Strange Case Of The Reluctant Partners:

The Strange Case of the Reluctant Partners Mark Geller,1990 Thomas is dismayed by a seventh grade English assignment requiring him and the intelligent and unusual Elaine to write biographies of each other but they soon become good friends *What Do Young Adults Read Next?* Pam Spencer,Pam Spencer Holley,1994 Contains entries for over 1 300 books aimed at young adult readers Titles have been selected on the basis of their currency appeal to readers and literary merit Juniorplots John T. Gillespie,Corinne J. Naden,1993 A guide to preparing book talks for young people ages twelve to sixteen Presents plot analysis thematic material book talk material and additional suggestions on a variety of titles for each of eight themes of goals of adolescent reading **Instructor** ,1991 Forthcoming Books Rose Arny,1990 The Strange Case of the Pharaoh's Heart Timothy Miller,2024-03-19 To crack the case the time around Sherlock Holmes must return to the place he swore he d never revisit and face his demons literally 1923 In his last years Sherlock Holmes has abandoned his strict method of logic for the practice of spiritualism to the everlasting shame of his old friend Dr Watson When Lord Carnarvon dies unexpectedly barely two months after opening the tomb of Tutankhamun Holmes blames his death and a string of others from an American millionaire to an Egyptian prince on an ancient curse But Watson never one for the supernatural decides to finally part ways with the formerly great detective However shortly after his departure from Holmes Lord Carnarvon s daughter Lady Evelyn approaches Watson with a plea accompany Holmes to Tutankhamun s tomb to uncover the truth of her father s death whether natural supernatural or cold blooded murder Watson reluctantly accepts the challenge But much to his displeasure there s a third member of their company Mrs Estelle Roberts who communicates with the dead Although divided by different beliefs the trio must band together to unravel the extraordinary secret of the boy king and the treasure missing from his tomb that men have killed for Their journey takes them from London to Monte Carlo to Cairo and Luxor and finally to the place that haunts Sherlock Holmes s dreams the place he swore never to return to the Reichenbach Falls where the spirit of the one man he killed in his long career may be awaiting its revenge Moriarty **The Strange Case of the Rickety Cossack** Ian Tattersall,2015-06-09 In his new book *The Strange Case of the Rickety Cossack* human paleoanthropologist Ian Tattersall argues that a long tradition of human exceptionalism in paleoanthropology has distorted the picture of human evolution Drawing partly on his own career from young scientist in awe of his elders to crotchety elder statesman Tattersall offers an idiosyncratic look at the competitive world of paleoanthropology beginning with Charles Darwin 150 years ago and continuing through the Leakey dynasty in Africa and concluding with the latest astonishing findings in the Caucasus The book s title refers to the 1856 discovery of a clearly very old skull cap in Germany s Neander Valley The possessor had a brain as large as a modern human but a heavy low braincase with a prominent brow ridge Scientists tried hard to explain away the inconvenient possibility that this was not actually our direct relative One extreme interpretation suggested that the preserved leg bones were curved by both rickets and by a life on horseback The

pain of the unfortunate individual's affliction had caused him to chronically furrow his brow in agony leading to the excessive development of bone above the eye sockets The subsequent history of human evolutionary studies is full of similarly fanciful interpretations With tact and humor Tattersall concludes that we are not the perfected products of natural processes but instead the result of substantial doses of random happenstance The Cumulative Book Index ,1990 A world list of books in the English language Jim Kobak's Kirkus Reviews ,1991 **Your Reading** National Council of Teachers of English, Urbana, IL.,1991 An annotated listing of books of fiction nonfiction poetry and drama recommended for junior high and middle school students
