Muse of Love Eris Ardalides is bored out of her mind Love in this century isn't real It has no depth or feeling and she's taken herself out of the Muse business altogether Sex is fine Love not so much As far as she's concerned she's retired Life is too short for the angst that comes with deep emotion even for an immortal Grace Gordon is an excellent divorce lawyer She's trying to save the world and who has time for frivolity when lives are being torn apart She's lonely yes but so what One day she'll find love and a relationship But she'll never settle for anything less than perfect Surely it's out there somewhere When Eris finds out she's being sued by lovelorn victims who believe they might've had a chance if the Muse of Love hadn't been AWOL it's Grace who takes the case Attraction simmers but there's no middle ground when Grace wants perfection and Eris doesn't believe love even exists anymore The lines of love have been drawn Who will cross them first
