Soulfaring Celtic Pilgrimages Then And Now:

Just Grace R. T. Kendall, Cintra Pemberton, 1999 This work offers to enhance the experiences of today's pilgrims by helping them draw on the history of pilgrimage itself as well as suggesting rewarding sites to visit It covers the history of pilgrimage from Celtic times through the early Christian period and the Middle Ages to the revival of pilgrimage today Then the author describes 15 sites with a history and personal meditations on the experience of the Holy in each place The book includes a section with contact details for tourist boards and relevant Ordnance Survey maps *Soulfaring* Cintra Pemberton, 1999-10 Pilgrimage going to ancient holy sites in search of God has become increasingly popular for people seeking to deepen their relationship with the Holy Sister Cintra Pemberton seeks to enrich the experiences of today's pilgrims by helping them draw on the history of pilgrimage itself as well as by suggesting particularly rich sites to visit Part One of *Soulfaring* explores the history of pilgrimage beginning in Celtic times and moving through the early Christian period the Middle Ages and even the revival of pilgrimage today Part Two explores fifteen sites in Wales Ireland Scotland and the Isle of Man Each of the descriptions of the various sites includes not only suggestions of what may be seen there but the author's personal meditations on the experience of the Holy in each place *The Invisible Church* Steve Aisthorpe, 2016-05-01 This ground breaking book offers hope insight reflection and paractical ideas **The Living Church**, 1999 **Cultural Perspectives on Globalisation and Ireland** Eamon Maher, 2009 In the space of a few short decades Ireland has become one of the most globalised societies in the Western world The full ramifications of this transformation for traditional Irish communities religious practice economic activity as well as literature and the arts are as yet unknown What is known is that Ireland's largely unthinking embrace of globalisation has at times had negative consequences Unlike some other European countries Ireland has eagerly and sometimes recklessly grasped the opportunities for material advancement afforded by the global project This collection of essays largely the fruit of two workshops organised under the auspices of the Humanities Institute of Ireland at University College Dublin and the National Centre for Franco Irish Studies in the Institute of Technology Tallaght explores how globalisation has taken such a firm hold on Irish society and provides a cultural perspective on the phenomenon The book is divided into two sections The first examines various manifestations of globalisation in Irish society whereas the second focuses on literary representations of globalisation The contributors acknowledged experts in the areas of cultural theory religion sociology and literature offer a panoply of viewpoints of Ireland's interaction with globalisation *Thin Places* Tracy Balzer, 2013-07-29 *Thin Places* introduces contemporary Christians to the great spiritual legacy of the early Celts a legacy that has remained undiscovered or inaccessible for many evangelical Christians It provides ways for us to learn from this ancient faith expression applying fresh and lively spiritual disciplines to our own modern context **Praying with Celtic Saints, Prophets, Martyrs, and Poets** June Skinner Sawyers, 2001-05 The ancient Celtic tradition has taken the modern world by storm Over the past decade seekers have collected all things

