread: Language and Theology in Nicholas of Cusa* (forthcoming).

THE CONTRIBUTORS Elizabeth Briant, Peter Casarella, Louis Dupré, Wilhelm Dupré, Walter Andreas Euler, Karsten Harries, Jasper Hopkins, Nancy Hudson, Regine Kather, Il Kim, Bernard McGinn, Cary J. Nederman, Thomas Priggl, Paul E. Sigmund, Frank Tobin, and Morimichi Watanabe.

PRAISE FOR THE BOOK This is a very rich collection of papers which portray and analyze Nicholas of Cusa as mystic, philosopher, politician, aesthete, and natural scientist. They excellently communicate both the versatility and the underlying coherence of Nicholas's magisterial work. Peter Casarella and his contributors have given us an important publication which is to be warmly recommended not only for those with interests in the late medieval world but also for those who wish to discover in the past vital resources for the formation of the present. Oliver Davies, King's College London.

Peter Casarella and the contributors have presented a book which leads to many fundamentally convincing aspects of the legacy of learned ignorance. Harald Schwaetzer, *The Medieval Review*.

The editor of this volume, Peter Casarella, has organized a collection of papers rooted in a panoply of viewpoints, presuppositions, and fields of inquiry which when gathered together much like the Tegernsee monks gathered around the icon of Christ in Cusa's classic *De visione Dei*, works to supplement, enrich, and augment what otherwise would be more impoverished perspectives. In this way, the collection authentically represents the Cusan legacy, demonstrating the importance and enduring relevance of Cusa's conjectures in various fields. The essays in this collection demonstrate a significant advance in Cusan scholarship. The quality of research represented in these essays helps bend the branches that the fruit may be.

Kundalini: Evolving State of Soul- Energetics Kara Otel, 2022-05-03

Kundalini is the evolving state of our soul, the pathway we all go through, whether we are plants, animals, or

humanity stillness or whatever form All need to evolve otherwise there is no forwardness This is the cycle of life the wheel of fortune Where we have to understand when we need to let go of the old to enter the new forwardness Never be afraid of forwardness this is how we evolve

Meditation and Kabbalah Aryeh Kaplan,1995-01-01 The Kabbalah is divided into three branches the theoretical the meditative and the practical While many books both in Hebrew and English have explored the theoretical Kabbalah virtually nothing has been published regarding the meditative methods of these schools This is the first book published in any language that reveals the methodology of the Kabbalists and stresses the meditative techniques that were essential to their discipline Kaplan offers a lucid presentation of the mantras mandalas and other devices used by these schools as well as a penetrating interpretation of their significance in light of contemporary meditative research In addition Meditation and Kabbalah presents relevant portions of such meditative texts as the Greater Hekhalot textbook of the Merkava School the writings of Abraham Abulafia Joseph Gikatilia s Gates of Holiness Gate of the Holy Spirit textbook of the Lurianic School and the important meditative hasidic classics Also investigated is the intriguing possibility suggested by the Zohar that the meditative methods of the East might have been derived from the mystical techniques of the prophets

The New Creation Felipe Guzman,2019-10-22 We are born into this world as a triune being with a body soul and spirit Our physical body allows us to live within the physical realm and our soul is the director of all our mental and physical labor It is our spirit that gives life or allows us to be alive which in turn allows our conscious soul and physical body to live breathe and move Upon death our physical body remains in this physical realm however our soul and spirit will continue on for all eternity within the spiritual realm Our spirit and soul are two separate immaterial entities and need to be separated for the purpose of the human spirit to become the gateway for the entrance of God s Holy Spirit into the human spirit This is the born again experience that leads a person to become a new creation of God The spiritual rebirth of the human spirit is the only way one can enter God s heavenly kingdom and the only way the human spirit can go through the spiritual rebirth is by allowing God s Holy Spirit entrance into their spirit The only way that God s Holy Spirit will enter a person s spirit is by that person believing that Jesus Christ God incarnate died for their sins and the sins of the world thus removing the penalty of judgment of God s wrath upon those who chose to believe and accept Jesus Christ as their personal Lord and Savior This book gives biblical support for the reality of the triune composition of humanity and the function and destiny of each

The Resurrection and Immortality William West,2006-08 THE RESURRECTION AND IMMORTALITY Is man born with an immortal soul or do the saved put on immortality at the resurrection This is one of the most important questions of all times It has more influence on our conception of our nature our view of life in this world and life after death the nature of God than any other question The resurrection and an undying immortal soul are not compatible If one is true then the other one cannot be YOUR WHOLE THEOLOGY what you believe IS DETERMINED BY YOUR VIEW OF THE SOUL Not only does man now having an immortal soul make the resurrection impossible it makes the judgment be passed and the second coming of Christ pointless for there could not be a resurrection or a judgment at His coming The resurrection doctrine of unconditional immortality are contradictory to each other You must choose one or the other You cannot believe both Christ taught the resurrection It is our only hope of life after death not now having immortality and never dying The undead cannot be raised If the soul is immortal and never dies there cannot be a resurrection of those not dead If there is to be a resurrection of the dead the dead cannot be alive cannot be living immortal souls The doctrine of unconditional immortality Changes the nature of God makes Him cruel and sadistic Changes the message we preach to the lost and their fate whether they will have an eternal life with torment or a second death form which there will never be a resurrection Changes the nature of man whether he is now mortal or immortal Changes the nature of the resurrection of Christ whether He was dead and raised by God or only His earthly body was dead and He just came back from Heaven to it Changes the nature of our resurrection whether we are dead and resurrected or just come back from somewhere The resurrection an immortal soul The wages of sin is death the wages of sin is an eternal life of torment
