Spice Of Life:

The Spice of Life Ellie Thomas, 2022-02-05 At twenty years of age Gregory Fletcher is content with his life biding his time as a serving lad for kindly wealthy relatives in Elizabethan London Sometimes he wishes for a spark of excitement in his staid existence The occasional glimpse of Jehan Zanini the handsome apprentice of a local merchant adds spice to his dreams Out of the blue Jehan is accused of stealing from an aristocratic customer Gregory fears he may never see him again and is concerned for Jehan s liberty and even his life When Gregory gets the chance to help Jehan escape his fate he grasps the opportunity without hesitation Can Gregory engineer Jehan s flight from London and the authorities Might he even clear Jehan s name And will their adventure draw them closer or fling them apart forever Spices of Life Nina

In Defense Of Sanity G. K. Chesterton, 2011-09-09 G K Chesterton was a master essayist But reading his essays is not just an exercise in studying a literary form at its finest it is an encounter with timeless truths that jump off the page as fresh and powerful as the

day they were written The only problem with Chesterton s essays is that there are too many of them Over five thousand For most GKC readers it is not even possible to know where to start or how to begin to approach them So three of the world s leading authorities on Chesterton Dale Ahlquist Joseph Pearce Aidan Mackey have joined together to select the best Chesterton essays a collection that will be appreciated by both the newcomer and the seasoned student of this great 20th century man of letters The variety of topics are astounding barbarians architects mystics ghosts fireworks rain juries gargoyles and much more Plus a look at Shakespeare Dickens Jane Austen George MacDonald T S Eliot and the Bible All in that inimitable formidable but always quotable style of GKC Even more astounding than the variety is the continuity of Chesterton s thought that ties everything together A veritable feast for the mind and heart While some of the essays in this volume may be familiar many of them are collected here for the first time making their first appearance in over a century