Celtic books art music toys clothing But how much of it is authentic or lasting In this highly distinctive book June Sawyers has culled from a diverse pool of sources to offer readers a weekly dose of Celtic wisdom and witness Beyond the famous trio of Patrick Brigid and Brendan contemporary seekers will find kindred souls in famous and not so famous saints prophets martyrs and poets who make up the fabric of the Celtic tradition This book features short entries describing the lives temptations insights and struggles of Celtic saints but also Celtic prophets martyrs and poets Arranged weekly by either feast day birth date date of death or alphabetically each selection is preceded by a quotation from or about the saint prophet martyr or poet and concludes with a thought to ponder When appropriate each entry is accompanied by a descriptive listing of significant sacred sites museums or other important landmarks From Patrick and Columba to Seamus Heaney and William Butler Yeats this is a timeless and timely practical and wise book Use it as your spiritual guide throughout the year Holy Companions Sylvia Maddox, Mary C. Earle, 2004-07-01 The Celtic tradition continues to captivate readers Centuries old it seems to speak to the modern world with a fresh voice In Holy Companions readers are invited to get to know and journey with eighteen Celtic saints The authors have provided a theme inspired by each saint along with a brief biography a reflection on what the saint's life and words may mean to us today and some spiritual exercises and practices that grow out of that life and work Written accessibly this is an excellent book for individual exploration or group study The Mysticism of Ordinary and Extraordinary Experience Harry L. Serio, 2021-04-12 We are so much more than we appear to be The why of our existence is far more complex than the how of our being Mysticism probes the hidden nature of who we are why we are and our relationship to our Creator We catch glimpses of this not only in the ordinary experiences of life but also through extraordinary and unusual encounters with mystery Mysticism is the awareness of our reality *The Magic of Coin-Trees from Religion to Recreation* Ceri Houlbrook, 2018-04-23 This book traces the history of ritual landscapes in the British Isles and the transition from religious practice to recreation by focusing on a highly understudied exemplar the coin tree These are trees imbued with magical properties into which coins have been ritually embedded This is a contemporary custom which can be traced back in the literature to the 1700s when it was practiced for folk medical and dedicatory purposes Today the custom is widespread with over 200 coin trees distributed across the British Isles but is more akin to the casual deposition of coins in a wishing well coins are deposited in the tree in exchange for wishes good luck or future fortune Ceri Houlbrook contributes to the debate on the historic relationships between religion ritual and popular magic in British contexts from 1700 to the present **Succeeding at Succession** Peter Bunton, 2023-06-09 By providing case studies of Christian organizations and networks which have recently undergone succession and drawing upon perspectives from leadership theory psychology organizational development and theology this work shows multiple overlapping aspects of succession These facets include plans processes gender implications theologies of leadership successor origins relationship between outgoing and incoming leaders selection methods and organizational beliefs manifested in succession ceremonies An analysis

of the various successions studied reveals the need for the organization or network to reflect on its own understandings and theologies of leadership without so doing organizational succession could be impaired While exploring the complexities of leadership succession particularly founder succession this book provides clear lessons and guidance for those navigating such transitions in leadership **Abba's Whisper** Alan Davey, Elizabeth Davey, 2017-01-18 There is a longstanding tradition that God whispers in our ears He does not shout It is in the holy whisper writes the Quaker mystic that we hear Abba's voice not in the noise of clamoring crowds or the incessant barrage of social media To hear the voice of God is an awesome thing to know his thoughts to intuit his love to participate in his good pleasure It is both a gift to be received and art to be cultivated It can call to us when we least expect but we can train ourselves to become receptive listeners We need help to separate the cacophony of voices calling to us from the quiet whisper of Abba barely audible Since our wordy world masks the quiet respectful voice of God we need to recognize the primary ways that Abba communicates with his creation We must embrace practices that move us out of lives of distraction and exchange old patterns of living with new ways of seeing and hearing From our deep Christian past we hear the voice of St Augustine murmur Whisper in my heart I am here to save you I shall hear your voice and make haste to clasp you to myself Every Pilgrim's Guide to Celtic Britain and Ireland Andrew Jones, 2002 Jones provides a wealth of information on the shrines churches saints and holy sites of the Celtic tradition Traveling pilgrims are introduced to these special places that link ancient spirituality with modern lives of faith Photos Maps

Celtic Quest Timothy J. Joyce, 2000 Building on his bestselling Celtic Christianity Timothy Joyce shows how the spiritual worldview of the ancient Celtic church might breathe renewal and healing into the lives of Christians today Joyce begins by tracing the traumas that transformed the culture of Celtic Christianity into the more familiar Irish Catholicism of the past century For many people this form of Christianity is associated with feelings of anger shame and guilt Many have responded by turning their backs on a tradition that was often intolerant moralistic and closed Father Joyce addresses these restless seekers showing how the ancient traditions of Celtic Christianity offer hope for a contemporary life giving spirituality

God at Every Gate Brendan O'Malley, 2000 This prayer book provides essential sustenance for readers wanting to take a pilgrimage to a holy place Whether the journey is physical or spiritual God at Every Gate enables readers to discover and celebrate Christ's presence every step of the way Lost Islands Kevan Manwaring, 2008 Imaginary otherworldly and lost islands frequently feature in literature This study considers these mythic isles in the context of climate change and Earth itself as a threatened island **Book Review Index** , 2003 Vols 8 10 of the 1965 1984 master cumulation constitute a title index Church & Synagogue Libraries , 1999 *The Publishers Weekly* , 2000
